Telling How to Actually Cure This Common and Painful Malady.

This article is for the man or woman who suffers from rheumatism who wants to be cured, not merely relieved-but actually cured. The most the rheumatic sufferer can hope for in rubbing something on the tender, aching joint, is a little relief. No lotion or liniment ever did or can make a cure. The rheumatic poison is rooted in the blood. Therefore rheumatism ports of the disloyalty of India to the can only be cured when this poisonous British Government, the Government acid is driven out of the blood.
