

GEN. CADORNA ROUTS AUSTRIANS AND CAPTURES PLATEAU

Throw Fourteen Bridges Across the Isonzo River During Battle — Tolmino Line Threatened.

A despatch from Washington says:—The Italian Embassy's official advice regarding the progress of the Italian offensive against the Austrians indicate that the success of the forces of General Cadorna and Capello, in capturing the Bainsizza Plateau, is an important military gain that is threatening the entire group of Tolmino defenses. The advice indicate that in this offensive, the Italian Commander-in-chief, General Cadorna, in his efforts to baffle and confuse the Austrians, has not only routed their forces as the Austrians have advanced, but left the Austrians in greatest doubt as to the Italian objective, whether Trieste or Laibach, or both these important points.

Italian military experts here assert that, with sufficient guns and munitions, the Italian forces under Cadorna will win a complete victory over the Austrians on that front. The Italian offensive has won the admiration of military officers in Washington, those of the foreign war missions as well as American officers, and it is

admitted on all hands that this offensive has vastly increased the power and influence of Italy in Entente war councils. The official despatch received by the Italian Embassy, describing the progress of the offensive, and particularly the battle of Bainsizza, was as follows:—

"The Bainsizza Plateau is 600 metres between the Isonzo and Chiapovano Valleys. The plateau measures 10 by 15 miles. It was attacked by the second Italian army, which crossed the Isonzo River, using fourteen bridges during the battle. On the western side of the plateau the Italian troops overcame the first line of the Austrian advance, and then, while a part of the Italian army was fighting north side to make a flank attack, the other part was advancing around the result was the fall of the whole system of defenses of the plateau and quick withdrawal of the enemy, followed by the Italian army, crossing the Chiapovano Valley.

26,653 CANADIANS ARE NOW IN HOSPITAL.

A despatch from Ottawa says: Of the boys whom Canada has sent to the Canadian military hospitals for treatment and re-education, according to the last report of the Military Hospitals Commission, dated August 15. Of these 7,046 are in convalescent homes and 1,115 are tuberculosis cases in the sanitarium provided by the Military Hospitals Commission for their treatment. The remaining 679 are chiefly in general hospitals. The increase in the total population of the various hospitals over last week is only 29.

The latest returns from the Director of Medical Services in London indicate that on August 18 the Canadian soldiers being cared for in the hospitals and sanitarium in the United Kingdom were 17,813.

NONAGENARIAN HEADS A CREW OF BOYS.

A despatch from an Atlantic port says: A British schooner, in command of a skipper 97 years old, and with a crew composed of youngsters under the military draft age, is on her way to this port. The skipper, Captain James Moore, of Parrsboro, N.S., retired from active sea service some years ago, but because of the pressing demand for mariners, he recently notified the owners of the vessel that he was ready to take her out. A captain was needed, so he went to sea again, probably the oldest master of a ship on active duty to-day.

TO CONTROL PROVISIONS IN BRITAIN.

A despatch from London says: Lord Rhondda, the Food Controller, has decided to take over gradually control of the entire provision trade in the British Isles. The vital consideration in the regulation of prices of provisions is control of imports, and Lord Rhondda is in constant touch with the American Food Control Department on this subject. It is stated that the two Governments are working in entire harmony to secure a reduction in the prices of commodities coming from the United States.

RUSS DIVISION QUILTS TRENCHES.

A despatch from Petrograd says: A Russian division on Tuesday abandoned its positions in the region of Fokshani on the Rumanian front and fled in disorder, the War Office announces. The statement says that the enemy continued to advance all Tuesday on the southern Rumanian front, reaching the line Trechty-Deus-Varnitza-Filoneshti-Chylianitchi. In the night Russian positions in the region of Varnitza were penetrated.
