Electric storms of great violence with perfect downpours of rain, occurred on Monday and Tuesday evenings, and it is still unsettled. The abounding moisture and absence of frosts should make a good hay crop, this year. During the storm Tuesday, Jas. Heslip, Glenroed had a cow killed, and Jos. Porter's house north of Allan Park was struck, the chimney being shattered.

Eight returned soldiers passed the qualifying examinations for the Civil Service, recently held at Toronto. S. Grey Board of Agriculture

The Annual meeting of South Grey Board of Agriculture was held in the Public Library here on Wednesday, the 13th inst. Nearly all the members were present and some practical work was done.

Mr. W. J. Bell from the Agricultural Department, Toronto, was present and gave an address on the work of the Board, The Farmers' Institute had, perhaps, outlived its usefulness, and the present Boards were organized along different lines. But they would certainly be a failure unless the members were fully active, alive and did things. Perhaps the most important work would be the organization of farmers' Clubs, both young and old could meet and discuss their own problems amongst themselves, as well have a good time socially and perhaps not the least good done would be the educating of young men in public speaking, where they could gain confidence in themselves, speak without hesitation and think upon their feet. The result would be more farmers filling public positions, more of them in Legislature halls, where they will make their influence felt to the benefit of the country.

He mentioned other lines: the Department had chosen fifteen Ridings to hold a two day meeting, South Grey being one of them. Some of the best men in Agriculture will address these meetings on subjects with which they are specially connected. This meeting is to be held in Durham on January next.

Officers were elected as follows: President-R. T. Edwards, Vice-President-W. H. Rogers, Secy-Treas.-Geo. Binnie; Executive Committee-John R. Philp, Jas. Metcalfe, Richard Barber, Dan Edge, Auditors-C. L. Grant, Peter Ramage. Dr. Taylor, Mayor of Hanover, gave a brief but very interesting address. The meeting closed by singing "God save the King."

Durham-Glenelg Association

Of Sunday School Workers

The fourth annual meeting of above body was held on Tuesday in the little church on townline, Glenelg and Egremont in the district, sometimes known "Glenmoat." The Pastor, Mr. Bowers of Priceville was unavoidably absent, but the local S. S. Workers headed by Supt. W. R. Watson were out in force with a welcome for all.

President W. J. Ritchie, presided and gave a brief address, afterwards appointing committees. Reports from the local schools were given by Arch. Beaton, W. J. Young, R. T. Edwards, Dr. Wolfe. Fitting notice was taken by President and others of the loss to the Association when Miss V. Edge became Mrs. Edge and her faithful services were no longer available. Mrs. Alf Tucker gave statistics of the Cradle Roll Department, the total in Churches being 204.

Mr. Young read Miss Belle McGirr's report of the Home Dept. It sets forth the value and blessing that would follow the reading and studying of the lessons in the home by those not privileged to get out to classes.

Mr. P. K. Dayfoot of Toronto was the visiting Sunday School expert. He said no problem was more important than that of leading the over 1,000,000 youths between the ages of 12 and 20. They need to be led, for life opens to them with bewildering fullness and the restraints of two many homes are gone after the 12th year. A winsome personality is needed to be a successful leader and he gave some examples of young men whose successful careers were founded on their S. S. work. He contended schools should be opened the whole year, but the meeting differed with him on this point, at least in rural districts.

Miss Winnie Binnie gave a thoughtful address on Scripture Memorization which were favourably commented on and aroused a profitable discussion.

Many valuable hints were secured from a Question Drawer conducted by Mr. Dayfoot. A printed list of thirty-three questions covering almost all possible difficulties was supplied to the audience, and Mr. Dayfoot speaks on any or all of them on request.

Just a few hints: He strongly favors a Home Department, considers a blackboard indispensable, preparation should begin at least a week ahead, use lesson help all the week and leave at home on Sunday, aim to have every pupil use his or her own bible, do not give prizes but give rewards if pupils reach a fair standard and above all have a standard.

A romantic wayside table was spread with tempting viands and willing waiters supplied tea and coffee to one all between the sessions. Lowering clouds and lightning flashes threatened to destroy the romance and send all indoors, but the Storm King was in sympathy and allowed this important function to finish in comfort before beginning his dampsing operations much to satisfaction of everybody.

A Round Table Conference by Mr. John Taylor of Hanover, Co. Secretary was an interesting feature of the evening. He entered on a contrast of the past with the present and had opinions from a number in the audience, as to where we were improving, where going back and why? why? why? Mr. Taylor has a thought-compelling system of conducting this which is of absorbing interest, and it was highly profitable.

Mr. R. T. Edwards had "How to make S. S. interesting and in his own graphic way made telling points. The teacher, especially the Supt. must be "enthused," little or nothing gained if no enthusiasm. Teach by concrete examples have the wheat and the tares the vine and the branches, etc.

Rev. Mr. Moyer had "Bible Study with a view to Teaching." The teacher must fill the measure before he could pour out. Energy was no good without the "know how." He impressed the importance of having the bible in the hands of the pupils, of having system, the lack of which caused many failures, lesson should be prepared as an architect prepares his plans, and fact must be used to apply to individual cases. A superficial knowledge of the Bible was of little value, the true teacher must get at the depths of the book by prayer and help of the Spirit.

Mr. Thos. Nichol, Supt. of Priceville Sunday School gave some encouraging remarks in the course of relating experiences of days past and present.

As was fitting there was stirring music by the local choir and an impromptu duet by Rev. Mr. Moyer and Wm. Ramage was warmly received.

The new President is Mr. John A. Graham, and Durham is to be the next place of meeting.

Delayed Convention

To be held Wednesday, July 4

Owing to the meeting of the County Council and some other obstacles, the Annual Meeting of South Grey Liberal Association has been postponed for one week, to July 4th. In Durham T. H. BINNIE, R. R. 2, Priceville, Secy.

Memorial Service

A Memorial Service was held in the Methodist Church last Sunday morning for Pte. Alex. Wells, who fell in action in the Vimy Ridge battle on 9th of April. Pte. Wells was a member of the Church, active in S. School and Epworth League work. Many will miss him but as the places of the heroes who fall in battle must be filled, so, it is hoped, others will take his place in the home forces constituting the church.

The Orange Lodge, of which he was a member, attended in a body, attendance being large and representative.

The Pastor, Rev. E. S. Moyer, used as his topic "The Joy of Victory," taking for his text the words of Joshua 1: 9. Be strong and of good courage, for the Lord thy God is with thee whithersoever thou goest." The career of Joshua the Conqueror, was outlined, and comparisons made between his conquest and those made on behalf of righteousness to-day.

The qualities which helped Joshua to victory were emphasized: first he knew his own weakness. Then he was strong in obedience to God's command: "this book of the law shall not depart out of thy mouth." A Scottish Cavalryman now on service was quoted: "Every time I use this sword of steel it grows the blunter; but every time I use this Sword of the Spirit, (pointing to his Testament) it grows the sharper."

Again, Joshua was strong in moral courage. Moral battles on the part of our soldiers in the service require as much heroism as do the physical struggles in which they participate, and we, at home, must have this same spirit of moral courage.

He was strong in his faith in God. He believeth that God meant it when He said, "Every place that the sole of your foot shall tread that have I given you." And believing God he was willing to go up and possess the land, even though the difficulties that were in the way seemed insurmountable.

In the closing part of the service extracts were read from Alex's letters to his parents and friends in which he had clearly stated his position in reference to the faith of the Lord Jesus Christ, in which he expressed his determination to be true to his divine Captain as well as to be true to the cause of his Earthly King.

His parents and friends were encouraged in the Minister's closing words to remember that while they suffered a loss in one sense, yet in another and a higher sense they are permitted to share also in the joy of final victory, since he also has "Fought a good fight," and has now been promoted to the ranks of the Hosts in Glory. The male quartette sang a selection "The Beautiful Land," in the earlier part of the service, while Mr. Mistle contributed a very suitable solo, "Some Day" after the sermon.

Successful Garden Party

Aberdeen and neighborhood was the centre of interest for miles around on Friday evening last. The night was a little chilly, but hearts were warm, provision was ample for the inner man, and the Red Cross cause was worthy, so "they" came in large numbers, bringing a gate of \$85 and proceeds from all sources amounting up to \$165.00.

There was a long program, but Mr. Jno. A. Graham was in charge and it was gone through with without a hitch. Speeches were given by two returned soldiers, Major Nelson and Lieut. Pinkerton, who were in the battle of the Somme and they made vivid the story of that inferno. They intend returning before long. Speeches were also given by Dr. Jamieson, M. P. P. and by Messrs Don. McLean and J. Rowland from Walkerton, friends of Miss McGarrity, the teacher, who herself added to the program some appropriate remarks. Mr. Rowland was strong on conscription and all the speeches had a patriotic ring.

Of music, vocal and instrumental there was a fine supply. Mr. Allan Bell gave a solo and the Durham Methodist quartette gave freely of their talent. A treat of the evening was the performance on violin and piccolo respectively by Messrs R. Lawson and F. Runciman, and altogether there wasn't a dull minute though 12 o'clock was reached and more before it was ended.

He had also 10 years experience as a Model School teacher and personally and professionally his qualifications seem to be ideal for the position of Inspector.

The White Elephant Sale held last Saturday by the Red Cross Society, netted about \$60. It was so termed because citizen donated articles of any kind of value, they had no special need of, -chairs, bric-a-brac, birds, etc., hence called "white elephants." Mrs. Dr. Jamieson learned of the idea in Toronto, and was largely instrumental in promoting the sale, successfully here.

TOMMY By Joseph Hocking This, our new serial story, is one of the very best written on the present war. The first instalment will appear in an early issue. You'll like Tommy; it is a strong, soul-stirring tale of the great world war that everyone in the family will enjoy. The hero is a Lancashire lad. He didn't want to go to war-not at first. "Let 'em as wants to fight the Germans fight 'em" said Tommy. Then one day he heard the cry of suffering Belgium; he heard the call of his own motherland-he gave up the best job he ever had and enlisted. He went to France; he fought a good fight-against himself as well as the enemy; he won the D.C.M. and-the best girl in the world. A splendid story splendidly told. Watch for the first instalment.
