Hutchison-Eighty-One Years Old-Uses No Other Tonic but Vinol and Recommends It to Friends.

Greenville, S.C.—"It is with pleasure I tell others of the great benefit I have derived from Vinol, for the past several years. I am 81 years old and I find Vinoi gives me strength, a healthy appetite and overcomes nervous disorders. Vinol is the only tonic reconstructor I have used for several years. I have recommended it to a great many of my friends and it has always proved satisfactory."—Mrs. M. A. HUTCHISON, Greenville, S.C.

Such cases as the above are constantly coming to our attention. If people in this vicinity only realized how Vinol invigorates old people we would not be able to supply the demand.

It is the tissue building, curative elements of the cod's livers, aided by the blood making strengthening properties of tonic iron contained in Vinol, that makes it so successful in building un strength for old people, delicate children and for all run-down conditions. Vinol is also a most successful remedy for chronic coughs, colds and bronchitis, If it fails to benefit any one who tries

International Stock Food Tonic is equally good for horses, cattle, hogs, sheep, etc. It is guaranteed to make cows give from one to three more quarts of milk every day, and it will make hogs grow amazingly. It is a commonsense everyday tonic, blood purifier and general system strength-ener and a great aid to better digestion and assimilation. It is not to take the place of grain but is to be mixed with grain for better health and larger profit. It improves digestion and assimilation on all animals and the using cost is only "THREE FEEDS for ONE CENT". For sale by dealers everywhere in 50c. and \$1.00 packages and 25 pound pails.
