NORTH EGREMONT Miss Viola Rennie of Hanover Model visited relatives and at Mr. W. Ramage's at Thanksgiving. The storm of Thursday last was the greatest seen by oldest inhabitants, on one hillside washing out a channel 3 ft by 4 feet in width and depth, carrying stones and gravel across the roadway. Large quantities of hail fell, sizes varying in localities. After the storm passed the barn of Wm Ramage was struck in two places by lightning demolishing completely a rather and other minor damages but fortunately not setting on fire though passing down between the post and the bay. A strong smell of smoke and sulphur was felt following the crashing report. Rev Mr Roach, an old time preacher of Priceville circuit some eight years ago, preached on Sunday last at a crowded Ebenezer. Messrs Chas Watson and Theo. Weir began their rounds last week taking names of those who are willing to assist in the patriotic contributions of bags of oats and potatoes. Their first half day was very successful. How any could refuse safely 'sitting at home while Tommy bears the brunt' is more than we can comprehend. Let Egremont be the banner township in this as in other things. Mr Wm Ramage, crop correspondent of the Dept. of Agriculture, Ottawa, was the recipient of a finely bound volume of fodder and pasture plants by that body.

SWINTON PARK Gipsy Simon Smith held a series of Evangelistic services in Salem church last week and were largely attended. Mr Smith is a good speaker and lively singer and his story of the gipsy life was very interesting. Anniversary services will be held in Salem Methodist church on Sunday, Oct. 18th. Rev. Mr Roach will conduct the services. On the following Monday evening a tea meeting will be held. Tea served from 6 to 8. A good program is prepared. Most of the young people attended the Fair in Dundalk last Friday and were quite disappointed, as the rain came or just as the crowd were going to the grounds. Most of them stayed for the concert and report a good time. Balance crowded out till next week.

Mr Thos. Renwick had the misfortune of losing a pet (a horse) this week by falling and breaking its neck. A most enthusiastic patriotic meeting was held in Russell Hall Wednesday evening for the purpose of appointing collectors in this polling division, relative to the gift of potatoes and oats to be given by the county to British government as an aid in the war. Mr James Snell ably filled the position as chairman. Orr reeve, Mr John McArthur, gave a splendid address, dealing with the causes and events of the present war and pointed out the necessity of our aid. Other speeches were given by Messrs. Hastie, Findlay, Smith, Lothian, Ramage, and Renwick. Mr Ramage contributed two fine patriotic songs. Collectors appointed were as follows: 18th con.—Geo. Egremont is Loyal Egremont's patriotic spirit is being tested and it is admirably responding at present to the cry of need for the distress and suffering caused by war. Meetings at Sinclair's, Drury's Allan's, Yeovil School and at halls in Holstein and Dromore have been recently held and Reeve McArthur who is devoting much valuable time to the project says that returns will be large and satisfactory. In this prosperous year most farmers are finding a few bags of potatoes and oats are not missed and the canvassers are getting their lists well filled. The committee in charge of Holstein ward are Wm Eccles, Peter Mutch, W. H. Rogers, Alex. Ross, Geo. Hunt, Geo. Rawn, Wm. Horskburg Jr, John Stevenson, and Hunter, John Walls, Henry Cowan, Thos Kirby, Robert Robertson.

Fairbairn Anniversary The Anniversary services at Fairbairn Presbyterian church on Sunday and Monday attained a success of unusual proportions. Rev. Mr Perrin, of Moorefield, made a very acceptable preacher at the morning and evening meetings on Sunday, large congregations being present, the evening attracting a capacity house. For the tea meeting and towel supper on Monday, a better time was never prepared nor a better time spent. Supper, the principal article on the menu being appetizing chicken pie, was served from 6 to 8 o'clock in the "Sunday School Parlors" as some of the clerical speakers later amusingly termed the sheds. The programme in the church followed, Rev Dr. Marsh acting as chairman. The choir, augmented by Mr J. Marsh, Mr and Miss Buehman, of Cedarville and Mrs Hockridge, of Hopeville, rendered splendid musical selections. The Hopeville quartette, consisting of Mrs Hockridge, Miss Shand and the Messrs Shand gave a piece which might be termed "A Husband's Dilemma." J. A. Marsh rendered "Boys of the Old Brigade" and an encore followed. Mr W. Ramage delighted the audience with the number "Tommy Atkins." Messrs A. Woods, C. Legg, Mr and Miss Buchanan also took an acceptable part in the programme in solo and duet work. Rev's Smith, Moyer and Ibbott gave appropriate addresses, speaking mainly on the theme of Thanksgiving. The proceeds for the evening were \$166.50.

D. W. Cameron visited in St. Thomas over the holiday. Special Notice Rev. T. H. Ibbott, Ph. B., will give his popular lecture on "A Trip to the British Isles" in the Agricultural Hall, Holstein, on Wed. evening, Oct. 28th. The lecture will be illustrated with about 350 stereographic views. Every picture as natural as life. Illustrated songs will be given by Mr. John Marsh, the popular singer of Holstein. Fare for the round trip, Adults 25c, children 10c. Under the auspices of the Trustee-Board. Lightning Caused Heavy Loss Struck by lightning during a severe electrical storm which passed over this district last Thursday afternoon, the barn of Wm. Lamont, lot 10 con. 10, Egremont, was burned to the ground and much of its contents including the season's crop was completely destroyed. As threshing operations were going on at the time, it appears almost a miracle that life was not also taken since the dozen or more men remained in the building. Wesley Snell's threshing machine was in the barn and is also totally lost. Immediately after being struck in one wing of the building, flames enveloped that portion and desperate but futile attempts were made by the men to snuff the flames out with their coats. Failing in that, the stock in the building were released and taken to safety, the only thing in this line suffering being a number of hens. While passing through a flaming doorway into the stable Dave Kobb had the hat hatted from his head and burned. Within 15 minutes after being struck, the structure was charred. It is said that Mr Lamont had some insurance on the barn but notwithstanding his loss will be great. The adjoining implement shed was saved.

Beef-ring's Annual Social The annual social evening of the beef ring held on Oct. 6, passed off with greater success than usual. More than 100 people were present for the occasion and enjoyed a most appetizing repast and then took part in or were auditors of, a program of merit. W. M. Great made an able chairman for the last named function and heading the list of talented entertainers were Mrs T. H. Ibbott who more than pleased her audience by her musical numbers. Mrs Ibbott in addition to rendering two superior selections, also took part in a fine instrumental duet with Mr. Eckert on the violin. Another number appreciated was the playing of Miss Sophie McArthur and Currie McArthur on the piano and violin. Harvey Great gave a pleasing piano instrumental while Miss Rawn and Mr. A. G. Bell favored with solos. Orrie Hunt is winning distinction as a comedian and was well to the front with a lively song. The Misses Rice and Rogers gave a quartette and the number was heartily applauded. Messrs Troup and W. Horskburg's selections were of a high order. The dialogue between Tena Merchant and Currie McArthur was one of the real "hits" of the evening while Arthur Matthews and his gramophone added considerably to the enjoyment of the night. In addition to the address of hearty welcome by host Neil McArthur, speeches were delivered by Reeve McArthur, Chas. Robb, Chas. Hunt, Mr. Thompson, the capable butcher of the ring and others. When all was said and done, it was declared to be the best evening yet held and 1 o'clock the next morning found the merry company preparing to depart for their homes.

"Lest We Forget" WE need to be reminded quite as much as to be informed. Memory has been jocularly described as "the thing we forget with." Out of sight is apt to be out of mind. An advertiser who relies on the memory of the public leans on a broken reed. The absence of its advertising from the newspapers has been the beginning of the end for many a firm. "The present suitor hath ever the advantage over the absent lover." A business that has achieved its magnitude or strength as the result of faithful advertising is itself false if it suspends or ceases its advertising on the grounds of economy. It is poor business vision which fails to see the principal feeder of business, and fatal judgment which cuts it off or interrupts its flow. Economies may be warranted but they had better be effected in any other department than in the sales department—the department of revenue. Any course which shoves your customer back from you or hides you from your customer is ruinous. The man with the money needs to be constantly sought. Advertising is the great discoverer of new customers, the great retainer of old ones. If you forget the public, the public will forget you.

Mr. Robert H. Isaac has taken out an Auctioneer's License for the County of Grey. His card appears in another column. Hats off to the October weather that has prevailed for some weeks past. Nothing so good for lifting roots has been seen for some years. You can help the Canadian Patriotic Fund and yet it won't cost you a cent, simply by buying Rexall goods at MacFarlane's Drug Store in Dundalk. FOUND.—A lady's watch. Owner may have same by paying for this advertisement and applying to NEVILLE FAIRBANKS, 105 Dundalk.

Mr. M. H. Van Wyck of Orangeville recently of Wingham, has opened up a cleaning, pressing and repair business for ladies' and men's clothing at Geo. S. Burnst's store. The Junior League of the Methodist Church conducted the regular Ladies' meeting on Monday night. There was a very large attendance and the Juniors made a successful handling of the topic and service. A big rally should be made to the annual meeting of the Horticultural Society on 3rd of November in Public Library at 8 p.m. All flower lovers should encourage this worth, Society by their presence and by becoming members.

A Judge's Court of Revision will be held on Monday in the Town Hall and a large number of changes made in the Voters' List. The changes consisted of new names added, some removed altogether and others transferred from one part of the list to another. A patriotic meeting will be held at Lusham on Friday evening under the auspices of Benick Council to take into consideration, township contributions to the Patriotic Fund. Warden Breez of Chatsworth will be present and a big attendance is requested.

Great success is attending the canvassing for contributions of oats and potatoes in Egremont township and when all is summed up there will be grand total. The giving is being done gladly in almost every instance. Reeve McArthur and his council have spent much time in the laudable work. Mayor Wm. Black sold on Monday over the phone a handsome black gelding for a long price. This horse was raised by Mr Henry Sealey, of Gleaden. He was sired by that great horse, Lord dore, dam Black Diamond. Mr Black says that every person that owns a good light horse can still get a high price for them.

Accordingly the members met on Monday night and elected one of the members Mr Frank Buce, solo cornetist, to take charge for a three month term, but satisfactory, the time may then be renewed. Varney Anniversary Services were held on Sunday and Monday last and these taking part say that both were enjoyable and inspiring. Pastor Newnam preached profitable discourses morning and evening to good congregations. Monday evening there was usual social and intellectual time. Following this in the Orange Hall and Prudham in the chair, a splendid program was carried out. Rev's Ibbott and Marsh, Holstein, and Whaley, Durham, gave appropriate addresses. It did also Mr Wm. Allan. The choir's selections made an important part of the program. The proceeds of the Monday evening were \$25.00.
