The Boy Scouts of Holstein are get st, made pursuant to said Act of all ting busy these days. They already persons appearing by the last revised have put up swings in the Parks for Assessment Roll of the said munici- public use and have improved the looks pality to be entitled to vote in the on one corner of the Mill Dam by pulmid municipality at elections for ling down the old Boat House and members of the Legislative Assembly and erecting a new one. They are also and at Municipal Elections and that boys make great use of the boat which said list was first posted up at my they have out on the Dam every night. exce at Holstein on the 20th day of Anyone wishing to hire the boat can

Electors are called upon to examine | the Scout Movement is that embodied the said list and if any omissions or in the Scout Law. "To help others and any other errors are found therein, We have succeeded in enlisting the to take immediate proceedings to sympathy of the scouts with this idea, have the said errors corrected accord- the following being two incidents brought to our notice recently which shows the lads are catching the true ago one of the scouts got beyond his depth in the mill dam and couldn't get back again. Another scout seeing his danger displayed presence of mind by pushing out an old raft which the

A similar incident occurred on Saturday of last week when George Brown and several others were in the dam swimming. George got beyond his depth and could not get in again and Secretary Nicol who was the only one left in the water with George heard shouts and on turning round saw him going under for the second time, and as he (Nicol) could not swim himself, he grabbed a plank which was near by and threw it out. George seized it when he rose and was pulled ashore by the secretary, none the worse for his experience saye for a few mouthfuls

Let this be a warning to the boys who cannot swim not to venture out too far in the water unless there are some around who can swim and readily render assistance.-Com.
