Company from Grey County

Lieut, Col. W. N. Chisholm has re-250 men and five officers from the 31st a year at Dental College. Regiment for overseas service.

This company which is the largest quota that the 31st Regiment has yet been permitted to raise will reinforce onto Normal School. one of the batallions already organized and will replace a draft of similar proportions which has already gone overseas from that batallion.

not yet been specified.

Steps are now being taken to commerce a recruiting campaign to enroll men who are willing to enlist in a Grey County company to be commanded by officers from the 31st Regt and also when they will be available. It is expected that a lot of men who have not quite made up their minds to volunteer for active service, not knowing whom they would have as

comrades would be willing to go with a company of men whom they knew. While recruiting has been rather slow lately owing to harvest, it is anticipated that plenty of men will be a year on the homestead near Varney. available from now on and that little We regret to have them leave us. difficulty will be experienced in securing the required number.
