

The Durham Review.

With which is incorporated the Holstein Leader

VOL. XXXVIII, NO. 36

DURHAM, THURSDAY, SEPTEMBER 9, 1915

Published Weekly at \$1.00 a year, C. RAMAGE & SON, Publishers

The REVIEW to New Subscribers to January 1916 for only Twenty-five cents.

OWN TOPICS

Mr. James Kerr, Hampden, became the possessor of a Ford car, Saturday.

Mr. Arch. McKinnon has sold his automobile to Mr. Hugh McDonald, mason.

There are 54 recruits in training at Owen Sound as part of Grey County's next quota of men.

Farmers will grow bigger Fall Wheat crops by using Harrow Fertilizer. For sale by C. Smith & Sons.

Twelve students are attending Hanover Model School this term. Two are from Durham and only one of the dozen is a boy.

Mt. Forest Fall Fair will be held next Wednesday and Thursday Sept. 15 and 16. Revised and enlarged prize list and all concert attractions.

Buy your tickets for London Fair at the Central Drug Store. Fair opens Friday, 10th September. Tickets are good to return until 20th September.

The Children's Aid Society of Co. Grey, located in Owen Sound, intend we believe to make "Flag Days" of all the local fairs, the funds secured thus to go to the aid of the Society, a very worthy institution.

POLL TAX.—We have been informed that about 80 parties in this town are liable to pay this unpopular but perfectly just municipal tax. About one quarter, so far, of those liable have paid Constable Arrowsmith and the others are no doubt, thinking about it!

Two weeks more and then South Grey Fall Show in Durham. Only \$1.00 to become a member. Get a prize list and see the liberal prizes offered. Somewhere in field, garden or home you excel. Stimulate others by showing what you can do.

A garden party under the auspices of the Women's Institute will be held on the lawn of Mr. Wm. Weir, 3rd con., Glenelg, on Friday evening, Sept. 10th. Proceeds in aid of the Motor Ambulance with the W. I. of Grey Co. are giving to soldiers. Splendid program, addresses and refreshments served. Autos will be used to convey those from town who wish to attend, for which 25c will be charged, this fee to include admission to grounds. Ticket may be bought at Beggs' or McIlraith's stores.

Markdale carried the Hydro By-laws last week, but showed a greater vote in opposition than is usual. The enabling by-laws stood 93 to 28, the money by-law, 91 to 29. Rather surprising since Markdale's proximity to Eugenia will give it a low rate. The Standard says: "There were a few people persisted to the end in the decision that the cost of the distribution system would have to be borne by the taxpayer, rather than the consumer's light and power."

The calibre of lacrosse played in this district was demonstrated on Monday when Orangeville, the winners, played off with Wingham in the semi-finals. Wingham was reputed to be the fastest team in the intermediate ranks but Orangeville held them to a 6-8 tie right in Wingham and will doubtless win the round in the return game Friday in Orangeville. The outlook is that the swift Orangeville crew, partially composed of Ferguson and other outside players, will appear in the finals, with bright prospects of winning the intermediate honors; if so, Durham's home brew team will have the reflected glory of being runners up to the champions.

Buy your school books at McFarlanes. A SUCCESSFUL PICNIC.—Over 200 children and a great number of adults were in attendance at the Presbyterian S. S. picnic at Saugan Park last Thursday afternoon and all enjoyed the day thoroughly. It was the last picnic of the season and many children from other Sunday Schools were also present. The picknickers were conveyed to the grounds by several autos and the quick mode of transportation added zest to the day for the kiddies. A lacrosse match between the boys from upper town against those who live below the hill resulted in a 5-5 tie. The only mishap in an interesting game was a nasty scalp wound to Harold Ramage by a lacrosse stick which required medical aid from Dr. Gun. Lunch at 5:30 was enjoyed by a hungry multitude of little folks and following this item a set of closely contested foot races closed the day's sport. The following won the races: Boys 12 and under—G. Buschlen, W. Vollett, A. Vessie. Girls 12 and under—May McGirr, I. Hinds, Mary McKechnie. Boys 8 and under—Mar. in Lander, John Brown, Leonard Vollett. Girls 8 and under—Grace Donnelly, Clara McGirr, N. McGirr. Boys 15 and under—R. Davis, C. McGirr, O. Vollett. Girls 15 and under—I. Hinds, E. Wakefield, O. Buschlen. Shoe race—C. Wakefield, T. Brown, W. Vollett.

FRUIT BULLETIN

Niagara District. Peach season now in full swing and best varieties, Peaches, Pears, and Plums are ready for preserving or dessert purposes. Housekeepers should not delay telling their grocers what fruits to order for them.

An interesting letter from the pen of Jim Farquharson at the front, is held over till next week.

Mr. Ed. Pratt drilled a well for D. McArthur, Dornoch, and struck a fine flowing well, making the fourth flowing well Mr. Pratt has found in that district.

A movement is on foot in town this week to have the municipality recognize in a tangible way the services of three Durham boys at or bound for the front, namely, Lieut. Dr. Cecil Wolfe, Gunner Andrew Smith, and Pte. George Lloyd.

A REAL JOY RIDE.—Last Saturday Inspector Campbell and Mr. Thos. Allan oiled up their cars, filled the tanks, looked at the weather and decided all was right and ripe for a day's outing. The family of the former filled one car and in the other were Messrs Allan and P. Paterson and their wives and Mrs. Jno. Towner. They struck north to Owen Sound, east to Meaford, south and west through the Beaver valley to Eugenia and then home. A trip of about 160 miles and never a mishap. A real joy-ride.

The management are making ample preparation for the entertainment of visitors to the Fall Fair in Durham on Sept. 24th. Besides the exhibits in the Hall and the Live Stock in its different classes, which ought to be the chief attractions of the Show, there will be an exhibition of ventriloquism before the Grand Stand by John A. Kelly, dancing by Miss Munro, music by a highland pipe and football match between the Doroore and Priceville clubs, both good and evenly matched. A good game is certain. A bicycle race is also on the program in three heats, once round the ring. With good weather a good show and a good time is assured. Everybody can enjoy themselves and meet their neighbors and friends who will all be there.

Cement Presentations

The employees of the Cement Co. met in Calder's Hall on Saturday evening and gave suitable remembrances to two of their comrades who have left the employ of the company. Geo. Lloyd who has joined the ranks of the 76th battalion, Niagara, and who was home over the week end, was presented with a military wrist watch valued at \$15 and a purse containing about \$9. Mr. (Geo) Harbottle read the address which accompanied the gift.

Mr. Ben Benton was the second recipient of the good will of the Cement men. He was presented with a handsome club bag. Mr. J. H. Robertson, reading the address. Ben has been popular among the boys at the big plant and has now entered upon a matriculation course at Albert College Belleville, with the intention of taking up mechanical engineering at a later date.

Town Council

Met in regular meeting on Monday night and minutes of many special meetings show that our town fathers with the efficient clerk, are having a busy time of it.

The following accounts were ordered paid:—
Clerk, salary and postage..... \$36.41
C. Ramage & Son..... 65.00
S. Grey Reg. Office..... 4.00
C. L. Grant, supplies to Baker family..... 1.25
Constable, salary, &c..... 51.25
N. McIntyre, 100 carbons for street lamps..... 3.50
\$102.01

Councillor Saunders raised the question as to whether the aid being given to the Baker family in very distressing circumstances, would make the town permanently liable. It appears that they moved here quite recently from an adjoining municipality in whose care they should rightfully be. However humane considerations prevent any thought of moving at present.

Mr. John Stewart, who, last spring, purchased Mr. Peter Reid's property in upper town, appealed to Council for relief from paying poll tax which had been asked of him. Since he had done nothing at the Court of Revision, the council were helpless, but advised him to appeal to the Judge's court later on to have his name entered on the list.

A grant of \$5 was made to the County Grey Children's Aid Society.

Calder—Lloyd—That Clerk be instructed to receive the material purchased from the General Electric Co., said material to be properly checked over, an advance of 10 per cent be added to material supplied to customers and spot cash charged for all supplies sold. Carried.

The Horticultural Society was granted free use of the Hall for Flower Show. Carried.

Grant—Wolfe—That matter of raising wires to top of poles on Lambton St be left in hands of committee appointed to supervise the erection of poles and wires. Carried.

The clerk was granted a holiday of one week and the constable four days.

Constable Captures 2 Cases of Whiskey

Another \$300 Fine

That there is a disreputable contraband trade in liquor being carried on in violation of the law is very evident from several occurrences here this summer. The latest instance of the kind has been brought to light by the vigilance of Constable Arrowsmith.

While engaged in some of his street duties he observed the express wagon go by, driven by Chas. Chislett, and two suspicious looking cases caught his eye. A trunk on the wagon he allowed to be delivered at a residence near the northern limits of the town and seeing the wagon returning with the cases, he stepped up and found they were stamped with the names Gooderham and Seagram and contained bottles of whiskey. He at once took possession and ordered the stuff into custody.

One case was addressed to Robert Campbell, one of the Hydro employees, then boarding at the Central. The other was addressed to Alex Crosbie, chauffeur for the Hunter family at the Hedges. Both gentlemen deny ownership and all connection with the stuff and are naturally indignant that their names have been used in any such connection. The constable hopes to make some discovery that will lead to the exposure of the shipper and true consignee.

The case against the Middaugh House arising from the discovery of saleable liquor under the floor of the kitchen about a month ago, to come to trial Saturday, but the day previous the proprietor, before Magistrate Laidlaw, acknowledged the violation, and fined \$300, which was paid and deposited to the credit of the town in the usual way.

This makes a sum of \$860.00 deposited by Mr. Laidlaw within a period of five or six weeks, and during the year over \$700 has been deposited as fines for illicit liquor trade or from parties being found drunk in town. This cannot continue and if it does, we may rely on the vigilance of the authorities in stamping out these fruits of the liquor traffic before many moons. With the co-operation of Community, Council, Courts and Constable, we may expect a clean town.

Exhibition Impressions.

Canada's great National Exhibition at Toronto is now almost a thing of the past for another year and it promises to exceed in attendance the million mark. We had the privilege of attending on Saturday last, Press day, which was a record breaker in numbers over 115,000 people being on the grounds.

The products of peace and war have this year intermingled to make the exhibition more interesting than ever before. On the war side the regiment of soldiers camping on the grounds, the exhibits of primitive firearms, and the captured trophies of the present international struggle with some of the most modern, river monitors, submarines, and cruisers make an exceptionally fine exhibit, and lovers of detail in assembly and construction may observe the graceful outlines of these models and the skillful workmanship reflected in their construction. The big Krupp gun, captured by the British on the battlefield in France, makes an imposing exhibit. Many other war trophies are also shown.

The transportation building is noted for its wonderful display and variety of automobiles and its dearth of carriages, showing the present day trend. The horticultural building is one bower of beauty. In the dairy building, we believe it was, we were impressed with the magnitude of the egg display—about 100,000 dozen, and by illuminated diagrams of hens, buildings, etc., showing the wrong and right methods of caring for and marketing eggs from producer to city consumer, in the several steps.

Space forbids further mention other than the grand stand performance, which was scarcely up to the mark of former years. The acrobatics and fireworks are not as elaborate as usual but the musical ride of 24 horsemen is still popular, and the march of the allies, each with their national flag, played to their march, was the striking feature. The 85th battalion in drill was a pleasing spectacle.

Toronto ladies have caught the war fever and a home guard has been organized with \$1 membership fee, and has now 900 members. We noticed three ladies in their khaki uniforms of skirt and jacket, parading the grounds. The movement will probably grow rapidly in the city. On Toronto's streets, it is said, the death of men is much more noticeable than a few months ago, about 25,000 having enlisted in the city.

September Horse Fair will be held in Durham on the 10th inst. 'Twill be a good one—have your horses ready.

Rev. Mr. Cousins, Toronto, will appear in the Presbyterian church next Monday night and will give an address illustrated by lime light views on the work of the Bible Society.

Schools re-opened on Tuesday with a large attendance and not yet complete. Principal Allan of the High School fears accommodation will be inadequate. Next week we will be able to give some definite figures.

Amongst the number who have visited Toronto Exhibition from town are Mr and Mrs A. H. Jackson, Miss A. Ramage, Miss M. Petty, Mrs James Hepburn, Messrs N. McIntyre, Arch. Robertson, Geo. Kress, W. B. Vollett, Geo. Arrowsmith, Jas. Atkinson.

Mr Neil McLean favored us with a sight of some North Dakota wheat and oats he had received from Mr Mal Cameron formerly of Bentinck, both good samples. Mr Cameron has 110 acres of Marquis wheat, going 30 bush to the acre and 10 acres Bluestem going 25 bush. 75 acres oats go 50 bush to the acre and some other crops at good. A rosy year out west, except where hail struck.

As a result of negotiations with the Markdale Council, Minnis Bros. will transfer to the town their electric distribution system, following an example set by owners of lighting plants in other municipalities. Mr. Minnis realized this to be in the interest of everyone concerned. On Monday last he fell into line and did his share towards having the by-laws carried by good majorities.—Markdale Standard

BREAD LOWERS IN PRICE.—Owing to a drop in price of about \$2 a barrel for flour, town bakers have reduced the price of their 3 pound or large loaf from 14 to 12 cents. The reduction has come none too soon to suit consumers, all who would welcome 2 cents more knocked off the price and be on the level of Toronto, Walkerton and other places where the dime and nickel loaves are in vogue.

All Ready for South Grey Fall Show

The Directors of South Grey Agricultural Society are making every effort to make the Fall Fair a big success. In these strenuous times when farmers are urged to do everything possible to increase the production of the farm for the benefit of themselves, the country and the Empire, it becomes the duty of everyone to make the Fair a decided success. The Board confidently expects that especially the farmers of the district will become members of the Society and exhibitors at the Fair. By doing so they will be doing good to the district in which they live, helping the Society in its work and reaping a benefit for themselves.

The Directors give their labor and time freely for the good of agriculture in the district, and though not weary in well doing, they hope that everybody will come out and assist them in carrying out the work. Besides the agricultural end of the Fair, they are providing a number of new features before the Grand Stand in the afternoon, which will be advertised in due time and a grand concert at night. The prize lists have been sent out and the Secretary will be in Durham on Wednesday and Saturday afternoons until the fair. Send in your entries.

BORN

CAMPBELL—In Glenelg, on 15th August, to Mr and Mrs George Campbell, a son.

MARRIED

RENTON—TROTTER—In Toronto, on Thursday, Sept. 2nd, Miss Annie Trotter of Toronto, to John Renton, eldest son of Mr and Mrs Wm. Renton of Dornoch.

PERSONAL MENTION

Miss Jean Gilchrist returned to her home in Toronto on Tuesday after spending the past two weeks with her friend Miss Flo Limin.

Mrs J. McAuliffe and Miss Lizzie McAuliffe are visiting in Arthur. Mr. H. Hutton left Tuesday afternoon for a position in Guelph.

Mr. Alex. Kearney of the Standard Bank, Kingston, is spending this week at his home here.

Miss N. Hepburn returned Tuesday after a month's visit with Hamilton friends.

Miss Nan Gun, L. T. C. M., after spending the holidays at her home here, left Tuesday to resume teaching at Toronto Conservatory of Music.

Miss Agnes Wakefield left on Monday to commence a course at Mt. Forest Business College.

Miss Marion Calder returned Wednesday after visiting her friend, Miss Annie Russell, Toronto.

Mrs. J. H. Coleridge, Toronto, with daughter was a guest for a couple of days at the REVIEW Office.

Mr. and Mrs. Andrew Black of Fulton, N. Y., returned home Tuesday, following a weeks visit at her sister's, Mrs T. B. Whelan.

Mr Chas Urquhart of Port Credit, is a guest at T. R. Whelan's.

Mrs. E. W. Limin returned home on Saturday after spending three weeks with her sister Mrs. J. A. Thomas at their summer home "Echoville," Lounsbury Park, near North Bay.

Mr. J. W. Crawford left for Unity, Sask., on Monday morning. He spent a couple days in Toronto en route.

A large number of members of Epworth League and Sunday School attended the sessions in Holstein, Tuesday and Wednesday of the Mt. Forest Dist. Epworth League Convention.

Miss Nettie Lennox holidayed the past week at her home in Warton.

Privates Ernest McGill, Alex. Bell and Geo. Lloyd came home on Friday night to visit with their home friends till Monday morning. The boys enjoy camp life and all their uniforms out like real soldiers.

Messrs W. Irwin and P. Ramage attended the annual meeting of the Canadian Press Association in Toronto last week.

Former friends in Durham will be interested to learn of the marriage of Mr Henry Cameron of Toronto, son of the late Mr. and Mrs. John Cameron, of Durham, to Miss Marguerite Forest of that city.

Mrs Max Hedde and child, Hamilton, are the guests of Miss A. L. McKenzie.

Mrs. W. Dunn and Miss Dunn returned last week from an extended visit with Oshawa, Peterboro and Columbus relatives and friends.

Mr Wilbert Knusley of the Standard Bank Staff, Little Britain is holidaying at home.

Horace Elyidge, formerly of McKechnie's, is now engaged at the Grand Trunk Station.

Mrs Richardson, Swinton Park, who has been visiting her daughter in Goderich, visited Mrs E. Buroett and Upper Town friends Thursday last on her way home.

Mr Harry Hunter, Minneapolis, is visiting his mother, Mrs J. H. Hunter at the Hedges.

Mr. Wm. Laidlaw Jr underwent an operation for appendicitis in Wellesley Hospital, Toronto, on Tuesday.

Miss Pulford of Leamington commenced duties as assistant primary teacher on Tuesday.

Misses W. Park and B. Telford leave on Thursday for a holiday at Dr. Park's cottage at Burlington Beach.

Mr and Mrs Chas Anderson, a bridal couple from St Catharines, visited over the week end at the bride's uncle, Messrs Geo and Edward Kress.

Rev Mr. Whaley and Mrs. Whaley returned Friday from their holiday. A large congregation turned out to welcome them Sunday.

Now is the Time For you to see about Your New Fall Suit

We have just opened out our New Dress Goods—

Velveteens, Corduroys and Serges

Serges are taking the lead this fall. In these we have a fine assortment in Blacks and colours. We secured them early in order to avoid the advanced prices.

The prize medal Velveteens and Corduroys are our Special Twill Back and fast pile.

Call and see them while you have the opportunity.
