PRICEVILLE AND VICINITY

Brilliant Student is Miss Myra McLean

We are sure the despatch in Monday's Globe would be most gratifying to the many friends of Miss Myra McLean of Priceville. The Review joins with the crowd in extending congratulations and has pleasure in giving the despatch in full.

Miss Myra McLean, of the O. Sound Collegiate Institute, took a very high place in the University of Toronto scholarship examination, succeeding in obtaining first class honors in all four departments of classics, modern languages, mathematics and science, ranking third in general proficiency and being awarded the Edward Blake Scholarship in classics and moderns. Her success is most unusual because of the fact that she completed in four years a course of study which usually covers a period of six years. In fact both the students who ranked first and second, took six and seven years.

Miss McLean, who is only seventeen, by this examination has completed the remarkably brilliant career which she had in the Owen Sound Collegiate Institute. This young lady comes from Priceville and while in town was a protegee of the late Principal Thomas Murray, who died just prior to the conclusion of the spring term.

—Thanksgiving Day is likely to be fixed for Monday, 9th October.

Grand Living Flag at the Exhibition

One of the Features of Empire Spectacle. Colonies Send Over Official Flags

One of the features of the Federation of Empire pageant at the Canadian National Exhibition this year will be a living flag 150 x 100 feet, which will be unfurled at a moment when it will seemingly put a great loyal seal on "Federation" just propheticly proclaimed from the House of Parliament, which will form part of the background for the patriotic pageant. Several of the Colonies and Overseas Dominions, which will be represented in the Federation procession have sent greetings to Dr. Orr and best wishes for the success of the Exhibition, together with official flags to be carried at the head of the contingent representing them.
