DOG LOST

DOG LOST.—Black and tan, bound
tutch, little white on breast. Reward
on return to
JAS. McLACHLAN, Durham.

NOTICE.—Our accounts are now
ready. Any person indebted will con-
fer a favor by calling now and set-
tling, as I require money.

SOCKS, SOCKS

SOCKS, SOCKS.—Our boys in the
trenches are suffering for the need of
more socks. Who will help along the
good cause by knitting a few pairs?
A supply of yarn and of sewing can be
had at Miss Laura McKenzie's.

This year is to be a momentous one
for young men. They will be foxed in-
stead of being through without en-
dorsing. The leap year maid is on their
trail and also the recruiting officer.
It will be a case of get married or join
the forces.

The 160th Bruce battalion has now
225 men in training. Walkerton has
supplied 65, while Warton including
those of previous contingents has fur-
nished over 100. The 147th Grey bat-
talion now numbers about 700, while
Simcoe is almost at full strength.

Two men (one black) went into the
restaurant and said: "We want Tur-
key without Greece." The man said:
"You can't Roumani 'ere because we
don't Wantenegro and I won't Ser-
bia." So they said: "Call the Bos-
phorus." So the boss came and said:
"Gallipoli now or'll Russia out." So
they went Hungry.

The Durham Choral Society will
present their new musical play "A
Virginian Romance" in the Town
Hall, on Tuesday evening, February
1st, and it promises to be equally as
good, if not better than their produc-
tion of last year, with superior stage
settings. The proceeds go for recruit-
ing league purposes and this alone
should ensure a bumper house.

Mr. John M. Davis, of Euphrasia,
died of heart failure Monday of last
week while drawing logs from the
bush on his own farm. The horses be-
came fast in a mudy place and were un-
able to move the load. The deceased
became a little excited, took a week
spell and died in a few minutes. At
the recent elections he was defeated
for deputy-reeve, and has been prom-
inent in the municipal life of Euphrasia
for many years.

FOURTH FROM ONE FAMILY.—The
Lloyd family of town is certainly
"doing its bit" for the cause of the
Empire. Three sons, George, James
and Anson are now in training and
their sister Miss Edith, a trained nurse-
some months ago, volunteered her
services. Last Saturday afternoon
she received word that the Govt. had
accepted her application and to
proceed to Kingston on Monday to
join a hospital corps which was being
arranged there for service in Egypt.
No time was available to arrange for
a public farewell for her—the first
nurse to leave Durham for the front—
but on suggestion emanating from Mr.
Ludlow a number of citizens gathered
at the station Monday morning to bid
her good-bye, and Hon. Dr. Jamieson,
with a short commendatory address,
presented her with \$10 as an apprecia-
tion from the town. She will remain
in Kingston for a few days at least.

Stop Coughing

Early winter coughs
must have prompt and
right attention or they
pave the way to more serious
trouble. Don't let any
lung or bronchial trouble
get a grip on you with sev-
eral cold months ahead to
aggravate these affections.
It is safer to get a bottle of

DINGMAN'S

SYRUP WHITE PINE
EUCALYPTOL AND HONEY

and have it on hand for
instant use.

It soothes the inflamed
lungs and bronchial tubes,
cures the cough and gives
strength against future
attacks. Only 25c a bottle

Assembling of Durham Soldiers

Reception Friday, 4th February
A meeting representative of the five
municipalities of Durham, Normanby,
Egremont, Bentinck and Glenelg was
held in the Library on Saturday last,
the purpose being to make arrange-
ments for an assembling in khaki of
all the boys who have enlisted from
Durham and townships near by. Ben-
tinek council were out in full includ-
ing Clerk Chittick, Messrs Philip and
Irwin of Holstein from Egremont, Mr.
Geo. Binnie, Glenelg, and others, while
a number had written Secy. Telford
promising hearty co-operation in re-
cognizing the boys.

Messrs Ludlow, Calder and Catton
were charged with making arrange-
ments for a place of meeting, as the
Town Hall will almost certainly prove
inadequate. Invitations are to be sent
to all the boys of Durham and vicin-
ity, no matter where they enlisted, to
join in the function, and committees
from each municipality will co-operate
with Secy. Telford by furnishing the
names of their recruits and mak-
ing provision for financing.

These committees are as below:
Glenelg: Reeve Nichol, Geo. Binnie,
J. S. Black, Geo. Peart, R. T. Edwards,
Colin McArthur, Robt Lindsay.

Bentinck: Reeve Brown, Dep-
Reeve Lunney, Councillors Shewell,
Turnbull, McDougall, Clark Chittick,
Treas. W. G. Hasse, Dr. Smith.

Egremont: J. R. Polip, Dr. Sweath
Jno. M. Findlay, Dr. Ferguson, W.
Ramage, Jno. McArthur.

Normanby: Reeve Schenk Aaron
Wenger, Clerk Fortna, Richard Bar-
ber, John Cooper, Mal. McPace.

Durham: A. H. Jackson, S. Hughes
W. Calder, W. Ludlow, A. A. Catton
John Kelly.

A program committee was appoint-
ed consisting of J. P. Telford, C. Ran-
age, W. Irwin, Dr. Jamieson, Mayor
Hunter.
Arrangements for billeting those
who wish to stay over night are in Mr.
Ludlow's hands, and Messrs Calder,
Jamieson and Ludlow are another
committee to interview the C. P. R.
as to reduced rates, &c.

Adjournment was made till Monday
31st January, at 2 p. m. in the same
place, when it is hoped a hearty repre-
sentation will assemble to make final
arrangements for a fitting demonstra-
tion on the Friday following, which
day has been accepted as suitable by
the Regimental authorities at Owen
Sound.

Made good Showing on Route

Although the weather was not the
most desirable for route marching and
the roads somewhat heavy, over six hun-
dred officers and men of the 14th Cana-
dian Greys paraded the streets of the
town last Saturday afternoon and made
a very favorable showing if the comment
of the civilians on the streets is worth
anything, which agreed in that every
one of the hundreds who were on the
streets and watched the procession go
by, remarked the fine appearance the
men made and expressed surprise at
the manner in which the 147th contin-
ues to grow. The unit is rapidly as-
suming such proportions and organiza-
tions from headquarters staff down, to
make such a fine showing that it will
be one of the first battalions to go across
the water in the spring. If it were pos-
sible to have the men march through the
different towns and villages of the coun-
ty as they did through the streets of
Owen Sound on Saturday, they would
not be long in filling up to the required
strength of over 1100. The head of the
column was taken by the new band
which considering the fact that it has
only had a few practices, did excellently
and gives promise of being one of the
best bands with the overseas force,
when Bandmaster Young has had an
opportunity to organize it properly. Fol-
lowing the band were the staff with
Lieut. Col. McFarland in charge and
then the men in companies. The parade
was marched up to the town hall,
where A Co fell out and received their
checks and then proceeded to the Mer-
chants bank where they were cashed.
The remaining two companies marched
around town until A Company had
been paid and then they also had the
enjoyable sensation of being paid. Route
marches of this nature will be conduc-
ted frequently in the training of the
147th and a march to Chatsworth will
likely be among the routes later on in
the year.—U. S. Times.

Town Council Appoints Officials

Geo. Arrowsmith again Constable.

No little interest was taken in the
meeting of Monday last as it is at this
meeting that appointments are made
to important offices.

Mr. C. Elvidge is again assessor for
the 'steenth time. H. Koch and P.
Ramage were re-appointed auditors.
Thos Daniels was re-appointed truant
officer.

By far the most interest was taken
in the appointment of Constable as
summers were around town that there
were other applicants. Only two
names however came before Council,
Councillors MacKay and Saunders
voiced the need for economy but the
council evidently thought that econ-
omy would be best served by the ap-
pointment of the old officer and practi-
cally unanimously the appointment
was given to Mr. Arrowsmith at the
old salary. In doing this the Council
are certainly in accord with the mind
of the citizens who are convinced that
no better officer ever held the position.
Many indeed think that his record in
1915 should have been recognized by
an increase in salary.

Some belated discussion took place
in regard to the settlement for light
power-supply by the Furniture Co.
in the time between Mr. Intyre's clos-
ing and installation of Hydro. Coun-
saunders and some others think a re-
duction should be made for the time
the streets were in darkness. We
think Reeve Catton's position is un-
satisfactory. They supplied power to the
limits of the corporation, there their
responsibilities ceased. The power was
always there and the blame for the
darkness must rest on town or hydro.

The check issued to the Library Bd
for \$225 which had been drawn as if
for 1916, was changed to make it ap-
ply on 1915 account and so ratified by
council.

On motion of Reeve Catton, the
hearty appreciation of the council was
extended to the band for services at
patriotic demonstrations, &c.

Much discussion took place on what
is to be done with the stock of elec-
trical supplies on hand in Clerk's office
and in Town Hall. Though bought
at a ten per cent. reduction it is truly
stated that the supplies can be pro-
cured cheaper by retail in Toronto.
Somebody blundered apparently and
returning the stuff will undoubtedly
cause a loss to the town, perhaps of a
few hundred dollars.

Guelph in a \$60,000 campaign for the
Canadian Patriotic Fund raised \$37,
800 the first day.

A budget from N. Egremont has
been delayed in transmission and has
not reached us as we go to press.

DEATH OF MRS. TUCKER, GRIMSBY

After a lingering illness from cancer,
Mrs. Geo. Tucker, of Grimsby, passed
away Monday morning at the age of 52
years. Deceased was until six or seven
years ago, a resident of the 6th con,
Glenelg, when the family removed to
their new home near Hamilton. Mr.
Geo. Arrowsmith of town, her brother,
left Monday to attend the funeral which
takes place to-day, Wednesday, in
Grimsby. Two other brothers Wm. of
Glenelg and Albert of Stratford, and
one sister, Mrs. Geo. McRae, Glenelg,
will with the bereaved husband and six
children, deeply mourn the loss of their
loved one. The family are grown up
to the two sons living in Br. Columbia
and Cleveland and the four daughters,
two at home and two married, in Ham-
ilton and Grand Rapids, Mich. We extend
our sincere sympathy to the bereaved.

Grey Battalion to England in May

Col. McFarland in a speech in Men-
ford a few days ago intimated, says
the Masford Mirror, that the 147th
Grey Battalion was likely to go to
England about May next to complete
their training there. So many county
battalions are being formed that ac-
commodation at Niagara and other
summer camps would be quite inade-
quate.

The grounds for this hope is con-
tained in a speech by Col. Sam Hughes
in which he announced that twelve
Battalions of the Military Division in
which the 147th is stationed would be
taken direct to England in the spring.
As our battalion is one of the best and
the most advanced in recruiting there
seems justification for the hope, The
prospect, we are sure, will please our
boys, who will give earnest attention
to their duties, so that their attain-
ments may be their recommendation.
By May, says the Mirror, the Grey
soldiers will have a thorough ground-
ing in squad drill, mark-try and gen-
eral field work. They will also, it is
expected, be thoroughly equipped with
rifles and all over-army accoutrements,
fit for kitchen, band, bombing, scout-
ing, signalling and machine gun sections.
The men are enthusiastic over the
prospect of an early departure for
England and the news will not lessen
their interest in the reformed of the
Battalion.

Flesherton Boys Severely Injured

By collapse in Owen Sound Rink

The collapsing of the balcony of a
rink in Owen Sound brought injury to
seven or eight soldiers and one civilian.
A Hockey match had just ended, the
crowd were dispersing, and happily
those on the ground floor below the
balcony had all gone out. The sol-
diers in the balcony allowed civilians
to pass out first and began to mark
time, the extra strain proving too
much and the balcony went down,
throwing 40 or 50 persons on to the
ice below.

The Sun gives the following list of
injured:
Quartermaster Sergeant Norman
Stewart, O. Sound.
Serg. F. Pearson, O. Sound.
Pte. W. J. Radley, Ceylon.
Pte. G. E. Quinton, O. Sound.
Pte. Stanley Byrons, Desboro.
Pte. McTayish, Flesherton, who is
severely injured, as is also
Pte. Richardson, Flesherton.

The civilians, with one exception,
escaped with slight injuries. Col. Mc-
Farland was present, but not in the
 mêle, and at once telephoned for
doctors and the ambulance.

An investigation is to be held to fix
responsibility for such an untoward
and unnecessary accident.

Presbyterian Ladies' Aid

The Ladies Aid Society of Presby-
terian Church held their annual busi-
ness meeting last week and the report
of year's work was most gratifying.
Since March the Society has been
doing Red Cross work and some \$716
articles have been shipped to Red
Cross headquarters, notice of ship-
ment and list of articles appearing in
local papers throughout the year. The
Society also forwarded 10 dozen jars
of fruit to Toronto. Total Receipts
for year 971.88. Expenditure \$545.08.
Balance in bank \$126.80.

Officers for 1916: Hon. Pres.—Mrs.
Wilson; Pres.—Mrs. McFarlane; Vice
Pres.—Mrs. Whaley; Secy.—Margaret
Hunter; Treas.—E. Winifred Park.
Sewings are held every Monday after-
noon in basement of church.

A hearty vote of thanks was tendered
the ladies of Dornoch, Rocky and
South Bentinck for their great help in
co-operation with Society.

The ladies are glad to inform the
public that so far work has been re-
ceived from six of the boys who were
sent Xmas boxes from the Society—
Major Knight, Cecil Gun, Cecil and
Stanley McNally, Willie Gadd, Dr.
Jno. Cochrane. Each wrote letters of
thanks and appreciation.

An Empire Call

A War-Time Measure

The big article on page 4 of this issue
needs little explanation. The "Citizens'
Committee of One Hundred," represent-
ing the whole province and composed of
men of both political parties in equal
numbers is conducting a Province-wide
campaign next week.

The Legislature is to be asked by a
monstrous petition to do one of two things:
1—Initiate and pass legislation abolishing
sale of all intoxicants during the war or,
2—Give the people a chance to vote on
the question by referendum.

Next week in Durham and in every
polling sub-division throughout the pro-
vince petitions will be taken round for
signature. One petition is for male vot-
ers only, the other is for woman 18 yrs
and over and boys of 18 or over but
under 21.

Read the article on page 4 and you
will readily give your signature and speed
the canvassers so that Durham may roll
up a large vote.
All must be done during next week.

Have you seen the Poultry Show?

In Town Hall? Over 500 en-
tries and birds from Orange-
ville, Flesherton, Mt. Forest, Hanover,
and elsewhere. The Judge is Mr. Foster
of Brampton, and he has much
commendation for fine specimens.
Open Thursday afternoon and evening
and lecture at 2.30 and 8 p. m. Don't
miss it.

Hymeneal

At St. John's R. C. Church, King-
ston Road, Toronto, was the scene of
a pretty wedding on Wednesday,
Jan. 12, the participating parties being
Miss Lyla Friend of Lippendavic Ave.
Toronto, and Mr. Francis W. Willis
also of Toronto. The bride wore a
dress of white silk crepe de chene
trimmed with shadow lace and pearls
and also wearing a wreath and veil
and carrying a bouquet of lily of the
valley and ferns. She was attended
by Miss Kate McMillan of Durham,
while the groom was supported by Mr.
McElwin. The groom's gift to the
bride was a purse of \$50, to the brides-
maid a cameo ring and to the grooms-
maid a pearl tie pin. Immediately
after the ceremony which was per-
formed by Rev. Father Frances, the
wedding party adjourned to the home
of the bride's mother where all part-
ook of a dainty wedding breakfast.
The happy couple left for a short
honeymoon to Detroit, New York and
