The Escape From Grub Street. the dictionary maker was a hard terial." lay, he contracted a habit of eating considerably over a hundred years. with ravenous greediness. Even to the end of his life, and even at the tables of the great, the sight of food from behind, he might easily be misaffected him as it affects wild beasts taken for the Field Marshal, who is and birds of prey." At the tables of the great in that period sat the sixbattle men and dinners were often eight hours long.

A little earlier than Johnson's time Swift describes a dinner at the house of Lord Smart, where the fare consisted of:

First course-Sirloin of beef, fish, shoulder of veal and tongue, claret. Second course-Almond pudding fritters, chickens, black puddings and soup. Wine and small beer,

Third course-Hot venison pasty, a hare, a rabbit, some pigeons, partridges, a goose and a ham. Beer and

A tankard of brown October passed . from hand to hand, and when the ladies withdrew to sip their tea the men remained to drink Burgundy.

Mrs. Montagu, Lady Mary's cousin by marriage, wrote the following amazing confession: "I wake generally about 7 and drink half a pint of warm asses' milk, after which I sleep two hours: as soon as I am risen, l constantly take three cups of milk coffee, and two hours after that a large cup of milk chocolate: two hours more brings my dinner, where I never fail swallowing a good dish (I mean plate) of gravy soup, with all the bread, roots, etc., belonging to it. then eat a wing and the whole body of a large fat capon and

A Veal Sweetbread,

concluding with a competent quantity of custard and some roasted chestnuts. At five in the afternoon I take another dose of asses' milk; and for supper 12 chestnuts (which would) weigh 24 of those in London), one new-laid egg and a handsome porringer of white bread and milk. With this diet, notwithstanding the menaces of my wise doctor, I am now convinced that I am no longer in danger of starving."

Even in France, where epicureanism | packages. flourishes, there are Big Eaters. Du-"A single person costing 500 francs."

ous exclamation. "It is well understood," the Viscount, "that by the term eating YUAN SHIH KA "Parbleu!" replied his friends.

"Very well; I say that a man, and by a man I do not mean a carter, but an epicure-a pupil of Montron or of Courchamps-can eat a dinner of 500;

"You, for example?" "I, or any one else." "Can you?"

And he did, at the Cafe de Paris. He had breakfasted as usual and his bill for dinner was close to 550 francs. Ah, but the rates were high? Ah, again, but you should read the story Boys are especially noted for eating as Dumas tells it. The Viscount won well, but not always wisely.
