

PRICEVILLE AND VICINITY

PRICEVILLE AND LIMITS

Wonderful is the ingenuity of man... Wonderful is the ingenuity of man last Sunday after coming from church...

The upper part of this budget was intended for last week but didn't get to finish so here as Auctioneer McPail says she goes.

Mr Malcolm Sinclair of Egremont attended Gaelic service in the Presbyterian Church last Sunday.

Private Hector McDonald of the 193 Canadian Buffs writing home from London, England, said he was on a few days' outing with others from his Camp, Wilby Camp; he sends his sincerest thanks to the kind ladies of Priceville for sending a large box of good things to appease the appetite.

The funeral of Miss McInnes of Toronto was fairly well attended from the Glen Station. The inclemency of the weather kept a good many from being there and other matters such as threatening. We extend our condolence to Mr McInnes and sisters for the loss of a dutiful sister.

Nov 4th, 1917. A beautiful morning is this. What they called Indian it's a pleasure to get beautiful days these times.

At a special meeting of Owen Sound library board the resignation of Miss Nellie Barnstein as assistant librarian was received and accepted.

Miss Myra McLean, a Priceville gold medalist graduate of O. S. Collegiate Institute, was appointed to the position.

HOPEVILLE

Fine weather is ours at last. Turnip lifting is the order of the day.

New England young people met at the manse Thursday evening and presented Mr and Mrs Wood with a purse and address, and on Friday evening Bethany young people met and also presented them with a purse and address previous to their departure to their new home at Clinton.

Rev L. J. Long, Toronto will preach in Bethany chapel next Sunday, 11th, at 3 and 7:30 p. m.

Piper Jno Gilliespie and his sister, Cedarville visited friends in the village Sunday.

The R. S. C. concert in the hall on Wednesday evening was very successful, considering the state of the roads. Many were present from a distance and an enjoyable evening was spent.

Mr J. Watt's sale was very successful with an ideal fall day. Mrs Watt was down from Durham for a few days, returning Saturday with Mr Watt.

We welcome Mr Kerr and family from Milverton to our midst having purchased the McWilliam property.

Miss Sadie Harvey went to Hamilton Wednesday last and Miss E. S. Armstrong to Toronto Tuesday.

Miss Louisa Smit spent Halloween with her brother in Toronto.

Mr Jas Sturriek returned from his western trip last Wednesday.

Pay Will Be The Same

Men selected under the Military Service Act will receive the same pay as those now on active service receive. Pay will start from the time a man reports for duty. Money from the Patriotic Fund and Separation Allowance will also be available for selected men.

Canadian soldiers are well paid. The fact that wages in Canada are generally higher than those paid in Europe is recognized in the system of remuneration for men on active service. Clothing and all equipment in addition to food is also supplied to the Canadian soldier, leaving him with no expense except personal incidentals.

The rate of pay for men in the Canadian Expeditionary Force, other than commissioned officers, is as follows:

Table with 3 columns: Rank, Pay, Allowance. Rows include Warrant Officers, Regimental Sergeant-Major, Quartermaster-Sergeants, Orderly Room Sergeants, Pay Sergeants, Squad, Batt., or Co. Sergt-Major, Colour-Sergeant or Staff-Sergeant, Lance-Sergeants, Sergeants, Lance-Corporals, Corporals, Bombardiers, or Second Corporals, Trumpeters, Buglers, and Drummers, Privates, Gunners, Drivers, Sappers, Batmen, etc.

As in the case of those already gone overseas, Separation Allowances will be available for those dependent for livelihood upon selected men. The Separation Allowance is \$20.00 per month for the rank and file, \$25.00 for sergeants and staff-sergeants and \$30.00 for warrant officers. The experience is that many men can afford to assign half their pay to dependents, in addition.

A considerable number of men who have enlisted in the Canadian forces have found themselves better off under the army rate of pay, which is granted in addition to board, lodging, clothing, equipment, transportation, etc., than they were while in civilian positions. Their wants are provided for, and they receive a steady addition to the bank account each month.

Issued by The Military Service Council.

AT 60 ENJOYING PERFECT HEALTH

By the time a man or woman is 60, the kidneys and bladder need a little help to keep them in good working order.

Rheumatism and backache so often accompany the later years of life, most people have an idea health and vigor cannot be expected much after the fiftieth year.

As a matter of fact there is no basis for these fears, we could show a number of letters proving our contention that if GIN PILLS are taken to keep the urine normal, prevent colds settling on the kidneys or bladder, and ward off Rheumatic attacks, almost everyone can enjoy perfect health at this late period.

To quote from a letter received from a prominent Consulting Engineer of New York City—"Your remedy I find, at 60 years of age, to give perfect relief from the Kidney and Bladder troubles incident to one of my age."

Perhaps you know a man or woman whose life is made a torment by Rheumatism, Backache, Sciatica, or Swollen Joints. Don't let it continue, for GIN PILLS will surely bring that longed-for relief. You don't have to buy GIN PILLS to try them. Write for a free sample. Address The National Drug & Chemical Co. of Canada Limited, Toronto, or if you live in the United States write to Na-Dru-Co Inc., 202 Main St., Buffalo, N.Y.

Good-Bye to Rev Mr Wylie

A very large congregation assembled in the Baptist Church on Sunday evening to hear Rev Mr Wylie for the last time before his removal to Blenheim. There was a goodly sprinkling from other churches to hear the popular pastor and his references to the separation at the close were made with feeling.

His sermon was based on the closing verses of the epistle Jude. He said there were dark days in the past as well as now; infidelity and scepticism were great evils, hence the injunction of Jude "Build yourselves upon your most holy faith." Applying it to every day life he said we have nothing to do with the foundation of faith. God has done that and done it well; Christ is our firm foundation not a house built on the sands. He is the sole and soul foundation, nothing could harm it and we should take the things God has given us and build up on this. The Christian life was also an inspiration and as we seek Him with our hearts, Heaven responds.

The Attitude of the Christian then should be to set his soul in the light of God's loving countenance even as Paul set himself right with Christ on the road to Damascus even in his blindness. Keeping in touch with God may at first be a sacrifice but by and by strength will come and we will see the King in His glory.

He made feeling references to the boys at the front, who, while no doubt yearning for peace were yet doing their duty.

"Magic Date" is November 10th

Men of First Class Must All Report to Ca' on or Before that Date.

Ottawa, Nov. 5.—In Canada, no future date in the calendar looms more important to thousands of people than "November 10" next. That is the last day for reporting for service or sending in claims for exemption under the Military Service Act.

Severe penalties are provided for failure to report for service or send in a claim for exemption by November 10. Besides a term in jail, the offender loses his chance to appeal for exemption and is automatically drafted into the service after paying his penalty.

Since everything possible has been done to acquaint the first class called with the facts, that they must report for service or claim exemption by November 10 or else suffer severe penalties, very few if any laggards are expected to remain for rounding up after the "magic date."
