TOWN TOPICS

Thanksgiving Day will be observed on Monday, October 11th.

Farmers will grow bigger Fall Wheat crops by using Harob Fertilizer. For sale by C. Smith & Sons.

Some of our items this week will have a belated appearance, owing to our annual "week off" last week.

Rev. Mr. Whaley at Sunday Children's Day service, made striking use of some clever drawings by Willie Milne, whose ability in that line for a boy is most marked.

Severe electrical storms and deluges of rain have been frequent of late. Last Sunday about an inch of rain fell, causing a rise in the Sauguen like a spring freshet. East from town on Saturday last some fields of stocks were still to be seen.

The town treasury was enriched once more last week to the amount of \$25.00, the proceeds of a fine for violation of the Local Option by-law. Magistrate Laidlaw had charge of the case which was brought before him by Constable Arrowsmith and not contested.

RETURN LIBRARY BOOKS.—It is urgently requested that all books borrowed from Durham Public Library be returned at once. Miss Sprennan, the official cataloguer of the Department is in town and is overhauling the Library and putting it on a new and more modern basis.

PLENTY OF TEACHERS.—The Normal Schools in Ontario are crowded this season as never before. All of these institutions for the training of teachers have well over the 200 mark in attendance, Toronto and Stratford having in the neighborhood of 250. It looks like an abundance of teachers for some years to come.

SCHOOL FAIRS.—Eremond School Fair will be held at Holstein on Oct. 8. The Proton Fair was postponed from Sept. 23d to Oct. 15, owing to the backward harvesting conditions in that township. We understand that all Public School children living in the township are allowed to compete at these fairs. Recently held a successful school fair in Ayrton on Sept. 18.

DEVELOPING LIBERAL THINGS.—Bruce County Council has promised to give \$1000 per month for patriotic purposes. Huron County has done better with \$3000 per month. Shelburne set out to raise \$4000 but as organizers made it over \$5000. Ayrton had 595 contributors give \$5654. John Joynt, Lorneburg, will give \$1000 per year, while the war lasts.

A SMALLER LOAF.—Almost coincident with the dropping of the price of bread from 12 to 6 cents to 10 and 5 cents, comes the news that the size of the loaves has also been reduced. Instead of the old 3 pound loaf, we now have the 2 1/2 pound article and the smaller loaf just half of that weight. Bakers claim that in selling the "staff of life" at former prices, all profit was done away with.

Since our last issue almost a tragic and fatal accident occurred in Mr. Shortt, teacher at Vickers. On a Thursday morning while sitting in Wm. Livingston's house, a bolt of lightning struck her, setting her dress on fire and killing a dog under the seat she sat on. She was severely burned but will recover. She has gone to her home in Arthur to recuperate, her place being taken by Mr Harold Main of Holstein.

The annual Harvest Home services were celebrated in Trinity Church on Sunday. The weather was very unfavorable which resulted in small congregations at both services. However the character and order of the gatherings were very high and it is to be regretted that so many could not have attended. Rev. Mr. Henderson, of Hanover, exchanged pulpits with Rector Morris and conducted the services in an able manner. For his morning text he based his discourse on Genesis 31: 1, and impressed his auditors strongly with the fact that forgetfulness and neglect of spiritual worship was often an outcome of a bountiful harvest, the reapers of which often took the credit to themselves instead of giving the glory to God.

YOUNG WOMEN ASSIST RECRUITING LEAGUE.—There is much clerical work and letter writing to be done in the newly formed Grey County Recruiting League. This was made known to the young lady stenographers of Owen Sound and they volunteered to do their bit in helping the recruiting of 250 men for Overseas Service by volunteering their services. A grant every evening (typewritten) the letters which are being sent out on the business of the League. The work is arranged in relays and up to the present twenty five girls have participated. Not only the officers of the League but citizens in general are grateful to the young ladies for the practical interest they are showing in this very important work.

BORN

STEWART—In Bentick, on Sept. 18, to Mr and Mrs Donald Stewart, a daughter—Vera Alberta.

MARRIED

Lennox—Harvey—On Tuesday Sept. 21, in St. Stephen's Church, Toronto, Mr Wm. J. Lennox, electrical engineer, London, Ont., to Miss Emma G. Harvey, eldest daughter of Mr and Mrs N. Harvey, Durham.

FRUIT BULLETIN

Canning and preserving Fruits are almost done—says the Government Notice to Housewife. A few good Niagara Green Peaches still left. Do as the Government says—Put down an extra supply this year—Plums and Grapes for jam and jelly.

A business meeting of the Women's Council of the Girl Guides will be held in the Armoury on Saturday at 3.30 p. m.

PIONEERS GONE.—As we are closing up, word has reached us of the death of Henry Young, Chicago, an old well-known resident of Durham. Also Mrs James Marshall, Sr., of Normandy. A fuller notice will appear next week.

The executive of South Grey Sunday School Association met in Durham last Saturday. Rev. W. W. Prudham, former pastor here, was present from Warton and Mr John Taylor from Hanover. It was decided to hold the County Convention in Holstein in November.

The Durham Branch Women's Institute will hold their next meeting at the home of Mrs Thos. McGirr on Thursday, Oct. 7, at 2.30 p. m. Papers will be given by Mrs N. McCannell and Mrs T. McComb and Roll Call is to be answered by our Favorite Pickle recipe.

WILL LIVE IN DURHAM.—Mr Thos. McGirr, who recently sold his farm to Wm. Lawrence, Jr., has purchased from Mrs Wm. Caldwell, the residence west of Wm. Young's home on Lumbton Street east, and at present occupied by Wm. Whitmore. Mr and Mrs McGirr and family will move in November and we hope they may long enjoy our citizenship.

EUGENIA TUNNEL BLOCKED.—Visitors to Eugenia Falls will no longer be able to explore the long unused tunnel close to the Falls. The end of the tunnel next to the cataract, has by all appearances caved in and the eastern entrance is completely blocked. Another story is that the authorities have used dynamite to close the tunnel up as they feared a mishap was due.

FOR POLITICAL PURITY.—That the names of contributors to political campaigns should be published, and that a prosecutor, independent of the Government, but answerable to Parliament, be appointed, are two demands made by the Board of Social Service and Evangelism of the Methodist Church in a resolution on franchise and political purity, which they passed in part at Toronto on Thursday. The resolution deplores the practice of party patronage and claims that it is degrading the country's political system "to a tyrannical autocracy."

Anniversary Services will be held in the Durham B-rist church on Sunday and Monday, Oct. 3rd and 4th. The Rev. H. S. Mallowney, M. A., B. Th., of Owen Sound, will preach at both services on Sunday. On Monday evening a sumptuous tea will be set by the young people of the church. The tea will be followed by a lecture entitled "Fighting machines and how to handle them." by the Rev. J. H. Fairfull, of Clinton. Mr Fairfull spent 18 years in the armament works at Elswick, England, and knows all about howitzers, naval, field, machine guns, torpedos, etc. He will give much useful and interesting information about the construction of these guns and how they are used on the battle-field. Songs, duets, etc., will also be given throughout the evening.

Patriotic Meeting

Wednesday of last week a meeting was called by the Mayor to be addressed by a deputation from a recently formed County Recruiting League in Owen Sound. In the absence of the Mayor, Warden Calder took the chair and gave an appropriate introductory setting to the meeting, which was addressed by Mr. Mowles, Lieut. Douglas, ex-Warden Breeze of Chatsworth. Several local men also spoke.

The sentiment was unanimous that the war situation showed such gravity that a wakening up was necessary and that to avoid conscription a much more generous offering of recruits must be forthcoming. A motion prevailed that a local recruiting committee be formed at once and Hon. Dr. Jamieson, M. P. P., was chosen President, S. Hughes, Vice President, J. P. Telford, Secy. In addition the following parties were appointed on the Executive, John Kelly, A. C. Wolfe, Wm. Laidlaw, Thos. McGirr, Jas. McNally, Wm. Weir, Jas. Lloyd, — Bryon, all of whom have sons with the colors.

Other members are A. H. Jackson, W. Calder, C. Ramage, Wm. Irwin, Thos. Allan, F. Lenahan, G. Binnie, N. W. Campbell, Dr. Sun, Dr. Hulton, Mayor Hunter, with power to add.

On the afternoon of Show day, by courtesy of the Directors, a delegation from Owen Sound representing Grey County Recruiting League, spoke to the masses from an automobile driven up at the foot of the hill. President Calder acted as Chairman and the speakers were Mayor McQuaker, ex-Mayor Lemon, Col. Chisholm, R. J. Ball, M. P.

The O. Sound men related the steps that had led to the formation of the County League and the success it had met with. The county had been asked to furnish 250 men in addition to the 500 or 600 already gone, and they were confident that the response they were meeting with would enable them to fill the bill. Mayor McQuaker said that he was not a professional alarmist but there was need for alarm if the enemy was to be effectively met.

The speakers put up telling arguments and it is to be hoped that in the hearts of many young men, not yet by family or business considerations, there was an answering response.

South Grey Show Successful

Few if any past shows of this Society have been more successful than that of 1915. None ever had better weather, and the people in town and country turned out loyally. Pres. Calder, Secy. Binnie and the Directors smile. The gate receipts were \$187.00, largest, we believe in its history. The judging gave general satisfaction, the exhibits in most classes were up to the average, so that the fair ended with a flavor that bodes well for 1916.

The decision to cut out horse racing was a venture which has been justified by the results. Part of the program was not carried out, owing to time given to a patriotic delegation from Owen Sound, representing the Co. Grey Recruiting League. The delegation brought with them a pipe's band and their music was much appreciated; the dancing by Miss Munro was a popular feature and Kelly's exhibition of ventriloquism with his little mannikins was a treat to the youngsters. Durham band at intervals enlivened the afternoon.

The football game between Dromore and Pricerville was not commenced till 5.20 and resulted in a victory for Dromore by 2-0. Several of Pricerville's best men it is said, went West, otherwise the match might have been closer. The teams:

Dromore	Pricerville
J. Kenwick goal	Arch. Burnett
J. McKezlie l. back	R. Irwin
G. Geddes r. back	W. Knox
A. R. Norton c. l. back	G. McTaggart
C. Watson r. b. back	W. Grundy
C. Harrison l. b. back	T. McCrae
R. Eccles c. forward	F. McCrae
E. Henry r. right	A. Anderson
W. Findlay o. right	W. Campbell
A. Nicholson l. left	N. McDonald
J. Nicholson o. left	R. McLean

Robt. Watt, Durham, umpire.

The sheep classes were well represented; in horses also there was keen competition and prizes well distributed. Cattle and hogs were thin in quantity below the average. The Poultry exhibit showed its old time excellence, and the only regrettable feature is that a more general participation in this department is not taken advantage of.

In the Hall the eye is first attracted by the splendid exhibit of flowers, among which are many rare specimens. Field roots and vegetables are up to the average and fruit in an off year, must be considered excellent. There has been keener competition in grain and potatoes, but the quality in general is good.

Upstairs, the handiwork of the Ladies class as usual prime attention but we cannot particularize. Bread and pastry, pickles and preserves, and the display of tempting excellence and the exhibits were not without some studies of more than average excellence. The manner of displaying however is faulty and Directors should provide a hanging wall facing the light.

The educational exhibits of writing and map-drawing were numerous and aroused interest in both old and young.

Credit should be given to Messrs J. H. Harding for a fine display of stoves, furnaces, etc. C. P. Kinnee for an elaborate Harness display and to H. J. Snell for his display of musical instruments.

On the grounds there was a novel attraction presented by G. Smith and Sons, an attachment to a Ford Car which the engine power can be used to saw wood and other purposes.

The concert brought in \$120.00 and the performers of the afternoon, together with Miss Tooley left a favorable impression. Miss Tooley accompanied. With a larger Hall perhaps half as many more would have contributed.

The Red Cross workers made \$200 at their booth in the \$1000.00 realized from the sale of roses, a considerable sum from the sale of little flags, and the Boy Scouts made \$120 at their booth on the grounds, which goes to show that money is not so scarce after all.

We thank the Secretary for favors in securing the Prize List which we hope will be found correct.

Obituary.

MRS T. A. WHITE

It is our sad duty to record the death of Mrs. Mary J. McArthur White, only daughter of Mr. John McArthur of the Glen, Gleneg, where she was born over 45 years ago. The deceased lady has been residing in Toronto for the past 25 years and husband and two daughters there will sincerely mourn a loving wife and mother while the blow will fall heavy also on father and brothers. She was an active worker in St. John's Presbyterian church, Toronto, until failing health some months ago prohibited it. She was buried on Tuesday in Mt. Pleasant cemetery, her pastor Rev. J. McP. Scott, conducting services, assisted by Rev. Dr. Wilson and Rev. J. A. Stewart, of Beech Presbyterian Church who is related. Her three brothers are Arch. D. and Angus, in Gleneg, Alex. D. in Michigan.

Methodist Anniversary

Interesting and uplifting addresses were given on Sunday by Rev. Mr. Moyer himself and on Monday evening a social time was spent in the basement, where an admirable spread was made and thoroughly enjoyed. When this was over, adjournment was made upstairs and an excellent program carried out.

The choir distinguished itself and the quartette, Messrs W. Glass, Rev. Moyer, H. McCrae and Bert Saunders were splendid. Songs by Misses F. Barclay and Miss Whittaker were popular numbers, the latter being enjoyed. Miss Tooley's recitation and Miss Irwin's instrumental were also worthy contributions.

Rev. Mr. Moyer asked the audience to open with "The Maple Leaf for Ever," led in prayer and gave a welcome address before calling on Mr. Irwin, who made an efficient chairman. Rev. Mr. Whyte conveyed Baptist Church greetings. He paid eloquent testimony to the vital influence of the Methodist church and closed a pregnant address by urging the cultivation of optimism "be a hopeful people, pessimistic people never did much in or for the world." Mr. C. Ramage, in absence of Rev. Mr. Whaley through illness, conveyed greetings from the Pres. Church and Rev. Mr. Morris did the same on behalf of the Anglicans.

Mr. Morris did more, he made the speech of the evening and no more ringing utterance has been made for many a day. His topic being "The perfect man," he showed that physical and intellectual life alone did not make perfection; that had been shown in the war and the Allies as well as in Germany needed to work up to the fact that there was such a thing as a national lack of spirituality before perfection could be reached. England had abolished slavery herself, but slavery was still in slavery herself, in the liquor traffic, as well as in opposition to the drink traffic, as Russia and France had done. She remains a slave, but before we can hope to win finally, these evils have to be remedied. He closed an eloquent, fiery address with this injunction, "Do not cease if you know of evil in home, church or elsewhere, till you have eradicated it."

Registrar Richardson was called upon and made some pertinent remarks on the beauty of harmony in the churches. The National Anthem was sung before dispersing.

The following original and amusing "skit" by Rev. Mr. Moyer, met with hearty applause:

There was a hapless Emperor,
Whose name was Kaiser Bill;
He had a standing army,
And a great powder mill.
He thought he'd go a-shooting
Down to Paris city Hill,
But a hero had named, Albert
Said "You can't go through my ville,
There's lots of room at home for you
To look the game of 'em."
So you'd better go so far away
From the name of 'em."
But, foolishly, he rushed along,
This hapless Kaiser Bill,
Until he had taken a pill
To give the man his fill.
He's wishing now he hadn't gone,
The doctor had to come around
To give him a pill.
He finds it hard to swallow,
So he's chewing it until
He has it down his gullet.
And, perchance, to make his will!

The church was prettily decorated with fruit, flowers and vegetables, befitting a harvest home function.

Interesting Children's Day Services were held in most of the churches on Sunday.

Mr James Leask, of Saskatoon, who has been for some weeks among old scenes and old friends round Dromore and neighborhood, spent three days with his old neighbors at the Review office. Mr Leask in spite of his 61 years is still hale and vigorous, and it is a privilege and pleasure to be entertained by one of the pioneers. He returns next week to Saskatoon, where he has his home with his daughter, Mrs Joseph Snell.

A large wedding took place Wednesday last at the home of Mrs. Robt. Bell, S. Line, Gleneg, when her eldest daughter Susie was united in wedlock, bonds to the man of her choice, Mr Will Wilson, son of Mr and Mrs. Harry Wilsons, Edge Hill.

The ceremony hour was 8.30 o'clock, taking place under an arch of evergreens and flowers, and the nuptial knot was securely tied by Rev. S. M. Whaley. She was brought in by her uncle Mr. Allan Bell of town, and was beautifully gowned in white duchess satin with shadow lace and pearl trimmings, carrying a large bouquet of white asters. Miss Nina McEdden efficiently presided at the organ previous to the ceremony.

The gifts were all of a handsome as well as useful nature, including two cheques and still adorn their new home on the 2nd con, Gleneg, formerly occupied by Mr. J. H. McFayden.

The groom's bridal gift to the bride was a handsome gold brooch set with pearls and to the organist a gold brooch with brilliants. The bride's going away suit was of fine navy blue serge black velvet hat and large plumes.

The Review joins with others in extending good wishes for a long and happy life together.
