Last Saturday the Bell Telephone linemen put in a phone for Mr John McFayden, which makes 15 on line 98

Mrs Frank Vickers and family, of Renfrew, and Mrs W. M. Eadie and family visited her mother, Mrs R. H. Banks, last week.

Miss Emma Ritchie will visit one of her old scholars in a former school near Dundak the last of this week.

Master Roy McLachlan of the 4th con., holidayed with his aunt, Mrs T. Greenwood last week.

BEAVER CREEK

We had a fine rain last night and it seemed to be general. The farmers around here are in their tussle fields yet and some are at the hay.

Some of the men around here went to Owen Sound on the 12th and enjoyed the day.

Mrs Ewen D. McNab and baby, from Arrow River, Man., is visiting friends in Ontario. She arrived here from Swinton Park in a car owned by her uncle.

Miss Katie McNab has been visiting an old friend in Puslinch.

The boys from our school who tried the entrance are anxious to see who passed and are wondering at the delay.

Mr and Mrs Wm. McKittrick, a hale and hearty old couple of 71 and 84 years respectively, visited relatives here recently. They left Vancouver, to visit relatives here leaving the well known coast city to visit relatives in the east, going by boat to Prince Rupert and sailed down the Fraser river. They then took train, reached the home of Mr Ewen D. McNab, at Arrow River, Man. After a brief stay there they again took train for the long journey to Ontario, where they visited in East Sarnia and Paisley, later coming to Durham and visiting with Mr and Mrs Arch. McNab Hall.

This is Monday, 19th July, and rained all last night. No hay to-day.

Rev. Jones from Toronto preached in the Pres. Church here yesterday and will preach next Sunday. Also Mrs Davies from Lettbridge, nee Maggie McDonald and little son are arrived at her old home at her father's, Duncan McDonald, D. Road, Glenelg, where she intends to stay for some time. All the family are at the old home now.

This week we have two deaths to report. Donald Kennedy died on July 12th at his old residence, north line, 1 mile from Priceville after a lingering illness of some months at the advanced age. Mr Kennedy was one of the pioneers of the North Line, Artemesia, coming there with his father's family over 60 years ago. He leaves one sister Mrs McConey and a brother Angus as well as one niece and two nephews. Arch Conkey at the homestead and Dr J A Conkey of Cleveland, U. S. A. The funeral took place Wednesday, 14th inst to the old graveyard at Priceville, there laid to rest beside some near friends gone before. Mr Kennedy was a member of S. O. S., Priceville.

Word came by wire of the death of Mrs Angus Melnes of Victoria, B. C. nee Annie McDonald, daughter of Robt McDonald, now of Salt Lake City. Mrs Melnes was born at lot 40 on 1, S.D.R. Glenelg, about 58 years ago. Her bereaved husband, a son of the late Allan Melnes D. Rd., Glenelg and brother to Councilor Melnes of Glenelg was born and raised a few lots further west. We are not in a position to give the cause of death at this time but all join in extending condolences to Mr Melnes and family in their loss of wife and mother. Mrs Melnes was a niece of Mrs Donald McCormick of town and Mr Melnis is a nephew of Mr. McCormick. Both have many friends and relatives in this part.

HOPEVILLE

The 12th passed off very quietly in our burg. Some went to Owen Sound and others to Lestelov.

Mr Neil McKechnie assisted in the music of the Young Britons of Conn in Lestelov on Monday.

Mrs Waddell and daughter, Spelling, Man., are visitors at Neil McKechnie's.

Miss M. Watson, Priceville, is visiting at Mr Jas. Dingwall's.

Espin S. S. picnic Friday was much enjoyed by a huge crowd, but a thunder storm in the evening ended things rather abrupt. The baseball between Swinton Park and the allies of the 14th, umpired by Robbie Dory, Cederville, scored 10-2 in favor of the allies. The football was withdrawn on account of the rain. The ladies were equal to the occasion and presented a good supper.

Misses F. Ferguson and M. Harper are holidaying at Mr Archie Ferguson's and accompanied Miss Annie, Mr and Mrs E. Hockridge to Dromore Sunday last.

Mr Will McRachnie, with his musical instrument, accompanied Mr W. Nelson's to a picnic at Pike Lake Wednesday.

Mr Oscar Ostrander is building a cement culvert in front of Mr R. Culiton's farm.

We are sorry to report Mr Nelson, Sr., is very ill.

Mr Earl, Miss Edith and Master Frank Dingwall, Holstein, drove over for the picnic Friday.

Mrs Bittorf, Sr., Arthon, is visiting relatives on the 9th con.

Mr G. W. Parslow is also the owner of a Ford automobile. He and Mr Albert Haw motored over to Owen Sound Monday.

Mr Jas, Riddell and daughter Mary Elora, spent the week end with relatives here.

PARISIAN SAGE

What's the use of being bald? What sense is there in deliberately allowing your hair to turn gray? Do you want to look old before your time? Give up the thought; old age will come only too soon.

Look after your hair. PARISIAN SAGE will kill the dandruff germs, and is the only preparation, so far as we know, that is guaranteed to do so.

Man or woman, no matter how old you are, PARISIAN SAGE will make you look young.

Come in and get a large bottle to-day. It only costs 50 cents, and your money back if it does not cure dandruff, stop falling hair, or itching of the scalp. It will make your hair luxuriant, bright and beautiful, and it is the most refreshing, pleasant and invigorating hair dressing made.

Famous Fight of the Canadians

"Human Derelicts from War's Infernal Stream."

[The portion of the Cleave letter we published last week left him rather abruptly in the trenches with a strange Sabbath calm surrounding them. To make connection we repeat a few lines that appeared last week.—Ed.]

"The day wore calmly away. We had tea, were just going to say grace and wash up when bang and to our left we saw a huge cloud of smoke and earth being blown into the air. Then came a hail of shrapnel and high explosive over our trench and the battle of St. Elol was fairly under way. The bombardment of our trenches lasted half an hour. Then we were able to look over the top of the trench. We saw 4 huge destroyers were out trenches had been on our left and that was the time when you felt proud of your race.

The 1st Royal Irish whose trenches had been blown up were quietly re-forming as though it were part of their drill to be blown up sky high, and at Mr Donald McGillivray's, of Glenelg. After saying good-bye they left for Ottawa, Goulbourne, Carleton Place and Ashton, and when through with this long trip return to their old home in Crystal City. It is 19 years since they visited here before and their friends rejoice in the physical vigor that enables them to travel so far.
