HOGS MUST BE HEALTHY To make money for you

INTERNATIONAL STOCK FOOD TONIC

is a mixture of ten medicinal roots, herbs, barks and seeds, forming an excellent tonic and blood purifier. It stimulates digestion and enables the hogs to be forced for rapid growth and fattening without fear of indigestion scours or disease. It costs only three cents for one cent—less than a cent a day per hog.

It is not what a hog eats but what is digested and assimilated that gives strength, rapid growth or quick fattening. International Stock Food Tonic gives good appetite, pure blood, perfect digestion and assimilation, good health and quick growth. It has always had the largest sale in the world for preventing disease in hogs and for helping to make pigs, sows or hogs grow amazingly. It is not to take the place of grain but is mixed with grain for better health and larger profit, by improving the digestion and assimilation of all animals.

The mere fact that International Stock Food Tonic has successfully stood the practical everyday test of farmers and stockmen all over the world for a quarter of a century is absolute indisputable proof to any fair-minded intelligent man that it must possess very superior merits. The increasing sale for over twenty-six years can be explained by no other basis. The largest seller in the world can be built up only on merit. The sale of International Stock Food Tonic has constantly increased during the last twenty-six years by over three million practical farmers. It is now used and endorsed by most reliable and most successful tunic preparation in the world. For sale by dealers everywhere in 50c. and \$1.00 packages and 25 pound pails.

FREE—Write for our new book "International Veterinary Digest" giving cause, symptoms and remedies for diseases of stock and poultry. We will send you one—absolutely free of cost, postage paid, if you write and request it and mention the number of head of stock you own.

MARCH 2, 1916

Peel Bye-Election

Low (Liberal) defeated Falls (Conservative) by 805. Falls Majority 1914-1915.

Although it is recognized, as Mr. Rowell says, that the result in Peel was a victory for the people, rather than a victory simply for a party, yet it is a prevalent opinion widely expressed on the streets and in the clubs to-day, that the Herat Government is seriously affected. They could have prevented Falls running at all as their representative if they had cared to do so, and could have denounced him, as Sir Robert Borden at Ottawa read De Vus Foster and Garland out of the Conservative party.

Instead of that, they not only did not say anything against him but according to Mr. Falls and Mr. Blain, four or five Cabinet Ministers would have been glad to take places on the platform beside Mr. Falls, had they been asked to do so.

The chief complaint against the Government is their quality of weakness in the matter. The World (Conservative) says: "The Ontario Ministers are to be congratulated upon a lucky escape. They will have to bear some reproach for not taking a more active part on the right side, but we do not think their hearts were in the acquiescence which appears to have been compelled from them by Mr. Falls and his supporters."

Compelled from them by Mr. Falls and his supporters! This is surely the severest kind of indictment against any government, to say that they were compelled by Mr. Falls or anybody else to give him their support. Where has the strength of mind and decision of the Ontario Government itself gone?

As a matter of fact, according to their own men, one of the chief characteristics of the present Ontario Government, is their failure to make decisions. Even Mr. Hearns himself, in his famous remark, has said that a "big zig zag" course is often the best one to pursue.

This is quite in line with the Toronto World's criticism levelled against the Government a short time ago, when it accused it of being a "wobbly wobbly" government.

MRS. MELTON'S LETTER

To Tired Worn-out Mothers

Jackson, Miss.—"I shall feel repaid for writing this letter if I can help any tired, worn-out mother or housekeeper to find health and strength as I have. I have a family of five, sew, cook and do my housework and I became very much run-down. A friend asked me to try Vinol. I did so and now I am well and strong and my old time energy has been restored. Vinol has no superior as a tonic for worn-out, run-down, tired mothers or housekeepers."—Mrs. J. N. MELTON, Jackson, Miss. Macfarlane & Co., Druggists, Durham, Ont.

MOTHER TELLS HOW VINOL

Made Her Delicate Boy Strong New York City.—"My little boy was in a very weak, delicate condition as a result of gastritis and the measles and there seemed no hope of saving his life. The doctor prescribed cod liver oil but he could not take it. I decided to try Vinol—and with splendid results. It seemed to agree with him so that now he is a strong healthy boy."—Mrs. THOMAS FITZGERALD, 1090 Park Ave., N. Y. City. We guarantee Vinol, our delicious cod liver and iron tonic, for run-down conditions, chronic coughs, colds and bronchitis. Macfarlane & Co., Druggists, Durham, Ont.

DORNOCH

Sorry to hear of Mrs. J. Watt's illness, but hope soon to hear of her recovery. Miss Carrie Mortley is spending a few days in Durham. Quite a number of the young people took in the party at Ireland's Tuesday eve and report a fine time. Miss E. Froom spent Saturday with Dargave's.

Sorry to hear of the illness of Pte. Bryce Dargave, who are both laid up with an attack of la grippe. Hope to hear of their speedy recovery. A few of our lads and lassies took in the Ball at Holland Centre Friday eve and had a very nice time.

Who was the fellow who got out to fix some harness Wed night and got left on the road, had to run half a mile to catch up. A recruiting meeting was held here Monday eve, but no recruits were secured. It would be only their duty for some of our young men around the burg to don the khaki. How can you sit on the fence and cheer for the boys when you won't yourself? I think if the women could enlist, their battalions would have been filled long ago.

The Box Social held in the town hall, Dornoch, Feb. 23rd, under the auspices of the Women's Institute was a decided success. The weather man favored them with a beautiful evening, bringing large crowds from the surrounding districts. A number of our soldier boys from Owen Sound were present. Rev. Mr. Mills made an efficient chairman, keeping good order throughout the evening. A lengthy program, consisting of songs, dialogues, instrumental music and solos were well rendered. Special mention should be made of a dialogue given by the Crawford young people, entitled "A Perplexing Situation" in which all took their parts well. A large number of boxes were sold at a handsome price.

The Red Cross quilt was also sold. Corp. Alex Stewart being the lucky buyer. The proceeds amounting to \$25.45 will go to buy yarn to knit caps for the soldiers of the 147th Battalion, Owen Sound.

The last-mentioned meeting will be held at the home of Miss Margaret McIntosh, Wednesday, March 8, at 2.30 o'clock. Every body is cordially invited. Come ladies, get some and help knit.

OLDER BUT STRONGER

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years. To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. At any drug store. Scott & Bowne, Toronto, Ont.

Mr. Campbell Davis of near McLeod, Alberta, is visiting his Greenwood and Davis cousins in this locality.

Mrs. B. Edge entertained a number of young people at her home on Friday night. A very enjoyable time was spent in playing games and music. Her son Jas and bride leave for their home in Elbow, Sask., on Wednesday and with them goes the good wishes of their many friends.

How does your Label Read?

We have last week corrected our mailing sheet to date and trust the many who have renewed since last change will accept the changed date as a receipt. Always remember the figure after the month is not the date of the month, but the year. The date of the month is always understood to be the last day of that month. While it is gratifying to see our "eggs" about used up and the boxes of "7's" coming down, we regret that there are still many friends whose label bears a "5" (meaning 1915) or even an earlier figure. To these we appeal to change this condition by remitting at once to end of 1916 at least.

THE WAGON SHOP THAT BECAME THE LARGEST

Automobile Factory in the British Empire Back in 1903, the town of Walkerville, Ont., was possessed of a concern called the Walkerville Wagon Co. If on some day when business was not rushing, the general manager, Gordon M. McGregor, wished to take a little stroll, he could walk around his shop in about 2 minutes by the factory clock. Nobody would have believed at that time that this shop would, in a few years, develop into the largest plant of its kind in the Empire having a floor acreage of over 455,000 square feet and making 3 times as many cars as any other automobile factory in the British Empire. This shop has been turned into the great Ford plant at Ford City, Ont., where a new Canadian Ford car is born every three and one-half minutes. Ford Runabout \$480; Touring Car \$530; All prices are f. o. b., Ford, Ont. All cars completely equipped including electric headlights. Equipment does not include speedometer. Cars on sale at C. Smith & Sons, Durham, Ont.
