## WHY YOUNG GIRLS GROW PALE AND WEAK

The Blood Supply is Deficient and Unless the Trouble is Remedied Consumption May Follow.

When girls grow weak, pale and Heard and Recorded by the Famous miserable, then is the time for parents to take prompt steps. Delay means danger-perhaps consumption. The girl in her teens cannot develop into a happy, robust woman without an abundant supply of rich, red blood ward a throng of soldiers in dressingin her veins. It is the lack of this gowns was gathered round a bed on good blood that is the great trouble which sat a pleasant-faced fellow with nine girls out of every ten, with his head in bandages telling They grow weak and depressed; lose them a story. They fell away with their appetite, are breathless after courteous movement to give us room. the slightest exertion, and suffer from We saw that the pleasant face and headaches and backaches. When the bandaged head belonged to a girls are in this condition there is no young man, who looked older, the medicine can compare with Dr. Wil- Russian peasant Corporal Porfiro liams' Pink Pills. ## Breaking the Record.

The regiment was drawn up ready for inspection. Smartly the men were standing, chests out, eyes front, etc. Round about an admiring crowd had gathered.

A sergeant, anxious to show off before the spectators, approached one of the latest recruits, and asked him: "Well, Jones, suppose you were on outpost duty, and you saw the Germans approaching in massed formation, what would you do?"

The man with a cool million always

gets a warm reception.
