It is said that the return of a manuscript to its author may imperil life of the Chinese editor and that only by the myriable use of the most gracious courteous and apologetic language can he expect to avert the awful wrath of the contributor whose manuscript is declined, and save his own editorial head from swift decapitation.

HOPEVILLE

"April showers bring May flowers" They should be in abundance if the showers continue as the month has begun.

Conditions do not promise a lengthy sugar season. Very little frosts and snow nearly all gone.

The pastor Rev. E. C. Forde will preach special Easter services next Easter at 3 and 7.30 p.m. Special music will be rendered by the choir.

Pte Ar H. Barnett was home over the week end to say farewell to his many friends, previous to going overseas with the 16th Halton and Dufferin Batt. Our good wishes follow Archie wherever duty places him.

Pte Archie McKinnon is expected home this Wednesday from the battle front. He was wounded about 6 months ago in the shin and returns quite lame. His father went to the city last week as Archie arrived there Thursday. Both will return home together.

We are glad to report Mrs A. Riddell quite better again.

The Red Cross Society reports 9 pair of pajamas turned in at the last meeting and 10 more pairs taken out to be returned Wednesday, April 11 to the meeting of Mrs. G. H. Gilkes. Lend a helping hand ladies.

GLENMONT (Arrived too late for last week) Mr and Mrs Jas Ford and family moved last week to the McMillan farm on the South Line. Mrs Alfred Tucker is visiting with her brother Mr Will Tucker of Toronto. A sleighload of young people from Ebenezer spent a very pleasant evening last week with the Rev. and Mrs F N Bowes, Priceville. Mr and Mrs John Weir visited one day last week with the latter's mother, Mrs Weir 2nd Con. Glenelg. The Ebenezer Red Cross met at Mrs John Lawrence's on Thursday. There were 85 ladies present and they made 4 hospital shirts, 2 field shirts, 6 towels and 6 pillow cases. Collection \$4.20. Next meeting will be held at Mrs Angus Hoopers on Thursday April 6th. All ladies invited.

Seasonable Advice for Increased Crop Production 1—Carefully plan the crop production for the season at an early date. 2—Thoroughly clean and grade the grain so as to procure the large, plump, sound and well matted seed. 3—Test the germinating power and vigor of the seed before time to sow. 4—Overhaul implements and machines so as to be ready to start seeding early and to sow each class of crop at the best time for highest results. 5—Arrange for at least a small amount of such cultivated crops as beans, potatoes, turnips and corn. 6—Watch and destroy the weeds before they are able to make much headway. 7—Economize man labour by using three and four horse teams when possible. 8—Plan so as to make the best use of the unskilled labour which is available.

LETTERS TO THE EDITOR Editor Review:—Owing to so many stories that have not appeared regarding the Drawing for the Red Cross Horse the committee in charge have asked me to state that all money so collected will be devoted to Red Cross purposes despite all stories to the contrary. Everyone wishing to assist in this work should take a draw on the Horse and also attend the Box Social in the Township Hall, Glenelg, on the evening of Monday, April 9th when the final drawing will take place. Good program and entertainment. Thanking you for this valuable space, I am, One of the Committee.

MARKED INCREASE A. H. McDONALD, Ethel, Ont., says "Last Spring I purchased a quantity of Homestead Bone Black Fertilizer from J. K. Baker and from the results shown by its use on plots of corn and potatoes, I can confidently recommend its use on a much larger scale. This shows the value of intensive farming. If every acre available on an average farm were properly cultivated and Homestead fertilizer used judiciously I am sure the financial returns would show a marked increase."

BELONGS TO GOOD FARMING GEO. SCHROEDER, Dashwood, Ont., says: "I used Homestead Bone Black Fertilizer on cats last spring, leaving one drill width without, where you could see the difference of about one foot. In fact, it beats anything around the neighbourhood."

GROWTH SIMPLY WONDERFUL WILLIAM EVLAND, Sarnia, Ontario, says: "I have used Homestead Bone Black Fertilizer and am so greatly pleased I want to tell you of it. I had a piece of ground where nothing would grow, not even weeds, and I planted straw-berries and put some fertilizer on them and the growth is simply wonderful. In fact, it beats anything around the neighbourhood."

Write Michigan Carbon Works, Detroit, for free book and particulars about their Homestead Bone Black Fertilizer.

ASK YOUR GROCER PURITY FLOUR More Bread & Better Bread

Comrades! If you cannot carry a rifle, you can serve your country on the farm.

"The plow is our hope," declared Right Hon. David Lloyd George, the Prime Minister of Great Britain. The tremendous significance of these words in the face of a world shortage of food must be a matter of concern to all. It points out the path of duty to men and boys unable to enlist in the army but capable of helping to increase production.

Help the farmer increase production At this supreme hour when ample food production is one of the indispensable means of victory, the country faces a serious shortage of men and boys on the farms. The Department of Agriculture emphasizes the urgency of every man and boy taking to heart this splendid opportunity for patriotic service.

Boys Decide now to help in the war. If you are between the ages of 14 and 15, and have good farm record, you can secure promotion at school by enlisting for farm service any time between April 20th and May 20th.

Men The Department appeals to retired farmers, to men following no occupation (retired), to business men who can spare at least a portion of their time, to all men who can arrange their affairs so as to help some farmer. Every man is invited to enlist for farm service.
