Horses Need

some tonic, when barned up in winter, to supply the deficiency of exercise and green food.

#### INTERNATIONAL STOCK FOOD TUNIC MADE IN CANADA

is a mixture of roots, herbs, barks and seeds. It tones up the system of a horse and gives him new life and a glossy coat of hair. Makes them strong and healthy. It is the best thing you can give a horse for indigestion, liver trouble, coughs, influenza, hide bound or blood trouble, and it brings a horse through the winter in top-notch condition for spring work,

International Stock Food Tonic is equally good for horses, cattle, hogs, sheep, etc. It is guaranteed to make cows give from one to three more quarts of milk every day, and it will make hoge grow amazingly. It is a commonsense everyday tonic, blood purifier and general system strength-ener and a great aid to better digestion and assimilation. It is not to take the place of grain but is to be mixed with grain for better health and larger profit. It improves digestion and assimilation on all animals and the using cost is only "THREE FEEDS for ONE CENT". For sale by dealers everywhere in 50c. and \$1.00 packages and 25 pound pails.

FREE-Write for our new book "International Veterinary Digest" giving cause, symptoms and remedies for diseases of stock and poultry. We will send you one—absolutely free of cost, postage paid—if you write and request it and mention the number of head of stock you own.
