A Neighbor Told Him To Take

If you want to know what Gin Pills will do for you, just drop a line to Mr. D. A. Yorke, at Belirock, Ont. He will tell you what Gin Pills did for him, after he had suffered with Kidney trouble for 15 years. Here is his letter:

"I suffered for about 15 years with my Kidneys. I could get nothing to help me. The pain went all through my back and shoulders and down the calves of my legs. When I would sit down for a while, I could not straighten up again until I would walk a rod or more, the pain was so great. Aneighbor advised me to take GIN PILLS. I did so and six boxes cured me, It is about two and a half years since I quit taking them. My back is all right; no pains and no more backache. I thank GIN PILLS for it all—they are worth their weight in gold."
