The January meeting of the Women's Institute was held in the Library on Thursday of last week. After the routine of business, Mr. Ed. McClocklin addressed the meeting on the Structure of the beef animal, the location of the different parts of meat, the selection for use also cooking and curing, etc. Needless to say it was an address par excellence and was much enjoyed by all present. A paper was read by Mrs. McGier on the value of Women's Institutes. Roll call was answered by briefest personal recollection, and quite amusing were the reminiscences of childhood.

Three Aged Pioneers Pass Away

MRS. THOS. McCLOCKLIN

By our Glengel Centre Correspondent

On Friday 5th January, 1917, the above lady long known as "Grandma McClocklin" passed to her reward. She died at the home of her son Chas, 4th con Glengel, after a lingering illness from Diabetes, which was borne with Christian patience. She had completed her fourscore years of useful life. She was a devoted member of the Methodist faith and in health her seat in church was seldom vacant.

Maiden name of deceased was Mar-cha Brooks and in the year—was married to Mr Thos McClocklin and the union proved a happy one, they living the greater part of their life on the farm on which she died. Their family consisted of five sons and four daughters. The sons are the well-known Edwin of Durham, now of Toronto, James of Moosejaw, Fred of Holstein, Arthur in Glengel, on 2nd Con., Chas on the Lomestead. The daughters were Mrs A. C. McDonald now deceased, Susan who died 25 years ago, Eliza married in California, Tilly Mrs Mark Wilson, Flesherston. All but James and Eliza were present at the funeral, and all will long hold in precious memory the mother who was devoted to them.

Two magnificent wreaths adorned the casket, one from the family, one from Mrs and Mrs M Wilson of Flesherston. The funeral on Sunday was largely attended and interment took place to English church cemetery, where she sleeps beside her husband, who preceded her some 30 years ago. Her pastor, Rev. Mr. Moyer conducted services at house and grave. To all mourning relatives we wish to express our sympathy.

MRS ROBT. HENRY

We record this week the passing of the above lady, early on Monday, 8th January at the home of her son John near Hampden, in Normanby, at the venerable age of 87 years. She had a remarkably healthy life and only at Christmas last was able to enjoy a social gathering of young folks at her son's home. She was a Miss Annie Derby, a member of the well-known Derby family, and is the last of a family of eleven children.

Mrs Henry was born in or near Dumfries in Scotland, of thrifty Scottish parentage, and came to this country with her parents in 1853, living for a while in St. Catharines, then coming to the "bush" in the now Hampden district. She was married to Mr. Henry in Durham, by the late Rev. Alex Stewart almost 60 years ago, lived for seven years in Normanby, and then to the 19th con. of Egremont where the best part of her life was spent. Since the spring of 1915 she has resided in Normanby her early home. She was a worthy helpmeet and took her full share of all the tasks and trials of the early days. Mr. Henry died in Sept 1908. To them were born four sons and eight daughters, one of each died in infancy. Another son Robert died a few years ago. The survivors are Andrew in Egremont, John at whose home she died and who will feel her death most keenly for they have always been together. The daughters are: Ann, Mrs Thos Keith, 12 con Egremont; Maggie Mrs J Martin Sealton; Mary, Mrs J Walker near Fergus; Nellie, Mrs Wm Brown, Katie Mrs Thos Brown, near the old home, Agnes Mrs Dane, Toronto, Jessie Mrs Wm Clark Durham.

The funeral takes place to-day Wednesday, to Dromore cemetery, where her husband lies, and where in life she was devotedly Presbyterian, a cheery, optimistic soul, who clung to the old virtues as she clung to the Scottish vernacular. The writer has known her for over 40 years. She has passed on, but to family and friends her memory will always be cherished.

JOHN HUNT.

At the home of his daughter Mrs Young, Kingston, Mich., the above well-known gentleman passed over to the majority on Monday last. He went from Durham to Michigan over a year ago and death found him there. John Hunt was born in Devonshire, England 83 years ago and came to Canada in his 20's settling first at Nassagaweya and about 40 years ago came to Glengel where his family grew to manhood and womanhood. His wife died about eight years ago in Durham to which place they had moved 1802. Their family surviving consists of two sons and two daughters, Edwin of Magee, Sask an ex-reeve of Glengel township, William in West-

ern States, Mrs A Folchard of Durham, and Mrs Young, Mich.

Deceased was a most likable man, genial in manner, loved and respected wherever known. He was a devoted member of the Methodist Church yet broad in his sympathies with other denominations and with no trace of bigotry in his make-up. He was Liberal in politics.

His remains are to arrive in Durham to-night, Wednesday, Funeral on Thursday after service in Methodist church in the afternoon to Durham cemetery where wife and daughters lie.

Plans are being arranged to recruit an artillery battery in Grey Co. A battery consists of 138 men of all ranks.

A box social in the interests of Bentinck Red Cross Society will be held in Mulock Schoolhouse on Friday, Feb. 2. An excellent program consisting of choruses, dialogues and solos, a play and instrumental music will be provided. Admission 25c, Ladies with boxes free.

To free more locomotives for the removal of freight and war supplies, the Railway Board of Canada has ordered a material reduction of passenger trains on Canadian railways. As far as yet known, there will be no change in the service on either line from Durham, though it is possible that the G. T. R. afternoon passenger-freight train will be cancelled.

SIGNED WITH THE 248TH.—Lieut Legard of Flesherston who is in charge of the recruiting office here for the 248 Battalion has secured rooms behind the Standard Bank On Tuesday he signed up Arthur McGowan son of Miller J. McGowan as the first 248th recruit from Durham. Arthur is not yet of the required age, but has the necessary size and pluck. Two other town lads, Harper McGirr and Ernest McDonald went to Owen Sound last week to enlist, but did not pass the doctor, though they were given hope of passing the medical board in a few weeks. Several more lads also have "the notion."

MOTOR LICENSES EXTENDED.—1916 licenses for cars have been extended for one month until Jan 31, 1917. There were 54,800 motor vehicles registered in 1916, and 4,300 motorcycles in the province. The Public Works Dept. points out that in case of accident in which the owner or driver of a car is involved, it would be in his favor to produce evidence of competency as a driver. To encourage all drivers to secure certificates of ability, the name has been changed from "chaffeur" to "operator," so as to include other than paid drivers, and style of badge altered to the small enameled button. Only one examination is required, the fee being \$1.00 for those who wish to procure such certificates. N. P. McIntyre has been appointed examiner for this district.

Quite a change was made in the Bentinck council this year. We congratulate Mr Metcalfe, reeve, Mr H. Beigham, dep. reeve, and our new councillor, Mr A. McDougal. Even though they are not all Mulockites we wish them a pleasant year in the transaction of the business of our municipality.

Mr. Harry Boyce of —, Sask. is home for a few months holidays. By all reports he doesn't intend going back again alone.

Mrs. Arch. McDougall spent the holiday with relatives and friends in Simcoe Co., returning home Tuesday of this week.

Mr. and Mrs. Ted Vickers of Sussex, N. B., are visiting this week at the former's sister, Mrs. J. H. Chittick.

Mrs. A. Hastic entertained a number of friends to dinner on Saturday in honor of her cousin, Ronald McDonald. Our teacher, Mr. M. Legate, returned Tuesday from holidaying at his home and in Toronto and resumed his duties Wednesday. The Mulock branch of the Bentinck Red Cross Society, held its monthly meeting in the Baptist Ch. for the transaction of business. 14 lbs of yarn were distributed and 12 pair of pyjamas were given out to be made. 19 pair of socks were made for the making of an autograph quilt to be sold at the box social which is to be held on Friday 2nd Feb. The proceeds from teas amounted to \$6.15. Mr and Mrs. Mack McCallum were New Year visitors at Wm Lunney's.

Inaugural Meeting of Durham Council

Promptly at 8 p. m. Mayor Laidlaw took the chair and surrounding the table were Reeve and Councillors all but Mr. E. Kress. A number of citizens were in the body of the Hall including the clergy of the town, and the Mayor's first act was to invite Rev. Mr. Wylie to engage in prayer for Divine guidance which was done very appropriately, all maintaining a reverential attitude meanwhile.

This recognition of the Divine being in mundane affairs is not as common as it should be. Our Legislatures follow the practice, we are not sure if the County Councils do or not, but no body of men met in conference to legislate for the public but would be the better for the dignified practice, at opening of their sessions and if the spirit of it could be carried through the year so much the better.

Mr. Laidlaw's address opened with congratulations to the members of the council on finding themselves in the honourable position as the gift of their fellow townsmen. It furnished opportunities for usefulness which all should value and he reminded them that 90 per cent of our public men, Judges, Legislators and the highest in the land had got their experience in Municipal life. He hoped the confidence of the citizens in them would be justified, he thanked the citizens for giving him the line council, and trusted they would not be too harsh in their criticism of their actions. His purpose was to have business done in a business-like way and to that end he hoped all would work in harmony as far as possible. In a reference to the war, he hoped it would be this Council's privilege to meet a large crowd of their townsmen in rejoicing over peace following victory.

Reeve Calder on behalf of himself and Councillors responded to Mayor's sentiments. He was sure everyone would do the best he could for the town and predicted harmony and good feeling throughout the year.

The minutes were then read and signed, after which the report of the standing committee was read and the standing committees as drafted by them was endorsed by the Council.

The standing committees are as follows, first-named being chairman:

- FINANCE: Wm. Calder, J. C. Adams, E. Kress
BOARD OF WORKS: Geo. McKechnie, J. C. Adams, Joseph Firth
FIRE & LIGHT: E. Kress, Jos. Firth, J. F. Grant
PROPERTY: J. F. Grant, G. Kress, G. McKechnie
CHARITY: Wm. Laidlaw, E. Kress, G. McKechnie
INDUSTRIAL—Wm. Calder, Wm. Laidlaw, Dr. Jamieson, E. W. Limin, Jos. Firth.
COURT OF REVISION: Wm. Laidlaw Wm. Calder, John Adams, George Kress, J. F. Grant
BD. OF HEALTH: Wm. Laidlaw, W. B. Vollett, C. Ramage, Dr. Hutton
HYDRO COM.: Wm. Laidlaw, Wm. Calder, Geo. E. Kress.

In response to request for delegations, Rev. Mr. Wylie asked for improvement in St. lighting on S. Queen St, but was asked by the mayor to bring it up at next meeting.

Accounts were then dealt with in a "modern way". Instead of wasting time reading them from the mayor's chair, they are at once placed in Finance Committee's hands. The report of this committee recommended payment of the following accounts: Geo Lawrence, wood for hall, \$89.00 Geo Arrowsmith, salary &c, \$38.60 C. Elvidge, D. R. O. constable, poll clerk, &c, 9.00 W. H. Bean, D. R. O. constable, poll clerk, &c, 9.00 J. Smith, D. R. O. constable, poll clerk, salary, 35.00 Clerk as returning officer, stamps 7.35 Bell Tel. Co. rental clerks office 5.00 W. Irwin, printing account, 114.47 A. Noble, conveying Mrs Fuller to H. of Refuge 4.50 \$339.98

Adams—Firth—That \$10 be given to Sick Children's Hospital. Carried

Calder—Adams—That Clerk advertise in Review and Chronicle for the sale of debentures under by-laws 683, 684, tenders to be in by 1st February.

The Treasurer's report was an interesting document showing receipts and expenditure for the year with a substantial balance to the credit of the town, taxes having been better paid in than usual. It is surprising to learn that some taxes of two previous years
