The Twelfth in Durham

With good weather there is the promise of an attractive day in Durham tomorrow with a big crowd to celebrate the "Glorious Twelfth." Quite a number of Lodges are expected and there is a fine day of sports planned for... The attractions will consist of races for good prizes, Military Drill by the Public School Cadets, music by Durham Band and also by the file and Drum bands, speeches by local clergy and others and not the least by any means will be the historic "walk." A grand concert will be held in the evening with splendid talent including Miss Mae Urquhart, and all net proceeds go to Red Cross.

Standard Bank closing its branch at Paisley, and will transfer the business over to the Royal Bank of Canada.

Congratulations to Mr Percy Barber, Normanby, who has passed his final exams in his commercial course at Mt. Forest Business College.

Lee-Corp Johnston Allen who is still at Seaford, England, writes home acknowledging the receipt of parcels from S. S. No. 9, Glenelg, and from Dr. Jamieson, M. P. P.

New High School Teacher.—The High School Board at a meeting last week selected from a number of applications a successor to Miss Cryderman. The choice fell on Mrs Laura Horne, of Windsor, whose qualifications and experience seemed to the Board very good. Mrs. Horne is a widow and we trust will prove a worthy successor to Miss Cryderman.

Mass Meeting, S. O. S. (Soldiers of the Soil)

The Presentation of the Official Bronze Medals to the soldiers of the soil, issued by the Dominion Government through the Canada Food Board, will be made by Hon. Dr. Jamieson, M.P.P., at a Mass Meeting to be held in the Town Hall, Durham, on Tuesday evening, July 16th, at 8.30 o'clock sharp. All boys between thirteen and nineteen inclusive actually working on the farm or other useful employment whether at home or specially engaged within ten miles of place of meeting are especially invited to be present and receive their medals. Games at 7.30. Addresses will be made by Hon. Dr. Jamieson, Prof. McCready, of Organization of Resources Committee, Toronto, and other prominent speakers. The public is cordially invited. A collection will be received to defray expenses, the surplus to be given to the local Red Cross Work.

Obituary

MISS ELLEN WATSON

Last Thursday a stroke of paralysis claimed as a victim Miss Ellen Watson, sister of Mr. Adam Watson, East Lambton St. and succumbed on Monday. For years she has been more or less invalid and had reached her 68th year. She was born in Glenelg and has always lived with her brother Adam. Another brother Peter is still in Glenelg, a brother James died some years ago. Their father, Peter Watson, long a memory, was very prominent in early Durham. The funeral took place Wednesday to Trinity Ch. cemetery. Her brother Peter and a friend, Mrs Fianigan, Hamilton, were at the funeral.

DAN McKECHNIE

Messrs George and John McKechnie, of Durham were advised by telegram last week that their brother Dan, of Taunton Mass, had died on the 30th June. Later word brought information that he was only five days ill with acute pneumonia, a letter from him a few days previous leaving him in good health.

PREPARED FOR AIRPLANES

At Owen Sound Council meeting, Mr John McQuaker brought in a resolution naming a committee whose business it will be to find a suitable place for a landing place for flyers, who will get busy very shortly in the matter. The rapid development of this means of transportation within even the past few months, has made this step imperative. A level field 500 or 600 feet square is required. Eventually a gas tank would be installed and an oil supply kept on the spot. Suitable markings would be placed where they could be easily seen from a long distance in the air and every facility given for the safety and convenience of aviators from the Borden camp and from other camps if it were known that a safe landing place was available. The military reserve at the north end of 6, 7 and 8th Aves. East, would make an ideal spot if it were levelled off.—Owen Sound Sun. Where will Durham's landing place be located? The fair grounds should be a suitable site.

Glennelg-Durham S. S. Association

The Annual meeting of Sunday School workers in Durham-Glenelg district will be held in Presbyterian Church, Durham, on Friday, 19th July inst. There will be two sessions, beginning at 2 and 7.30 p.m. respectively. Between sessions tea will be served to visiting delegates and friends. The program will be an interesting one, discussing topics that continually crop up in Sunday School experience. Mr John Taylor, President of the County Association, will be present and will conduct a round-table conference on some phase of S. S. work. Rev'ds. Dymond, McEwen and Whaley are on the program, and a number of other local workers. Mr John A. Graham is President. The sessions will be brightened with musical numbers by representatives of all the churches. Friday, 19th July.

Rakes Sprinkling Cans

Down in Windsor lightning fractured a woman's jaw. The next day during a thunder storm a man took his wife to the spot. But it wasn't any use. Lightning doesn't strike twice in the same place.

The Rt. Rev. the Bishop of Huron will conduct a Confirmation class in Trinity Church on Sunday morning next and will take the services, morning and evening in Durham and at St. Paul's, Egremont in the afternoon.

The chartered branch of the Red Cross Society will hold their annual meeting on Wednesday afternoon, July 17th at the Armory. All members are requested to be present for election of officers and other business.

KNOX ANNIVERSARY.—This Annual event is staged for Sunday and Monday, July 14th and 15th. Rev. Mr Scott, Holstein will conduct services on Sunday at 3 and 7.30 p. m. On Monday evening a popular entertainment will be held in the church at 8 p. m., when in addition to addresses by neighboring ministers and others, recitations, &c., there will be music by Durham Pres. Choir and musical artists from Ayton. Admission 25c and 15c. Come early, a good time assured.

ORANGE SERMON.—The Baptist Church, schoolroom and all, was crowded Sunday morning last when about 125 Orangemen attended in a body as is customary before the 12th. Six Lodges were represented: N. Egremont, Varney, Allan Park, Hanover, Holstein, Durham. Rev. Mr McEwen took his text from Joshua, 7:20 "The sword of the Lord and of Gideon," and he showed with much force how God could take weak things of life and make them powerful. Gideon alone was weak but God with Gideon formed a winning combination, so it would be in regard to winning this war: when statesmen and Generals linked themselves with God as superior partner victory would follow. He had praise for the Constitution of the Orange Society, especially for its adherence to the bible and all that that meant. Orangemen, like Gideon may have their shortcomings, but like him, should be true to their connections. Gideon was ready to sacrifice himself in delivering Israel from the Midianites, and sacrifice was demanded of everyone in this crisis. Orangemen should not or would not be found wanting.

PRUDIGY GASOLINE SHORTAGE

Although at the present time the gasoline supply throughout western Ontario is sufficient to meet ordinary demands, garage men and oil dealers of Windsor agree that before the year is out a real shortage will be experienced. Tank cans which have been conveying oil to all parts of the country, and a majority of which are owned by American railroads, are being rapidly called in by the United States railroad administration, as they are needed to carry fuel to the seaboard, and this will mean that many interior points far from the main arteries of railroad travel will be left without facilities for obtaining gasoline.
