

GERMAN PICKED TROOPS MOWN DOWN IN ASSAULTS ON FRENCH

In Northern Belgium the British Engage in Artillery Duels With Enemy.

A despatch from London says: Apparently the Germans are intent on breaking the French line between Soissons and Rheims, having delivered another tremendous assault from north-east of Craonne to east of Hurbette. Into the fray were thrown picked troops, who were mown down everywhere, and the attack, like others that had preceded it, failed. Near St. Quentin, where for some time the situation has been calm, the Germans also delivered attacks on a front

of about a half-mile. Here they succeeded in penetrating French first-line positions, only to be expelled from them in a counter-attack.

There has been no diminution in the British losses in Northern Belgium, nor in the ceaseless small attacks the British have been making against German trenches for many days. Around Monchy-le-Prez these infant attacks have resulted in the British regaining all the ground they lost to the Germans east of Arras July 11.

BIG DEVELOPMENT IN JUNE TRADE

Returns For Month Show Increase in Exports and Imports.

A despatch from Ottawa, says:—The figures for June continue to show a remarkable development in both exports and imports. For June the total trade amounted to \$213,800,908, compared with \$162,035,400 in June, 1916. Exports for the past month totalled \$116,285,841, and imports \$97,515,067. During June there was exported \$3,725,324, as compared with \$4,347,307 in the corresponding month last year. The total trade for the first three months of the fiscal year was \$622,407,781, and for the same period last year \$431,626,215.

DRIED FRUIT SUPPLIED TO TEUTONS BY SWEDEN

A despatch from London says:—In the Prize Court the Attorney-General asked for the condemnation of some 1,800 tons of dried fruits from New York and San Francisco, seized on the steamers San Francisco and Pacific, consigned to the Swedish Victualing Commission, a Government department, but alleged to be intended for export to Germany.

Before the war, said the Attorney-General, the annual requirements of Sweden in these commodities was 6,000 tons, but in 1915 the imports had totalled 11,556 tons, while for the first half of 1916, 6,500 tons had been imported. Besides this, he added, Sweden had on hand before the war 11,000 tons of these fruits, yet in the summer of 1916 no dried fruits remained in Sweden. The inference was that guarantee not to re-export fruits had been systematically broken.

VON TIRPITZ RALLYING OPPOSITIONS OF PEACE.

A despatch from Copenhagen says: Admiral von Tirpitz has telegraphed an appeal to Ernst Bassermann, the national Liberal leader, who is now an invalid, to leave the sanatorium where he is under treatment and assist in the fight against the bloc resolution in the Reichstag, which will come up on Friday. The von Tirpitz message says:

"No passing food difficulties or war weariness must be allowed to soften the German people's determination and render possible a peace which would threaten the future of Germany and its working classes. The bulk of the national Liberals will probably vote against the non-annexationist resolution."

BRITISH BLOCKADE TROUBLES HOLLAND

A despatch from The Hague says:—The question of the new British danger zone has assumed a serious aspect so far as Dutch shipping is concerned. It is now obvious that unless the German Government is willing to change the so-called safety channel farther west, that is nearer the German coast, Dutch overseas shipping will be at a complete standstill, as in the case at present. The Dutch Government has approached Germany on this question, and is expecting an answer shortly.
