ABERDEEN

Haying is the order of the day at present and we are certainly getting the right kind of weather for it. The hay crop is equally as good as last year and in some instances better. Mrs J W McKechnie of Durham accompanied by Miss Armetta and Master George visited friends around here last week end. Mr George Miller has had the misfortune to lose three of his lambs and suspects it to be the work of a snipe dog. Heartiest congratulations to the successful pupils in our burg viz: Miss Jessie Clark from Form 2 to Form 3; Miss Mary Lamb from Form 1 to Form 2 and Peter McQuarris on his entrance to High School. Several families around here have started a pig ring in place of the usual beef ring. It is giving good satisfaction.
