SHEEP LOST.—About 10th October, from Lot 13, Con 2, T. of Egremont, two sheep with black point on face. Suitable reward for recovery. L. E. Allan, R. R. No. 1, Varney.

A disabled aeroplane, which came to grief near Cargill, reached town Saturday on a motor truck sent from Camp Borden. A truck sent several days before broke down and was brought to the Ford Garage here for repairs. It was also towed back by the second truck, leaving here Monday at noon.

Was Wounded.—Word reached relatives here on Saturday that Pte. W. N. Whitmore was seriously wounded in the recent drive in France. A gunshot wound in the thigh was the casualty and he is now in the 4th Casualty Clearing station. We hope favorable news of Nassau will soon come.

Mr J. D. Abraham having disposed of his stock leaves this week for California, where he hopes to spend a few months and have a rest. Mr Abraham did business in Warton for about 18 months and lived up to his claim, "fair and square." He had most excellent business ability and everyone who had any business transactions with him found him a gentleman in every respect.—Warton Echo.

ALEX TURNBULL, D. C. M.

We are pleased to congratulate Pte. Alex Turnbull, son of Mr. and Mrs. John Turnbull, formerly of Doroch, who for his bravery in saving a wounded officer at the risk of his own life, has been awarded a Distinguished Conduct Medal. We have only meagre details but man to man Alex faced the murdering German and killed him. He went to school here a few years ago. He has been made a Lieut. Colonel.

YOUR LABEL

We have gone carefully over our mailing list, making all necessary changes and should there happen to be an omission of any kind, we would like our attention called to it at once. We are much pleased at the hearty way our subscribers are accepting the \$1.50 rate, recognizing as they do, that it was inevitable owing to the increased cost of production.

\$1.25 will be accepted until 17th of November for 1918 subs., and \$1 per year for 1917 subs. or previous years. We hope many will take advantage of it.

THE PUBLISHERS.

The Public School will hold a Patriotic Concert in the Town Hall, Friday, Dec. 14th. Proceeds go to the Y. M. C. A. at the front. Come and help and keep that night clear.

A fire escape has been built on the west side of the town hall, a door being cut out at the foot of the stage upstairs. The cost was \$225 but it was greatly needed and the old hall is no longer a fire trap.

The collectors for the British Red Cross have gathered about \$1200 in respect the list of donors will be published later. At Monday's council Mayor Laidlaw brought up the question of a town grant, but as Reeve Caldwell who was instrumental in organizing the same, explained that subscriptions were given with the understanding there would be no further levy by taxation, the matter was dropped.

The Baptist Young People will hold a sale of home made baking on Saturday, Nov. 17, in the room behind the Standard Bank. Light refreshments will also be served.

Three more boys from this vicinity are reported wounded. Mr and Mrs T. McAllister learned Monday that their son Pte. Walter was wounded in the thigh, his second casualty. Sgt. Clarence Darling who also enlisted here in the 147th and F. J. P. McKerton, Priceville appear as well in the lists of wounded. Two gallant 147th officers Major Eaton and Capt Campbell of Owen Sound, the latter born in Durham, were last week killed in action.

GRATEFUL FOR NEWS.—We have received grateful letters from the parents and sister of Pte. W. McReynolds, one of the three Grey County boys, whose graves are recorded in a recent letter in The Review. The letter was copied in the Owen Sound Sun where it came under the notice of the mourners. Both were glad to get had a grave and that kindly hands had given him burial, for they had had no word but the bad telegram telling of his death. Mr and Mrs McReynolds live near Silcote in North Grey, the sister in Owen Sound.

Obituary.

JOHN ROBERTSON
 It is our sad duty this week to report the death of the above gentleman at the home of his sister in Ottawa. We have not learned particulars, but the state of anxiety when he left Durham gave himself since he had the stroke of paralysis over a year ago.

Mr Robertson was a son of the late John Robertson, one of the early tailors of Durham. Deceased was also a tailor, in company with his brother Archie carried on the business here. He was a man of great intelligence, and well-versed in current events, of a warm and generous nature and a firm and true friend.

He leaves as chief mourners his two sisters in Ottawa, Mrs. Marshall and Miss Annie Robertson, his brother Archie, from whom he was rarely separated and two brothers in the West, Alexander and Robert.

Interment will take place on Friday to Durham cemetery, from the home of Mrs. Park. Service at 2 p. m.

MATTHEW K. RICHARDSON

On Monday last at his home in Flesherton, there passed away one of the best known men in S. Grey, M. K. Richardson at the age of 76 years. For the past four years he occupied the position of Registrar for South Grey and thus his duties brought him nearer to Durham people, who learned to love and respect him the more he became known.

He was a native of England, possessed of a good education, and a cultured habit of mind much above the average. He had good platform ability and was always in demand at Teachers' Conventions or similar gatherings. In 1900, the Conservative party in South Grey selected him as their candidate and won the election against the veteran Dr. Landers. He served for four years and retired in 1904. The Conservative choice falling on Mr. Chas. McKinnon.

Over 50 years ago he opened up a general store in Flesherton which grew into an entered municipal life and won positions in Township and County Councils. He was prominent in Methodist circles, occasionally occupying the pulpit, and in every phase of cultured social life or moral uplift he was to be found.

He leaves to cherish his memory one son, Dr. E. K. Richardson, and four daughters, Mrs. J. B. Lucas, Mrs. (Dr) Webster, Dean of Dental College, Toronto; Mrs. Frank Tate, Palmerston, and Miss Maude at the family home.

Interment is taking place to-day Wednesday, to Flesherton cemetery. A general interment and more will pass before M. K. Richardson is forgotten in E. Grey.

SAMUEL WRIGHT

A well-known former resident of Durham passed over to the majority on Sunday last at his home in Kincardine, Mr Samuel Wright. He had reached the advanced age of 83 years. He was born at Preston, Rutland, England and came to this country at the age of 15 years and for some years lived near Toronto. Here he was married and a large family was born to them, of whom seven survive. Five children have passed away, two of them in infancy. His wife died 17 years ago and since this separation he has been tenderly cared for by his daughter Hepzie and in the home of his daughter, Mrs. Caldwell in Kincardine. Two other daughters are Mrs. Bryon, Durham and Mrs. Nelson, Toronto. The sons are Sam at Listowel, John in Proton, William in Kincardine.

All were privileged to be at the funeral on Tuesday. The remains came on morning train and were taken to Trinity Church, where he used to worship. At 1.30 p. m. a service was held conducted by Rev. Mr. Dymond, Rev. Thos. Farr, an old friend of the family, preaching an appropriate sermon, and referring to the many qualities of the deceased as he had known him in earlier days.

Deceased was an expert brickmaker, and made brick by hand over 60 years ago at the Black Creek yard near Toronto. Later he came to Durham, the first brickmaker here, operating somewhere in the locality of the Cement Works. He ultimately brought his family to Durham and established the well-known brick yard near Durham Cemetery. He left Durham about 15 years ago and made brick in Walkerton, Hanover and other places before retiring to Kincardine.

Mr Wright was a member of the I. O. F. and lived to enjoy all its pre-mortuary benefits. The pall-bearers were six of his former brethren: Geo. Meikle, Wm. Moffat, R. Torry, A. D. Browning, John W. McKechnie, C. Ramage.

The Red Triangle
 The lecture by Capt. Best last night on Y. M. C. A. work on the battlefield, was an admirable one. It was a vivid portrayal of the sacrifice made by our soldiers, and the insignificant sacrifice of those who we make at home. The word pictures drew in his "spirit trip" from Canada, the dangers of the ocean, the state of England the safety of the Channel, the ruined cities and towns of France, the trenches, the dug-outs, and huts and service of the Y. M. C. A. in the hour of the soldier's need will long remain in memory. The twin sisters, the Red Cross and the Red Triangle, are worthy of all help, and we regret space will not allow a longer notice. However words are not needed now: its actions that count.

The Victory Loan
 Our readers of late have been approached from many angles to impress them with the necessity of helping along the Victory Loan that is to be launched this month. The way to help the Victory Loan is to invest in it and by so doing the investor is helping himself while he helps the country. The rate of interest will be 5 1/2 per cent, the smallest bond size will be \$50.00, which should bring many small investors, which is the aim of the government. The security is the best. Everyone should plan to take one or more Victory Bonds. Canada needs the money—what will the answer be? Read ad on this page.

What Will Canada's Answer Be?

OVER in the sodden trenches amid the bursting shells and the roar of artillery where Canada's boys are fighting and dying.
 —they are waiting for Canada's answer when the sale of Victory Bonds begins.

CANADA'S soldiers expect that we at home will put up the millions they need to keep on fighting,
 —the millions they must have to win Victory for freedom, home and Canada.

What answer will Canada make?
 Shall it be said that Canada spares not her sons from the sacrifice of battle, yet withholds her dollars to give them victory?

Rather will it be said that Canada once more, for the fourth time in three years, cheerfully puts up her millions upon millions for the cause of freedom, righteousness and justice.
 Canada's answer must be,

—that the Canadian hand to the plow of Victory holds steadfast and firm.
 —that Canada is in deadly earnest when she says the "last man and the last dollar."
 That is the answer Canada will give to our boys in the trenches, our kinsmen in Britain, and our Allies everywhere.
 That is the answer we will give to the Huns who thought and said that Canada would desert the Empire before she would fight or pay.
 Every bond you buy is an answer. Let the millions of answers from Canada's loyal men and women make a chorus of Victory to ring around the world.
