"Scotland Utterly Charming"

The following is, in part, a letter received from Capt. H. B. McKinnon, R. F. C. on Monday of this week:

Dear Folks, It is two or three days since I wrote you this was in acknowledgment of five or six letters written about the middle of July on "the return of Neil." Since then I have had a 'Globe' and Star Weekly; I was very glad to get the Globe for it contained Clifford Sifton's letter, Mrs Buchanan's speech and a fine editorial.

As you will see from the address above I am still a sojourner in the land of Burns and Ayrshire cattle. My course in aerial gunnery at Turnberry finished yesterday (13th) and I have 36 hours leave so I just moved up here to the Brown's cottage to put in the time: I only wish I could stay longer. This village is only a mile from Turnberry and most beautifully situated. Last Saturday afternoon, which is free as we work all day on Sunday, three of us went to Ayr and had the great privilege of hearing a Scotch girl with a magnificent voice sing "Annie Laurie" right beside the Brig o' Doon. I shall never forget it and never regret the half day spent in what is, so far as I have seen, the prettiest town in Scotland. We visited all the Burns' show places, his natal cottage his monument, etc., and saw all the relics, such as a volume of poems in his own writing. Scotland is utterly charming in a sense I never previously dreamed of and I only await the day of my return when I shall make preparations for you both to revisit it.

This morning, Don Brown and I went to "The Maidens" station to see arrive an aunt of Aunt Sally. As the train pulled in, we saw a soldier laughing at us from a compartment and who was it but Hector Brown! He is fit again for service and is home on his final leave before being drafted once more. He is a fine boy but a trifle thin, his father thinks. There is a possibility of his going to Egypt as a draft for one is due to leave now. He and I will be together while I am here and he will leave on Saturday for his camp near Edinburgh. The joy of the folks at having him, is damped only by the fact that he is on last leave; his mother naturally feels it and will until he comes home again.

Today Don, Brown, Hector, Fiona and I tramped for a couple of miles along the rocky shore toward Dunure Castle. This shore is so rich in historical associations and so generously endowed by a lavish Nature that one seems to be in a small Paradise where the war and even the world are, for the time being, forgotten. Ahead of us all the time, Ailsa Craig lifts its rounded dome into the fleecy clouds, and beyond her lifts the shore of Arran and even, on a fine day, of Argyllshire across the Firth. The tower-like lighthouses gleam like marble shafts against the green of those everlasting hills and the ruins of ancient strongholds seem to mock the flux of time. Really, it is splendid, and I am delighted to have had a chance to see Ayrshire.

Do you know a J. Morrison Smith? He is stationed at Scampton, only 30 miles from me and is going to call on me sometime soon.

Had a letter from Don, ten days ago; not much except a prediction of early peace. Must go now. Best love to each Hector.

DURHAM, ONTARIO

Enter the Bread Making Contests at Rural School Fairs in Ontario

The Campbell Flour Mills Company's great offer of the big One-Hundred-and-Fifty-Dollar Prize photographs (Five of them) and other valuable prizes, for the best loaves of bread baked with Cream of the West flour, is stirring up tremendous interest all over Ontario.

Cream of the West Flour

the hard wheat flour that is guaranteed for bread

Every time you bake with it you find out new qualities in this flour that makes such splendid big loaves of delicious light bread. Practise!

In five districts, each comprising several counties, we will give away free to the winner of the first district prize a large cabinet phonograph. At each fair there will be given a fine list of local prizes.

Prizes Worth Trying Hard For

1st Local Prize.—"Girls' Own Annual," a great big beautifully bound, illustrated book with 800 pages of stories and articles about people, art, animals, gardens, sewing, crocheting—everything that particularly interests young girls, older girls and their mothers. This is a wonderful prize that you can treasure for years.

The District Prizes.—The winner of the first prize at each local fair automatically becomes a competitor for the following District prizes.

1st District Prize.—The "Pathophone" is the name given to the fine big mahogany phonograph we offer as first prize. It will give you endless pleasure and entertainment for a lifetime. It has special reproducer attachments and needles, enabling you to play all kinds of flat disc records of no matter what make. The Pathophone reproduces band music, orchestra music, songs and funny pieces perfect in tone. It comes with a dozen of the famous Patho-records. Total value, \$150.00.

2nd District Prize.—Set of Dickens' Works, 18 splendidly bound volumes with many illustrations, among them "David Copperfield," "Bleak House," "Great Expectations," "Oliver Twist" and "Old Curly Shop." These are two of the most entrancing stories ever written.

3rd, 4th, and 5th Prizes.—"Cannet" bread mixer. This simple, yet well-made machine, takes the hard work out of bread making. Instead of laborious kneading of the old method, you just put in the ingredients, turn the handle, and the dough is thoroughly and more evenly mixed.

Read Carefully Conditions of Contest

Every girl may compete at the rural school fair in her district, whether or not she attends school, providing that her 12th birthday occurs before November 1st, 1917. The loaf of bread must be submitted baked in pan about 7 1/2 inches and 3 inches deep. The loaf is to be weighed, so that they may be separated at the fair. The loaf must be baked with Cream of the West Flour. One-half will be judged at the fair. The other half of the prize loaf will be sent to Ontario Agricultural College, Winnipeg, to compete in the District Contests. The judging will be done by Miss M. A. Purdy, of the Department of Home-making and Flour Testing. The local contest at the fair will be conducted under the same rules as all the other regular contests at your fairs.

District No. 1.—Counties of Glengarry, Stormont, Dundas, Grenville, Leeds, Frontenac, Lennox and Addington, Carleton, Lanark, Renfrew.

District No. 2.—Counties of Hastings, Prince Edward, Peterboro, Northumberland, Victoria, Durham.

District No. 3.—Counties of York, Ontario, Peel, Halton, Wentworth, Oxford, Brant, Waterloo (with a few farms in Wellington and Perth).

District No. 4.—Counties of Welland, Hamilton, Norfolk, Elgin, Kent, Essex, Lambton, Middlesex (with a few farms in Huron and Lincoln).

District No. 5.—Counties of Bruce, Grey, Dufferin, Simcoe, Districts of Muskoka, Parry Sound, Timiskaming, Algoma, Manitowish.

THE RESULTS of the contests at the fair will be made known in the usual way as in the case of all the other regular contests. The District results will be announced as soon as possible after the conclusion of the Rural School Fairs in the Province.

DO NOT MISS THIS GREAT OPPORTUNITY: Every girl between 12 and 18 years should compete. What a splendid way to stir up increased interest in breadmaking! Get a supply of Cream of the West Flour at your dealers and practise using it as often as possible to increase the chances of winning. If your dealer cannot sell it to you, write to the Campbell Flour Mills Co., Ltd., Toronto, and we will promptly tell you the nearest place to get it.

NO COMPETITIONS IN COUNTRIES NAMED BELOW: The competition is open to all parts of the Province where Rural School Fairs are held, except the Districts of Rainy River, Kenora and Thunder Bay. These districts are the only parts of the Province where school fairs are held by the Dept. of Agriculture in which this competition will not be a feature. There are no district-representatives of the Department of Agriculture in the Counties of Sudbury, Huron, Perth, Wellington, Haliburton, Prescott, Russell or Lincoln, and no rural school fairs are held in these Counties by the Dept. of Agriculture. There are, however, a few fairs held by local schools in Wellington, Perth, Huron and Lincoln, and these are included in the competition.
