in Ontario to-day in regard to tem- for a trip. perance was made by Mr Rowell in a meeting of the Lincoln Liberal As-sociation. It is the first time since him something, so I will close this ell has summed up the situatian and you soon sgain.
his speech has done much to show With lots of lo again, in a clear-cut way, the deep gulf fixed between the Government

Mr Rowell did not criticize the new License Commission's work. Apart from saying that the Govern-ment's idea of the Commission, or at any rate, the results would be to did not discuss the actual work of

the Commission. His attack was on the Government of Ontario, which, he reminded his hearers had, in spite of the repeated offers of the Opposition to support them, in spite of the critical situation arising from the bar, in spite of the most striking examples from other countries and from other Canadian Provinces, especially in the West, refused definitely to deal in any drastic or Province-wide way with the drink traffic; they had refused, for example, to close all bars and shops permanently; they even refused to close them during the war; they would not even let the people of the would at Ypres on April 24th. shot through the left shoulder. I had an operation on the 8th of May and they got the bullet out, but have to have another operation in a day or so to set the bone, as it is badly shattered and I suppose that they will have to take some pieces out, but I got off pretty locky as some of them gas killed a lot, but I did not get enough to hart me any. After I was hit I walked about four miles before I could get a car to take me to the hospital and I don't know how I His attack was on the Government | Well I am over in England now.

Province, by a referendum, say themselves what they wanted done; still more—they would not even shut bars and clubs at seven, eight, nine or even ten o'clock at night. All these proposals of Mr Rowell and the Opposition they had rejected this Ses-

The outstanding fact to-day, according to Mr Rowell, is that Ontario The German drive against Russia, since they captured Przemysl still proceeds, Russia retiring without being routed, and now and then getting ing routed, and now and then getting ing routed. Some state of the proceeds are the composite of the proceeds and now and then getting ing routed. The composition of the last the composition of the
