Sub-Station Site

The meeting called by the Mayor ur Fuiday night last to discuss the placing of the Hydro-Electric Sub-station was quite well attended and passed off as pleasantly as a picnic.

Mr H. J. Sartees, Assistant Engineer of the Hydro-Electric Power Commission was present and explained the proposition. He favored the old market site, where connections could be made from Elgin Street without crossing river or railway.

The original intention we believe Kerr was to have the sub-station at or near | Rife the Cement Works which will be by Elvidge far the largest consumer of the M. Saunders "juice," but as it became known, and as Mr Surtees claims that no advantage will accrue to the Works by proximity of the sub-station, and that no disadvantage will be felt by them because of a central location, opinion at once fastened on the central site. A motion by W. Irwin and Gilb. Mc-Kechnie that the council be instructed | both were penalized. to arrange with the Hydro people to have the sub-station erected on the old market ground, was put to the meeting by Mayor Hunter and carried
