PRICEVILLE VILLAGE

The monthly meeting of the Women's Institute was held at the home of Mrs. H. Patterson, N. L., and notwithstanding the inclemency of the weather, a goodly number of ladies were present. A sleighload drove over from our own burg. Mrs. McKinnon, our delegate to the W. I. Convention at Toronto, gave a very interesting report. Of course the convention extending over a period of three days with two meetings each day and so many splendid speakers, it is almost impossible for the delegates to give anything like a full report in the time at our disposal. Our delegate was very enthusiastic over the splendid way in which the women from all parts of the country were entertained, first at the Technical College and later at the magnificent home of Lady Pellatt (Casa Loma) showing that the Women's Institute is recognized as a working power in the land. Mrs. Matheson gave a very good paper, dealing with the same subject. After lunch was served, Christmas greetings were exchanged, as this is the last meeting in 1915. The meeting was closed by singing the Women's National Anthem. "God save our splendid men. Send them safe home again, &c."

O'Connor is not coming back after Xmas. Miss Jean Livingstone, from Priceville, visited Mrs. Tena McDonald over the week end. Misses R. O'Connor and Tena McDonald and Mr. Alex McVicar spent a very pleasant evening recently at the home of Mr. and Mrs. J. J. Black's Scotchtown. Misses Tena McCormick and Flossie McVicar spent a very pleasant afternoon in Priceville Wednesday. Mr. Willard Campbell, of Owen Sound Military Training, spent Sunday at his home here. Some one wears a smile to see Willard once in a while.

The Late Mr. C. C. James

The following write-up of the ministerial references to the late Mr. James, supplied to us, was crowded out last week, but are of interest yet. Rev. Mr. Ottowell, of Alma, was the chief spokesman at the funeral service and his text was: "Thou shalt be missed because thy place will be empty." He said in part, our departed brother who was held in the very highest esteem, requested me to preach his funeral sermon. After an acquaintance of 29 years I am convinced that the departed led a consistent Christian life, though at times some might not agree with his views. It was chiefly through his influence and that of the late Mr. Stone, that the Methodist circuit here became independent, it having previously been a Mission.

HOPEVILLE

Good sleighing is ours at last. Mr. Wm. Dingwall is drawing brick from Proton for his new home. Miss Mary Shand is a visitor under the parental roof. Election talk is very quiet so far. Only two weeks until nomination. Mr. John Russell returned from Toronto University last Saturday. Some of our farmers delivered hogs in Holstein last Thursday to their agents.

You have a duty to fulfil! See empty places and use influence to benefit others. To-day, he whom we mourn, takes his place among the great crowd of witnesses; let our hearts rejoice that the battle is fought and the victory won.

Rev. Mr. Humphrey, Cooksville, said he came, not to preach a sermon, but to stand with the family in their sorrow and pay a tribute to his friend, who had gone. The friendship with deceased and his family had continued through the years. Mr. James was a man of character, of strong personality, and overcame many disadvantages of early life. The trials he faced were not few, but they were met with faith and a hardy spirit. He is now beyond the criticism of the world, but his memory will always be a precious treasure to family and friends.

CHRISTMAS APPEAL

Dear Mr. Editor:—Thanks for your kindness in allowing me the privilege of appealing at this Christmas time on behalf of the Hospital for Sick Children, Toronto. In the 40 years of the Hospital's existence there have been treated within its walls 26,108 children as in-patients; 231,768 as out-patients; a grand total of 257,876 in and out-patients. The Hospital for Sick Children gives a province-wide service, for little patients from every section of Ontario have sought its aid. Last year 499 patients were admitted from 132 places outside the city of Toronto. In 1914 there were 394 from 210 places. Of the 2,838 in-patients last year 1,771 were medical cases and 1,067 surgical. In the orthopedic department of the 2,838 in-patients, 254 were treated for deformities, 21 Pott's disease of the spine, 10 lateral curvature of the spine, 10 bow-legs, 57 club-foot, 17 Hip disease, 42 tuberculosis disease of knee, hip, ankle, wrist and elbow; 76 infantile paralysis, 8 wry neck, and 21 miscellaneous. Our work is never-ending—is one that will continue while the world lasts, for it is the fight between the armies of life and death, to save the child life, the lives of mothers and daughters, not only of our soldier men, but of the fathers and mothers still in this home-land province. The Hospital is beating back disease and death, the enemies that assail the lives of little children as the British Empire is beating back Germany, Austria and Turkey, the enemies that assail the life of liberty. So we appeal to the generous people of Ontario not to forget those so near and dear to us, who lie in the beds and cots of this great charity. Will the people at large, as of old, respond to our call? Will they remember that every year is a war year for the Hospital, every day a day of battles and that the Hospital needs money, not for its own sake, but for the children's sake? The Hospital has waged its war for forty years. The people of Toronto and Ontario have been its friend, and this year of all years it requires help. Will you give to a charity that not only of our soldier men, but of the fathers and mothers still in this home-land province. Remember that Christmas calls you to open the purse of your kindness to the Hospital that the Hospital may open the heart of its help to the children. Will you send a dollar, or more if you can, to Douglas Davidson, Secretary-Treasurer, or to J. ROSS ROBERTSON, Chairman of the Board of Trustees, Toronto.

Good for bread, good for pastry, good for you. PURITY FLOUR "More Bread and Better Bread"

I Am "Granny" Chamberlain. Everybody's friend when they have coughs and colds and their children have croup and whooping cough. Most everyone knows me. I have been going from home to home for nearly fifty years—always welcome, too, for I never fail in their hour of need. I have helped young mothers whose babies were choking with croup, and been the comfort of parents whose children tramp to school through the wet winter weather. Many a cold and attack of bronchitis I have ward off, and thousands I have helped through the anxious moments of whooping cough. I have come to the aid of mothers and fathers when they had colds and influenza, and have been a relief to old folks suffering from bronchitis and asthma. I have had a most varied experience; I go everywhere—among the rich and the poor, in cities and the country. Now don't forget "Granny" Chamberlain! You will see me often now, for I am going to tell you of my experience and what can be done in your home with Chamberlain's Cough Remedy. Yours for Health.—Granny Chamberlain
