There is no disease that should cause more anxiety in the home than Bronchitis, for if neglected in the earlier stages i often becomes chronic and may even prove fatal. Chamberlain's Cough Remedy is the medicine for this disease and if given in regular doses will relieve the cough, ease the

pain, remove the difficulty in breathing and produce a free and

easy expectoration, thus reducing the inflammation.

Old people, and those who have weak lungs, cannot be too careful in guarding against this disease. Chamberlain's Cough Remedy

strengthens the throat and lungs and makes them less susceptible
