LOST.—Between Holstein and Markdale one automobile tail lamp and number (18102). Finder kindly communicate with Department of Agriculture, Markdale.

ECONOMY, BUT?—The G. T. R. will now pay their employees in cash instead of by the old cheque system owing to the necessity of putting a two-cent war stamp on the cheque. It is estimated that the war stamp would cost the company \$200,000 per year by affixing them to the salary cheques.—Is this quite loyal?
