WEST OF PRICEVILLE

The frosts of Sunday night, the 9th inst., was the severest seen for some time, ice on the water nearly one-half inch thick. Grain that is looking green will probably suffer.

The heavy rain of Saturday night caused low land to be in a bad state to work upon.

Mrs. Wm. Mather's brother and sister and Miss Derby, all from Allan Park, visited at Mr. Mather's over Saturday and Sunday and attended church on Sunday in Priceville.

Mr. and Mrs. Hugh C. McPhail and Mr. and Mrs. Hector McEachern of the south line, attended the funeral of Mrs. McPhail's and Mrs. McEachern's sister, the late Mrs. Forbes, of Rochester, on Wednesday of last week. Mrs. Forbes was a daughter of Mr. Arch. McCormick, of Bentinck.

As was seen in the Globe of Saturday, the 8th inst., the death of Wm. Beaton, of North Dakota, at the age of 78 years, 6 months. Mr. Beaton was a cousin of the McDonald's of Durham Road, Glenelg, south line, also of Mr. Wm. Smellie of Durham Road.

The Rev. Mr. Matheson preached his final sermon on Sunday last, taking for his topic the present war on the late disaster caused by the enemy in the sinking of the big Lusitania and so many precious lives gone to the bottom. Mr. Matheson will preach Mother's sermon next Sunday. As there are so many poor mothers heart-broken all over the world, probably there will be a lot of young mothers with their children present in church also.

SWINTON PARK

Seeding is well advanced in this part and a greater acreage is sown than of other years. Some of our young men are thinking of ploughing the fence corners.

Miss Jessie Campbell spent the week end visiting in Durham.

Mr. and Mrs. Sam Goben spent Sunday in the Park.

Mr. Howard Watson was busy last week delivering new buggies.

Mr. Watt. Knox spent last Sunday in Priceville.

Mr. Neil McDonald Sundayed at Mr. Arch. Ferguson's.

Miss Hazel Lawrence visited Sunday with Miss Peg Ferguson.

Mr. D. McCormack, Sr., had the misfortune to be thrown off a riding plough and had ribs broken.

Mr. Geo. Campbell spent Sunday in mount Forest.

Mr. Geo. Ferguson's team ran away with the seed drill and completely smashed it. Luckily the horses weren't injured. Geo. you will have to be more careful. (Isn't this the second runaway this spring?)

Miss Annie Knox spent Saturday at her home here.

Miss Ethel Lawrence spent Sunday with her aunt, Mrs. J. Hardy.

Mr. R. Hunter is at present visiting friends in Luther.

Mr. and Mrs. Wm. Paton, Robt. and Mary attended services at Swinton church last Sunday.

Trout fishing is the order of the day. No catches yet.

GLENELG CENTRE

Well Mr. Editor, it is a long time since you heard from our burg. The farmers around are busy seeding and a few more days of dry weather will wind up the spring work.

There was a successful fishing party held by the young ladies of Priceville Friday of last week.

Mrs. Dan McCormick spent a few days at Dromore last week.

Mr. and Mrs. J. S. Black spent a week with their daughter, Mrs. McCormack of the 10th.

Miss Effie Black had a successful quilting bee last week.

Master Thomas Graham spent a few days with his cousin Leonard of Priceville.

Miss F. McVicar and Miss O. Conner, our teacher, spent a pleasant evening at Anderson's last week.

Mrs. Nicol and family, of Jackfish, are spending the summer with her mother, Mrs. Anderson.

Messrs. Oris Anderson and Jno. Meagher, Jr., are frequent visitors in Scotchtown. Who's the attraction boys?

To the Panama Pacific Exposition via the Canadian Rockies

At the present time a great many are beginning their annual tour. Considerable numbers visit the popular California Resorts, while many prefer the unsurpassed Resorts, Palatial Hotels and magnificent scenery of the Canadian Rockies. This year why not combine the two by a visit to the Panama Pacific Expositions?

Numerous people in comfortable circumstances, well able to afford a trip have the mistaken idea that a journey of this nature is most expensive. Not so; thanks to modern railway facilities, an extensive trip, both interesting and educational, can be made with speed and comfort at a comparatively small cost. Why not investigate?

Those contemplating a trip of any nature will receive full information from any C. P. R. Agent, or write Mr. G. Murphy, District Passenger Agent, Toronto.

PRICEVILLE VILLAGE

The weather man has greeted us these last few mornings with a very icy smile and we can't for the life of us think what is causing his displeasure.

Another week has come and gone, bringing with it more and terrible disaster and we almost tremble with fear for what the coming weeks may bring. Is it possible, as some of our great and good men think, that it is a chastisement for the carelessness and profligacy of the world? God punished the nations for their wickedness in the olden times of Noah, Abraham and Moses. Might it not be so in our day, or is it just another phase in the working out of His great plan. Surely the ways of the Almighty are past our understanding.

Mr. Sam Brooks, of the 2nd contingent, paid a short visit to his uncle, Jas. Brooker of this place, before leaving for the front. Part of this contingent, as we see by the papers, are already in the firing line. Just another fine, healthy looking young man gone to fight for freedom's cause. All honor to our soldier laddies.

Mrs. Matheson attended the W. H. and F. M. S. in Hamilton last week and a report will be given at the next meeting on Wednesday, 26th.

Mrs. Graham, of Toronto, and Miss Effie Black visited for a few days with their brother, Mr. J. Black.

Mr. Karstedt, who has bought out the Brander store business, has everything in running order again, after the stock-taking last week.

A representative of the Bible Society will give a lecture in the Presbyterian Church next Thursday night.

The Institute meeting of the 6th inst. was well attended. A large number of ladies being present, some new members were added. Mrs. Sackett and Mrs. F. McKinnon were selected as President and Vice President, while Miss Jennie Watson, who has served long and faithfully, will be relieved and Miss Annabel McLeod will be Secretary for the coming year.

Mrs. Hermie McLean sang by request that good old patriotic song, "Heroes and Gentlemen," which came home to the hearts of all and stirred their deepest feeling as never before and we are learning that Canada too has plenty of heroes and gentlemen.

ROSEMARY HILL HOME Tells How Vinol Restores Strength and Vitality to the Weak, Worn-Out Ones in Her Charge.

Rosary Hill Home, Hawthorne, N. Y. "I have been at work among the sick and poor for nearly eighteen years, and whenever I have used Vinol for run-down, weak or emaciated patients, they have been visibly benefited by it. One patient, a young woman, was so weak and ill she could hardly creep to my door for aid, and was leaning on a friend's arm. I supplied Vinol to her liberally and in a month when she returned to me there was nothing to recognize her. She was rosy, her color charming and her cheeks rounded out. These words are uttered from my heart, in order that more people may know about Vinol, as there is nothing makes me happier in the world than to relieve the sick."

Mother M. ALPHONSA LATHROP, O.S.D., Hawthorne, N. Y. Such disinterested and reliable testimony should convince everyone of the merits of Vinol, our delicious cod liver and iron tonic to build up health and strength for all weakened and nervous conditions, whether caused from overwork, worry or chronic coughs and colds. If Vinol fails to benefit we return your money.
