DECLINED \$7,500 SALARY

MR. JOHN G. KENT, a man of wealth and extensive business interests, who has refused to accept ing cu vert 5 39 any remuneration whatever for his services as General Manager of the Canadian National Exhibition, preferring to serve the public free of charge. He is President of the Tothe work. He was President in 1912-13, the two best years in the history of the institution. Mr. Kent is head of the Boy Scouts in Toronto and is identified with many philanthropic enterprises. Long and continued illness has compelled Dr. Orr, Manager since 1903, to seek a long rest.

PRICEVILLE AND LIMITS

Intended for last week.

Notwithstanding the preciousness of 4 75 time it passes along without taking any heed or regard to the circumstances of the human race. Time is like an everflowing stream by being continuously moving on swiftly. The aged pilgrim looks backward to the 4 00 days of his youth and activity and he 2 00 wonders where the intervening years went since he was in the prime of life discuss all the prosperities and adver-20 00 sities that he has experienced in three or four score years. Yes he is now 1 00 beginning to lose his memory, the 4 00 power of speech is also getting defective, the sight is getting dim, the once firm step is now getting slow and feeble and now he wonders what's the matter. We heard an old lady some years ago who passed the four score 6 50 and ten making the remark that she didn't know in the world what was the 3 83 matter with her feet as they were los-60 ing their power. We told her did she 00 ever consider the weight they were 1 50 carrying four score and ten years 2 50 Oh she never thought of that. So in general the majority of the aged never takes into consideration the burden of carrying so many years on their feeble

placing culvert..... 3 00 But we look at the joung lads who 60 so netimes don't want to carry their fest one mile without taking a ho se and top buggy or an automobile as they are more numerous now-r-lays than buggies, while the aged vit ran prefers using the old fashioned conveyance, his feet and sometimes he never complains of being too tired.

> In the early history of this part o the country before there were any railroads, buggies or automobiles, the early settlers used to go down to the older part of the settlement at having time and harvest time and foot the Way some 80 and 100 miles carrying a or write big valise, or as they called it their "portmanteau" and after arriving go to the hay field and give him an old rusty scythe as his mower, irrespective of taking any notice of his tired bones after walking so far, but times have changed since and there is no need of a further discussion in enumerating he changes in 50 or 60 years in the
