GLASS OF WATER

Upset Her.

People who don't know about food should never be allowed to feed persons with weak stomachs.

Sometime ago a young woman had an attack of scarlet fever, and when convalescing was permitted to eat anything she wanted. Indiscriminate feeding soon put her back in bed with severe stomach and kidney trouble.

"There I stayed," she says, "three months, with my stomach in such condition that I could take only a few teaspoonfuls of milk or beef juice at a time. Finally Grape-Nuts was brought to my attention and I asked

"The food did me good from the start and I was soon out of bed and recovered from the stomach trouble. SACRIFICES OF PEERAGE.

Rare Treat after the Forty-Eight Heirs to British Titles

Attention has been again focussed on the sacrifices of the British peerage in the war by the death at the front of Lord Desmond Fitzerald, of the Irish Guards, the brother and heir presumptive of the Duke of Leinster. Lord Desmond is the 48th heir to a peerage to fall in the present war and his case is only specially notable from the fact that the peerage which he would have inherited had he lived is one of the most historic in the come the premier duke, marquis and His elder brother, the Duke of on a younger brother, Lord Edward
