Calling for all twenty men-in-waiting at once, the little prince ran up the garden, stumbling over himself fairly in his eagerness! His "I wants!" and "I wishes!" kept the whole court flying, I can tell you, and before evening every little boy on the pixie's list had what he wanted. All the prince's ponies were gone but one, all the dogs but one, all the games but one; in fact, there was just one of everything left. The boys had had so much fun with the prince's gifts that he began to wonder whether he and the doggie and pony and toys that were left could not have some fun,

And they did, and after that one boy always came each day to play with the little prince, and as for wishes and want well, he discovered the fun of wantag things for other people and not for himself. There was no end to his commands and no end to the happiness in the kingdom where he lived. The work of the kingdom where he lived.

Hadlington, Ont., Apr. 23rd (Special) ARD'S LINIMENT. -Mr. William Wood, a well-known farmer living near here, is shouting the praises of Dodd's Kidney Pills. He claims they cured him of two of the most painful and dangerous forms of kidney trouble, bladder trouble and

"Yes, I was troubled with gravel and bladder trouble," Mr. Woods said when asked about his cure. "But since I took four boxes of Dodd's Kidney Pills my troubles are gone. I also had heart flutterings and shortness of breath. There were flashes of lights and specks before my eyes and I was very nervous. All these troubles have gone, too, since I used Dodd's Kidney

Others in this neighborhood have used Dodd's Kidney Pills and found that they are the greatest of all remedies for kidney troubles of any kind. Dodd's Kidney Pills are specialists. They cure sick kidneys and that is all they claim to cure. The reason they are given credit for curing rheumatism, lumbago, dropsy, diabetes and Bright's disease is that all of these diseases are caused by sick kidneys.
