Ontario Federation

Every birthday celebration of the Liberal Club Federation is better than the preceding and its fourth birthday being celebrated in London today promises to be the best yet. The afternoon session as usual will be given up to business of the federation with G. D. Conant of Oshawa, the President in the chair, with Mr. B. H. McCreath of Toronto, the Secretary of the Federation with him. The delegates represent all parts of the Province and will be welcomed by Mr. Sydney Little, President of the London Liberal Club. In addition to a discussion of detailed business of the federation itself, there will be most interesting discussions on a number of live Canadian and Ontario public problems, including: "Agriculture" in such aspects as rural credits, co-operation and agricultural education; "Labor" under such headings as the cost of living, the relation of labor and capital and forms of state insurance covering unemployment and old age; "Citizenship" under which will be discussed such questions as graft and the patronage system and "Returned soldiers," dealt with under such heads as pensions, vocational training for the disabled and other aspects of the problem.

In the evening there will be an exceptionally large banquet occupying every square foot of the Winter Gardens. Sir Wilfrid Laurier, N. W. Rowell and Premier Norris of Manitoba will be the principal speakers. The evening will be introduced by younger members of the federation and throughout the day the accomplishments and further aims of the federation will be kept well to the fore.

Although I Had Little Faith in Them"

That is the feeling of hundreds who have been helped by Gin Pills. They did not think it possible that such a simple remedy could relieve such severe suffering. The line above, for instance, is from the letter of Mr. H. F. Herbert, Pleasantville, recommending Gin Pills.

Gin Pills FOR THE KIDNEYS

He now in part, "I suffered from kidney trouble for several years. I have tried numerous remedies and used medical prescriptions without having permanent relief, my case being chronic. I decided to try Gin Pills although I had but little faith in them. The first dose gave me relief. Since I have taken four boxes of these pills, and I find myself completely cured. If you have lame back, swollen joints, constant headaches, urinary troubles, stone, gravel, rheumatism, remember Mr. Herbert's experience and try Gin Pills.
