The Condition of Too Many Women and Too Many Girls.

Too many women and too many girls look old long before they should. BRITISH SOLDIERS WILL SPREAD Their faces become pale and drawn: wrinkles appear and their eyes lack brightness. Can this be wondered at when they so frequently have headaches, backaches and a general feeling of wretchedness and weakness? In most cases it is the blood that is to blame. From one cause or another the blood has become thin and watery. and it is a fact that anaemia (bloodlessness) more than any other cause, gives women this prematurely aged appearance. It is important that the blood supply of girls and women be regularly replenished-important not only on the score of looks, but to restore robust health, which is of greater value. Dr. Williams' Pink Pills actually make new blood and restore the system shattered by overwork or worry. These pills give a glow of health to pale faces and make tired. weary women and girls feel bright and happy. With Dr. Williams' Pink Pills at hand there is no need for any woman or any girl to look ill or feel ill. Mrs. J. McDonald, jr., Hay, Ont .. Throw Away Your Eye-Glasses!

A Free Prescription You Can Have Filled and Use at Home

Do you wear glasses? Are you a victim of eye-strain or other eye-weaknesses? If so, you will be glad to know that there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says : "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. It is believed that thousands who wear glasses can now discard them in a reasonable time, and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many de-scriptions may be wonderfully benefitted by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto.
