 While removing a screen door, Mrs. Wm. Aljoe, Glenelg, had her hand badly squeezed and cut by being caught when it slammed shut. Dr. D. B. Jamieson dressed the wounds, which required four or five stitches.

NEW COLONEL FOR 248th.—Major J. Hilliard Roke has been appointed Commanding Officer of the new 248th Grey battalion, the last battalion to be authorized, and replaces Lt.-Col. Chisholm. Major Roke is now in Toronto, but will launch a recruiting campaign in Grey for the new battalion on Thursday of this week.
 After a very successful sale in which almost entire stock was sold out, Mr. J. D. Abraham closed up Monday, packed up the small balance remaining and shipped it to Wiarton, where he is now in business. Mr. Abraham is a firm believer in advertising both in bills and newspaper and to his generous use along with the snaps offered, his success may be attributed.
 A CHAPTER OF ACCIDENTS—No less than three workmen at the Furniture Factory have been more or less seriously injured the last few days. On Friday Elmer Hutton was struck by a board in the face, causing an ugly wound and on Saturday Wm. Glass while operating a saw, was hit by a piece of board also, which violently flew off the saw and cracked the bones of his nose, a most painful injury. On Monday an emery stone broke and a piece struck Robt. Watt below the eye, dust also affecting the eyes. It was a severe gash. With efficient medical attention however the men were not long laid off work.
BULL HAS FIVE LEGS.—Calves with two heads and horses with three legs have long since ceased to create a great deal of interest but a bull with five legs is still something of a novelty. Such an animal was shipped to the Union Stock Yards, Toronto, on Monday. Mr. Geo. Ford, Normanby Tp. was the owner and sold the bull to Mr. R. Brunt, Hanover, a drover, who brought the animal to the stock yards. The bull is not a calf but is over two years old and in good health. The fifth leg is joined to the body a little forward of the flank on the right side. The animal only uses four legs to walk while the fifth member hangs useless. Several persons have been negotiating for the purchase of the bull to use for show purposes.

Anniversary Services of Durham Pres. Church will be held on Sunday, 3rd December, the officiating minister being Rev. Mr. Bradley of Teeswater.

STUCK A FLOWING WELL.—While drilling a well at Mrs. Robson's, Counties St. last week, Ed. Pratt tapped a flow with sufficient force to raise the water to the 2nd floor. He is yet drilling to secure greater quantity.
 Owing to the fact that Christmas falls on the last Monday of December the municipal nomination will be held on the Friday preceding Christmas, Dec. 22nd. Municipal elections will be held on New Year's Day, January 1st.
 A telephone message from St. Thomas said some of the 153rd men had the mumps. That just bears out the word that has been sent here from St. Thomas several times, that the boys were having a swell time—Guelpi Mercury.
ANNOUNCEMENT.—Annual meeting of Durham Branch of Women's Institute will be held at Mrs. T. McGivray's on Thursday, Dec. 7, at 2.30 p. m. A knitting contest will be held for which prizes will be given. A good program is being prepared and tea will be served. Everybody welcome.
WHO'LL BE WARDEN?—There will be a spirited fight for the Wardenhip of the County next year. There are at present five men prominently mentioned—Reeves Nichol of Glenelg, Smith of Derby, Sing of Meaford, McKenzie of Artesemia, Miller of Euphrasia, and there will be some difficulty in making the choice.
ECCENTRIC WEATHER.—Two weeks ago we rejoiced in four or five days' sleighing. It left us and bare weather prevailed till last Friday when snow began to fall and wind almost amounting to a blizzard prevailed. Snow fell Saturday to the depth of many inches and sleighing looked to be permanent, but this Tuesday, 28th Nov., it is gone again and quite mild.
 The Ladies' Aid Society of the Methodist Church are giving a social in the S. S. Room of the church on Friday evening of this week. The program will commence at 8 o'clock and it will be a real treat in music, recitation, &c. Refreshments will be served at the close. Everybody welcome. Admission 10c. Come and enjoy a social evening.

Bbr. Milton Mills Honored

A few evening ago Milton Mills and a Capt McIntosh were honored by St Catherine's citizens by a sumptuous supper followed by a program. Bombarrier Milton Mills, to give our young friend his full title, was the first speaker and, the Standard says, was tendered a hearty ovation. We quote from the Standard;
 "In quiet and modest manner Bbr. Mills told of his trip with the 7th Field Battery, now the tenth, to France and of the encounters which the battery experienced. The battery left for Valcartier on the 28th of August and on the 26th of September for Quebec. Then came the trip to England and arrival at Salisbury Plains. On the 4th of March the Battery went into their first action at Neuve Chapeau.
 Bbr. Mills missed the gas attack of the 22nd because he was at the wagon lines. It was on this notable occasion that the ammunition had to be taken to the guns by hand and when Major King reversed his guns, he gave it to the Gersmans both ways. In the battle of Oerms the Brigade of which the 10th Battery was a part, was the only Canadian unit in action. The Somme battle is according to Bbr. Mills, the hottest and most interesting battle of all. It is some place. The bombardment of the Germans, the returned hero said, was very heavy, but the bombardment of the Allies was far heavier. "We can and are sending over the lines 10 shells to their 1. In closing Bbr. Mills stated that the food and the conditions at the front were even better than one really expected.
 Archdeacon Perry asked the speaker if he had heard of the Angel of Mons. Bbr. Mills had heard of the Angel and believed it to be a divine manifestation which saved the day for our soldiers."
 Wingham gave over \$5000 to the British Red Cross, leading all Ontario towns of or near its size.
 A score of members of the Mt Forest Equal Franchise League are petitioning to have women representatives on the Public Library Board of that town. And why not in every town? Town Council and School Board have the power.
 Here is something from an exchange for some of our young ladies and young men to ponder over: A woman who can be a member of a church choir for ten years and never had a squabble, would make a fine wife for any man.
 The council of Elders, its Clerk and Treasurer, are, all seven, abstainers from alcoholic beverages and not one of them use tobacco. An exchange says: These days it is quite a rarity to meet men who do not smoke, and when the whole cabinet of Elders, including the Chancellor of the Exchequer and Secretary of State, refuse to bow the knee to Queen Nicotine or King Bacchus, it is, indeed, something unique. The whole bunch happen to be Presbyterians. The fact that they are non-drinkers and non-smokers is not a passport for them to heaven, but it certainly will not hinder them in their pilgrimage to the Celestial Kingdom. The names of the seven are: Reeve Class; Goussellers Allan, Thompson, Lewis and Fraser; Treasurer Ewart and Clerk Pearce.

Greys at Shoreham Camp

The 147th battalion on arrival at Liverpool was sent to Shoreham Camp, Sussex Co., England, to receive further training. It is situated on the southern coast, next the English channel and is 40 to 60 miles south of London. First letters from the boys will arrive next week.
Reinstated
 The Fort Frances Time has the following relating to the reinstating of Lieut-Col D C McKenzie, which we noted last week. At Port Arthur, Fort Frances and throughout the District, there is a burst of joy.
 An Ottawa dispatch on Friday said contained the news that Lieut-Col D C McKenzie had been reinstated to the command of the 141st Bull-moose Battalion, and furthermore, that he was honorably reinstated. There was great rejoicing therefore in this district among the Colonel's friends over the good news that he had been vindicated, and as a result recruiting, which was at a standstill, will now receive a boost.
 Col McKenzie, who was in Ottawa, has returned home, and when seen by the Times representative, said that he received a very hearty reception at Ottawa by the Militia Council, and Hon Mr McCurdy, Assistant Minister in charge of the Canadian War Office. He was invited into the Militia Council and received very kindly by them and informed that they had gone all through the report and had recommended his honorable reinstatement.
 Col McKenzie was introduced to Hon Mr McCurdy by Col J J Garrick, M.P. and Thos Bone, of Fort William, both of whom he wishes to thank for their interest in his behalf. He also said he felt very grateful to the citizens of Port Arthur and Fort William for their loyal and individual support in all matter pertaining to the recent trouble.
 Col McKenzie expects to resume command of the battalion on December 1st and will do his utmost to bring the Bull-moose Battalion up to full strength as soon as possible.

Five Million Seals

The National Sanitarium Association has issued over five million seals to meet the requirements of this year's Xmas seal campaign.
 Last year in the United States alone over eighty million seals were sold and this year no less than three hundred millions have been issued. The use of these seals on letters, Xmas parcels, &c is becoming more popular year by year. No easier way may be found by which you may "do your bit" in stamping out the plague of Tuberculosis.

 No STICKERS ON FRONT.—It is contrary to postal law to place Christmas seals or stickers on the face or address side of a letter or any piece of mail. It has been found that many persons purchase stamps in the name of Alex. McDonald, the National Sanitarium Association, and place them on the back of the envelope.

The Store of Honest Value

Patriotic Concert.
 The concert in Town Hall, Thursday evening last, aroused considerable attention and the hall was nearly filled, proceeds amounting to \$50 all of which goes for patriotic purposes. The performers have been giving concerts for some purpose at five or six outside points and the willingness displayed in giving of their talents and time for this purpose is most commendable. It was stated that a sum of about \$500 had been raised by the efforts of the company, all going for Red Cross work.
 Mr Calder was chairman and made a reference to the great work being done by the British Red Cross for which Canada had given over \$2,000,000 and he regretted that Durham had not done better. The Canadian Red Cross was equally worthy in its own sphere and it is being helped to-night.
 Mr A Bell who has been the prime mover in this patriotic effort sang a couple of solos in one of which a young maiden promises her love to a young man when he has donned the Kikiki. Miss L Walker's "I want my Daddy" was pathetic and deserved an encore. Miss Annie Graham is developing as an reciter and gave "Brave Jennie McNeil. Mr Mistle's solo "Safe in his Father's arms" was a popular number as was the solo by Mr T Fallaise, whose fine voice was shown to advantage in "A Soldiers Grave" both were encored, and both were called on later. Miss Wylie gave a thrilling recitation. The tableaux "Tenting to-night" and another showing activity of women in the war, were realistic and well done.
 Midway in the program Rev. Mr. Moyer gave a patriotic address. The war he said was bringing us together, was leading the nations to co-operate for safety, and latter should lead them to co-operate for righteousness. If this last had been followed there would have been no war. He reminded this audience that we "stay-at-homes" are yet a long way from making sacrifices we might make and more would be required of us yet.
 Miss Irwin was the accompanist of the evening and with Miss Middlebro playing instrumental duets.
 God Save the King appropriately closed a fine, sane, successful patriotic meeting.
