

There is a REASON

PIANO VOTES are very important but it is just as important that you should know that away last spring, we gathered up every Dollar we could get our hands on and loaded up with goods that we were advised would be dear. We took one awful chance, but fortunately made no mistake, and the result is we can sell you

Table with 3 columns: Wool Underwear, YARN, Cashmere Hose. Text describes prices and quality of goods.

And That's Not All

We have many other lines of Dry Goods on sale today, that would cost us from thirty to fifty per cent more if we had not bought them before the advance.

ABRAHAM FAIR AND SQUARE

Is that not a Good Reason

Why you should come here for Underwear, Hosiery, Yarns, Blankets, Flannellettes, Sheetings and many other lines which you cannot get elsewhere at the price. We started out to make this Store the most popular in this part of the country and we're doing it. There is only one more month left in the Twelve, and believe us, when we tell you that last Saturday's business was the largest in the year. THERE'S A REASON. It's simply a matter of Dollars and Sense.

Don't forget your Piano votes please, with every purchase. One vote for every cent and produce counts the same as Cash. You have a friend in the race; she wants your help Right Now. The standing of Contestants will be made up on Nov. 15th, when all blue votes must be in. Don't hold them.

Buy Farm Property Now

It is bound to increase in value. Men in a position to judge say that no farmer living to-day will ever again see cheap beef. This certainly means an early increase in the selling price of farm lands. I have for sale:

Ford Denies "Tin Can"

J. A. McDonald, editor of the Toronto Globe, had a further interview with Henry Ford, auto magnate at Coronado Beach, California, the story of which is told in an article "An Hour with Henry Ford" published in the Globe. Mr McDonald refers to the fact that about six months ago he accepted as a gift from Mr. Ford, a Ford car, and the present interview, he said, was sought not as a reporter but as an editor with an opinion to express.

To Creamery and Cheese Factory Patrons

We want your cream during the Winter months. We do not employ anyone at a big salary to canvass for us. This can only be done at the expense of the farmer. Our expenses are low and we will meet any honest competition.

Ford Touring Car Price \$530

Most men can afford the first cost of a car. Few can afford the after expense of most cars. Like its first cost, the after cost of a Ford is lower than that of any other real motor car. The Ford has made walking an extravagance.

The Runabout is now \$480; the town car \$780; f. o. b. Ford, Ontario. All cars completely equipped including electric headlights. Equipment does not include speedometer. Get particulars from C. Smith & Sons, Durham, Ont.
