Disappointing

The young postmistress, says Every-body's Magazine was reading a postal card from the morning mail. Finally she turned it over to the address. "Hub," she said in a disappointed tone, "this card is for me!"

MOTHERS OF DELICATE CHILDREN

Should Read the Following Letter - Mrs. Slack's Story About Her Child's Recovery is Entirely Reliable.

Palmyra, Pa. - "Three years ago my little girl had black measles which left her with a chronic cough and so awfully thin you could count all her ribs, and she coughed so much she had no appetite. 'Nothing we gave her seemed to help her at all until one day Mrs. Neibert told me how much good Vinol had done her little girl, so I decided to try it for my little one, and it has done her so much good she is hungry all the time, her cough is gone, she is stouter and more healthy in color and this is the first winter she has been able to play out in the snow, coasting and snow-balling without any ill effects.' - Mrs. ALFRED SLACK, Palmyra, Pa.

We know Vinol will build up your little ones and make them healthy, strong and robust, therefore we ask parents of every frail and sickly child in this vicinity to try a bottle of Vinol, our delicious cod liver and iron tonic without oil.

If we can induce you to try a bottle of Vinol as a health-builder and strength-giver for your child, and you do not find it is all we claim, we will return your money on demand.
