MORE BOOZE. - Another Middaugh House seizure took place on Saturday last. Constable Arrowsmith in company with Mr Pettigrew entered a room off the kitchen and removed a harrel off a piece of linoleum, then removed the linoleum and found some loose boards which in turn were removed revealing four bottles of whiskey, a lot of empty straw coyers and two empty kegs, with sufficient liquid remaining in them to determine the contents. The constable took charge of the find and there will likely be a sequel.
