TOWN TOPICS

Mr. S. B. Switzer, Streetsville, will judge out fields in connection with the Grey Field Competition on or about Aug. 5th.

The Girls' meeting of the Women's Institute will be held at the home of Mrs. Sam Patterson, Thursday, Aug. 5. A good program will be given after which sewing will be done for the Red Cross.

The rebate of \$60 per car is being given by the Ford Co. in the States in August, as over 500,000 were sold the past year. Owing to the war it is possible the goal—30,000 cars—has not been reached in Canada.

Shelburne lacrosse team will be Durham's opponents here this Thursday afternoon, and though the Durhams figure on winning, it will be no sin since the visitors are a hard-checking team. Ball faced at 4 p. m.—on exhibition grounds.

WON GOLD MEDAL.—Advice from Saskatchewan relate how Mr. Bert Morice, son of Robert Morice, ex-Reeve of Normanby, had won a gold medal as best shot at Battleford among all the recruits there going to the front, numbering 600. He also won a prize as one of the best all round athletes. Congratulate him.

THE LOGIC OF IT.—A liquor man in west Virginia offered to pay off the State debt of \$17,000,000 in ten years if he were given the sole right to sell liquor in the State. That offer set the West Virginians thinking that by cutting off the traffic that they might themselves clear off the debt and stay sober in the bargain.

The Annual Garden Party of Zion Epworth League will be held near the church on Thursday evening, Aug. 5th. An excellent program will be given of songs, music recitations and addresses. Invitations have been issued to R. J. Hall, M. P., H. H. Miller, ex-M. P., Mr. Angus Mcintosh, Miss Margaret Hunter and others. Rev. Mr. Moyer will preside. Tea served from 6 to 8 p. m. Admission 25c and 10c.

MONTHLY LEAVE FOR HARVESTING.—The soldiers at Niagara Camp it is said will get a month's leave of absence for harvesting operations at their home here, that is for those who come from the rural communities. They will be allowed to go and take the time off and then be taken on again when they return, only of course, if they can show proof that they were actually working at harvesting during their absence.

ANOTHER SUCCESSFUL LAWN EVENT.—Brilliantly illuminated last Thursday evening, Mr. Jno. Kelly's beautiful grounds were thronged with an animated concourse, the occasion being Trinity church annual garden party. Durham Band furnished several of their choice selections and Dr. Jamieson, M. P. P., presided over an entertaining program, consisting of choruses by the choir, solo by J. S'edman and addresses by W. Irwin and the four resident ministers. The proceeds of the evening amounted to over \$115.

FOUR HAVE ENLISTED.—Lieut. H. C. Young, of Hanover, was in town Monday to secure recruits, who are to leave soon under Lieut. Young's command for the concentration camp at Niagara. Four signed here, Alfred Heather, George Lloyd, Norman McDonald, Sam Hartford, Grey County last week had 15 men accepted, out of 30 asked for from the 31st regt. Grey in previous contingents always supplied the full number or more recruits than asked for, and it is hoped the 30 for the group will speedily be complete.

A SERIOUS CHARGE.—Wm. Troy, owner of the Dominion Hotel at Ayrton, was committed for trial yesterday afternoon by Justices of the Peace, Edwin Ryan and R. H. Fortune on a charge of having indecently assaulted Miss Henrietta Graft, aged 16, on the farm of Geo. Frank by whom she was employed as a domestic. Bail was fixed in the sum of \$2000 and the accused man will be tried at the next county assizes at Owen Sound. The affair has caused a sensation in the district.

HAS HANOVER LOST THE MODEL?—I look very much like as if the Model School in Hanover will be missing this year and if this be the case, the students which generally attend the institution from this part will have to look elsewhere for teacher training this fall. Rumors have been afloat that Hanover might lose the Model and the Daily papers of last week in reporting the examination results seem to give this report confirmation. Nine other centres are stated in the list but not Hanover. The nearest Models now are Guelph and Clinton.

FRUIT BULLETIN

RASPBERRIES, Niagara District grown, are about done, and Black Currants are also bearing an end. The ever popular and delicious Lawtonberry—large black Thimbleberry—and Tomatoes are beginning to make their appearance.

LOST.—Between Ceylon and Durham Sunday, a gentleman's raincoat. Leave either at Review Office, Durham, or Priceville Barber Shop.

W. E. Williams, a commercial traveler for Warren Bros., dry goods firm in Hamilton and who travelled extensively in this part for his company, died suddenly at the Hamilton race track on Saturday. Mr. Williams had a \$1000 wager on a horse in one of the races and as the steeds flashed past, the intense excitement of the moment resulted in heart failure.

The Ladies Aid of the Durham Presbyterian church made a big shipment to the Red Cross headquarters in Toronto Tuesday. It included 24 sheets, 24 pillow cases, 20 towels, 28 hospital shirts, 10 day shirts, 6 pr hand knit socks, 30 handkerchiefs, 120 face cloths, 7 personal property bags, 9 mangled bandages, 30 sponges, 48 slings, 30 bandages, 1000 wipes, 7 feather pillows.

A GALLON OF GASOLINE.—A single gallon of gasoline will do wonders almost anywhere, but nowhere has it been applied to better purpose than on the farm. Here are some of its stunts: It will milk 300 cows, bale four tons of hay, mix thirty-five yards of cement, move a ton truck fourteen miles, plow three-fifths of an acre of land and make enough electricity to keep eight lights going in the farmhouse for thirty days. Good bye to boyhood memories of turning the grindstone. —Wall Street Journal.

FROM KHAKI TO KILTS.—Privates John Weir and Percy Bryan who are nearing the completion of their training at Shorecliffe, England, have, along with other men from this country, been absorbed in a Highland Regiment and are now wearing the Scottish national costume. They expect to leave England for "Somewhere in France" shortly as their Regiment acts as part of the reserve force for the 1st contingent. Cecil McNally, son of Mr. and Mrs. Jas McNally, Lambton St., who has been in training for some weeks at Niagara expects to be forwarded to England at an early date.

The grounds of Dr. Pickering, Insp. Campbell and Mr. S. F. Morlock were ablaze with light and beauty in decoration at the Red Cross garden party Tuesday night. Messrs Pickering and Morlock conceived the happy thought to utilize their combined lawns for this purpose and ably assisted the ladies in arranging for the lawn fete. Over sixty electric lights were strung over the grounds, while flags and bunting adorned verandahs, tables and booths. The large crowd present had the privilege of purchasing tags, flowers, refreshments, drawing from a fish pond, having tortones told, etc., for a small fee for each. A bag of flour, for which tickets were sold, became the prize of Mrs. R. E. Richardson, she holding the lucky ticket. A flour bin was unclaimed. Durham Band furnished pleasing music throughout the evening. The proceeds, which go to the local Red Cross Society, amounted to nearly \$100.

St. Peters Roman Catholic Ch. bids Father Ferguson Good-bye

On Wednesday evening of last week a number of the friends of the Rev. Father Ferguson met at the Central Hotel to present the Rev. gentleman with an expression of their sorrow at parting and of their good will in the shape of the following address and purse:

Rev. and Dear Father,—We the people of St. Peters Catholic congregation are now confronted with a most painful duty. It has become known to us recently that you are about to leave us, therefore we must bid you a fond and united good bye. Six years you have labored zealously in our midst, always endeavoring to promote higher ideals and purer morals in our lives.

We know that you have been greatly inconvenienced at times to attend to the spiritual needs of our congregation but you always responded cheerfully and promptly to our calls. While we repeat this last fond good bye we still cherish this one consoling thought, that the distance which divides us is not so great as to prevent us from meeting often in the future and we pray and trust that God may long spare you to teach his holy word. In conclusion we ask you to kindly accept this small purse as a token of our esteem and regard for you. Signed in behalf of the Congregation

Lower School Entrance to Normal

The results of this examination were announced on Friday last and ten from Durham school appear in the list, scarcely as high a record as last year. We congratulate the following successful candidates: Glenn Campbell, Evelyn H. Cootts, R. Murray Findlay, Herb. H. Hannam, Ross Maidment, Doris McAuley, Chrissie H. McGirr, Wm. J. McLeod, Lavina A. Mortley, Linda H. Teasdale. Misses McGirr and Mortley have one subject (art) yet to complete.

In Memoriam

MARY R. RAMAGE

It becomes our sad duty this week to chronicle the sudden death by accident of Miss Mary R. Ramage, eldest daughter of Mr. and Mrs. Wm Ramage of North Egremont, in the full flush of young womanhood.

Tuesday forenoon she went to remove a calendar from the wall, stepping on the front of a chair to do so. The chair tipped and she fell forward on its back causing internal injury. Dr. Sneath was summoned, he recommended securing Dr. Groves of Fergus, which was done and he reached the bedside mid afternoon, with Dr. Ferguson of Holstein. The operation revealed that rupture of the spleen had taken place and that she had died profusely internally. All was done by the three physicians that was possible, she seemed to rally during the evening but at 1 a. m. Wednesday morning she died.

Deceased was an estimable young woman of fine equable temper, the light and delight of her home and her removal in this sudden and tragic way falls with cruel force on the parents and brothers and sisters who leaned on her in no small degree and on relatives and friends far and near. As a dressmaker she was well and widely known and her musical tastes also gave her an extended acquaintance. All who knew her will long keep her memory green.

She was a member of Dromore Presbyterian church in the choir of which she has long been a steady and constant. For some months when in town a few years ago, she sang in Durham Presbyterian Choir. She was also winning success as a music teacher.

She has passed suddenly and unexpectedly from the activities of life to the realms of memory but she has left to those who knew her intimately a remembrance of character and disposition that will long form an inspiration.

Funeral takes place on Friday to Anos church cemetery, leaving the house after a brief service about 2 p. m. for service in the church.

Death of T. R. Wilson

Years ago in the township of Benitick, near Louise, the above gentleman in company with his brother, the late S. E. Wilson, ran a large saw-mill and was well-known citizen. Word has come of his sudden death at Lorraine, Ohio, in his 71st year. He had retired in his usual good health, but shortly after called his wife, saying he was feeling ill. She brought him a glass of water and he said he felt better. Returning five minutes later she found her husband dead, a sudden case of heart failure.

Mr. Wilson was a native of Scotland, coming here in youth. After leaving Benitick he went to the States and for some time was in Parkersburg, W. Va., leaving there to go to Lorraine, where he had a good position as Building Custodian for the North-eastern Ohio Real Estate Company. He was a member of the Workmen of the World and of the First Congregational Church.

The widow is a sister of Mrs. Buchan and Mrs. Murov, of Durham, and her sudden bereavement has called forth much sympathy. Six children survive: Mrs. Chas. Baines, James Mrs. Rex Kerchner, Lauder, all at points in the States and Misses Annie and Faith at the home in Lorraine.

A Legal Opinion

The following question and answer appeared Saturday in the legal column of the Mail and Empire: The limbs of my neighbor's tree hang over on my lawn with the result that no grass or flowers will grow under them. Can I legally prune the branches off to the line fence?

Ans. The owner of lands has a right to cut off limbs which project over his neighbors land. The projecting limbs are a "nuisance" and the cutting them off is justifiable upon that ground. They also constitute a "trespass." See Pollock on Torts page 400, Crowhurst v Amersham Burial Board (1878), 4 Ex. D. 5.

Card of Thanks

Mr and Mrs. Dan McAuliffe wish to extend their sincere thanks to relatives, neighbors and friends for their kindly expressions of sympathy and flowers, at the death of their son Michael W. Also to Miss McDonald, the nurse for her untiring efforts and devotion.

Glencol Council minutes received too late for this week.

Orangeville defeated Owen Sound 12 to 4 in an intermediate O. A. L. A. game in Orangeville yesterday, and Dundalk at home won from Hanover 5 to 1 last Friday. The corrected standing appears in next column.

That Owen Sound Game

Owen Sound's reputation for rough play at home was certainly enhanced by the Durham game last Wednesday. The following from the Times will give an idea of the game—and the referee. In one particular it is erroneous; it was an Owen Sound man who began the rough stuff. The Durham home throughout could not bore in on the O. S. defence without taking strong chances of being chopped down and the Durhams remembering half the season was yet to come, confined their scoring efforts mainly to long shots.

Owen Sound took another step nearer to the district championship on Wednesday afternoon when they beat Durham into camp by a score of 8 to 4, in one of the stiffest combats they have had this season. It was a gruelling battle all the way and one is obliged to give Durham credit for having a speedy and gamey team who were willing to give and take to the limit. Right there it must be said that the O. A. L. A. officials who were responsible for the appointment of a referee might easily have closed their eyes, gone to sleep and made a better selection without trying, for Hartley, the man who was appointed to the position was not up to snuff as the arbiter of plays.

He did not seem to have confidence in himself and did not keep the game in hand for a minute. He started off by missing the first rough work which was pulled and then when the two teams got warmed up to their work he found that he did not have them under control. After that they ran nearly wild and slashing, tripping, jabbing and all the other sort of rough house tactics which have done much in the past to injure lacrosse were indulged in to an extent which hardly made the game a five o'clock tea. In future it is plain to be seen that a better brand of referee will have to be sent to officiate if the contests are to be kept clean and the interest sustained among the spectators. It is but just to the local team to remark that Durham started the rough stuff which the referee let go and after that the locals were rather bent on getting even at times. A blind man could see the result.

Here's just the recipe Durham has been looking for, taken from an exchange.—When it comes to building up a town, you must either run it with vim, or just sell out and loaf. One thing must be done—run the town for all it is worth, get up steam and keep it up. Do you want trade? Bid for it. Do you want business to come to your town? Encourage what you have. Do you want a prosperous town? Then never permit jealousies to rule your actions, but work together for common prosperity and mutual benefit.
