NEW 1915 INVENTION RETAINS RUPTURE WITHOUT KNIFE. HARNESS, DANGER OR PAIN. COSTS YOU NOTHING TO INVESTIGATE.

Mr. Egan's new 1915 appliances, "the Curative" and "the Curatrus", are rapid-ly taking the place of the old-fashioned trusses purchased by mail order. These new inventions are constructed to assist nature in her work of healing and some time or another. Complete comfort awaits you. Correct holding will be experienced from the start. No more escape of rupture. Misery comes to an end at once. You will enjoy that absolute confidence of being able to do anything at any time or anywhere without the bowel making its escape outside the abdomen. This will relieve you of mental unrest and worry. This will make you feel like a new person. This kind of retention is intended to assist nature to close the opening. These new inventions are adapted to different forms of hernia to meet the needs of every man, woman or child. Stop further experimenting with foreign appliances and end your rupture troubles at small cost by consulting a Canadian rup-ture appliance specialist. Delays may be dangerous; tear off coupon now.

THIS FREE RUPTURE COUPON Upon presentation to J. Y. Egan, specialist, 6 West King street, Toronto, who will visit the towns below, entitles bearer to free consultation and examination of samples. Ask at hotel office for room number. Note dates.
