That New Fall Hat

Have you purchased yours yet? If not, we have one here to please you, or can make one to your order.

Our Millinery Openings were highly successful, and the many ladies who have already visited our Showrooms were delighted with the display.

Simply charming are the new hats. They are not in the least elaborate; most styles are quite simple in shape and trimming—simple, but not plain. Sailor shapes are popular as are also the oblong turbans. Prices are very moderate. Call early, look over our display, and make your choice while the choosing is good.

Dundalk Fair

Dundalk Show on Friday last was well patronized, though the day was far from ideal. We were privileged to be present and had a look inside and out. The display of farm products was good and added to by a government exhibit of grain and other products from the west. Much useful information was conveyed graphically as to rotation of crops, the handling of manure &c., &c., by charts, models, and other ways which we never saw before, but which are eminently practical of an Agricultural exhibition. The Ladies' work, edible and otherwise, was fully up to standard.

The horse exhibits must have been above the average in quality, for many admiring remarks were made by practical horsemen. It would be hard to beat the cattle display when buttressed by such breeders as M. Pherson and Sons. A brisk shower and snow blast in the afternoon made going unpleasant, but a paying crowd must have past the gates.

Scotchtown Beef-ring Meeting

At the home of Mr D. J. McArthur on the evening of the 27th of September, was held the annual meeting of the Scotchtown Beef Ring, when business for the past year was settled and the organization made for the season of 1916. During the season just closed there were 6,405 pounds of beef cut up and distributed amongst the members. This is from 16 animals which averaged 400 pounds each. The highest beef dressed 323 pounds and the lowest 306

What will you do for these?

MAGNIFICENT soldiers and sailors from every part of the British Empire are laying down their lives for you and yours. Perhaps some of your own blood are amongst them.

An urgent appeal has gone forth from the Marquis of Lansdowne, President of the British Red Cross, for funds to provide medicines, appliances, comforts, and hospital equipment of all kinds to alleviate the sufferings from wounds and sickness of sailors and soldiers from all parts of the Empire. This appeal is endorsed by their Majesties, the King and Queen, and every British possession is setting aside, by official proclamation

"Our Day" For Sailors Oct. 21 and Soldiers Oct. 21

as a day of public giving to aid in this splendid cause, which stands in severe need of assistance owing to the tremendous demands upon Red Cross work.

Ontario's Quota is set at \$500,000

We can and will raise this amount as a token that Ontario feels for our wounded heroes and will not see them languish in their pain and suffering for the want of medical and other comforts. Do your part and make "Our Day for Sailors and Soldiers" a tremendous success in your locality.

"We shall be truly grateful to you for assistance in relieving the sufferings of our wounded soldiers and sailors from all parts of the Dominion."

Lansdowne, President British Red Cross Society.

"This is the first appeal of the Motherland to Canadians in this present war. It calls upon our humanity as well as our loyalty."

John S. Hendrie, Lieut.-Governor of Ontario.

Give to the Red Cross

Every cent collected goes to British Red Cross headquarters, where it is officially and wisely spent. No money is wasted in expenses, even this advertising space is donated by the publishers.

Give a day's pay. Do your part. Give liberally and loyally. Give your money, because these brave ones—our sailors and soldiers, are giving their lives for us. Collectors on October 21 will solicit your subscription—or make it through your Mayor or Reeve.

Contributions may be sent to the Mayor of Durham, or to the Reeves of surrounding Municipalities.
