To avoid running over a lady at the Middaugh House crossing on Monday, John Wanamaker steered the hydro electric car towards the hotel, and before he could apply the brakes effectively, had struck the north wall where the end of front spring smashed several bricks. No other damage was done.

The anniversary of Durham Presbyterian Church will be held on Sunday and Monday, 28th and 30th inst., when Rev Mr Nichol, of Kastow, will preach at both services and will give a lecture at the entertainment on Monday night entitled "Getting your Back to the Wall." Special music in solo, duett, and quartette work will be rendered. Admission Monday evening 25c and 15c. Proceeds for Red Cross work.

A large crowd of the Saugeen Red Cross Workers met at the home of Mrs N. Melosh on Sept 17th. 2 day shirts, 12 personal property bags were made. 12 towels were hemmed, 1 pair of socks started, 1 quilt quilted and 3 boxes filled. Collection amounted to \$4.00 and \$2.50 extra was given for postage on the boxes. The next meeting will be held at Mrs G. Boyd's, Oct 1st. There is to be no more boxes until Nov. 1st when all boxes are to be filled so the boys will get them for Xmas.

No fewer than three silos have been erected this last few weeks showing gratifying progress in the district and the increasing utilization of a corn crop. The parties thus treating themselves are Messrs Chas. Mortley, Arch. Park, and Wm. Lawrence, the latter two just east of town. The erector was Mr Ressor, of the Lister Co. of Brantford. They are built of grooved lumber, treated by hydraulic pressure with some substance to withstand the weather and make them air and water tight. Iron hoops or bands bind the whole.

WEDDED IN GUELPH.—We wish many happy days to a well-known Durham young couple who joined heart and hand in Guelph last Wednesday. The Mercury says: "A quiet and pretty wedding was solemnized at St George's church when Miss Sadie Bailey, daughter of Mrs John Pust of Durham, was united in matrimony to Mr Horace Elvidge, assistant operator on the G T R at Durham. Rev G. F. Scovil, rector, officiated. The bride was formerly employed at the store of Alex Stewart and will be remembled by a wide circle of friends. After the ceremony the happy couple left on a short honeymoon to Toronto and points east. They returned to Durham Tuesday night and will take up residence in M. Kress' house now occupied by Mr W. Johnston.

Now OUT OF DANGER.—Mr Thomas C. McGivern recently received a letter from the chaplain of the Hospital at Boulogne where his son Wm. lies wounded. In it he says: "Your son wished me to let you know that he was wounded on August 28 through the right eye, and has sustained a fracture of the skull. I am sorry to say his condition is somewhat serious, but we hope that before long he will be well on the road towards recovery. I can assure you he is in splendid hands here and has everything that skill and care can provide. As his chaplain it will be my joy to do whatever possible for him." Percival M. Desires Chaplain." A later cable received Tuesday and dated Sept. 21, brings the reassuring news that Will's condition is no longer serious. His present address is "838549, Pte W. J. McGivern, 4th C.M.R. El Ward, No 83 General Hospital, Boulogne Base, B. E. F., France."

Roy Calder Killed in Action

This morning Mr and Mrs Wm. Calder received the fatal telegram announcing the death in action of their only and well-beloved son Roy. He enlisted in the artillery, in Dec. 1915, went to England in Feb. 1916, and in a short time went to France and has seen two years fighting. We published a cheery letter of his two weeks ago, and now we record his death. The fine stout young man, early answered the call of his country and now has made the great sacrifice. The parents and sister Marion, also his cousin, Melvin Greig who resides with them, will have the sympathy of the whole community, in their profound grief.

The monthly meeting of the Women's Institute will be held at Mrs F. Irwin's on Thursday, October 3rd, at 2.30 p.m. All ladies given a cordial welcome.

The ladies of Glenelg Centre Red Cross Society wish to extend their thanks to the Buinessess Football Club for a donation of \$35, being half the Picnic proceeds to come and bring your friends.

E. McMillan, Secy.

A notice appearing in Review last week was in error, when Mr Will McGowan's name was mentioned as a contributor to the Navy League Fund. This should have read "Rob Roy Mills," it being the firm's contribution.

Women's Institute Hold Annual Convention at Hanover

The annual County Convention of the Women's Institute was held last Wednesday afternoon and evening in the Town Hall at Hanover, about 150 delegates and officers being in attendance.

There are in the County 45 branches, made up of 1200 members.

Last year the County raised \$13,000 for patriotic purposes.

Owen Sound Hospital and Children's Shelter and knit 10,000 pairs of socks, also made 5000 garments which included everything that would tend to our soldiers' comfort.

The election of officers for ensuing year resulted as follows:

Mrs Dr. Easton, Ayton, President;

Mrs B. J. Long, Meaford, Vice President;

Mrs Jas Gardner, O. Sound, Secy. Treas.

There were several splendid papers of which are worthy of special mention. That read by Mrs Rogers of Holstein "The Salvage of War" which we are publishing next week was particularly practical and also a paper on "The Bright Side of Life" by Mrs Downs of East Grey.

Mrs Easton gave an excellent talk on the conservation of human life.

The victorious nation after the war will be decided by the strength of its men and women, physically and morally.

Mrs Easton's address was a splendid preface for the one following it, given by Miss Sutherland of the Women's Institute Dept., Toronto. Miss Sutherland went on to say that human life conservation will be most materially aided by medical inspection in the schools. Many were the points in her favor she brought out. Miss Sutherland touched upon many things that concern the needs of the day and how to assist them.

Amongst the various resolutions was one brought in that the County Women's Institute appeal to the County Council for Aid in their Red Cross work and that Mrs Taylor of Annan, Mrs Hawkins of East Grey and Mrs Easton be a delegation to interview the County. Another was that Institute workers as a county raise enough money to furnish 3 wards in some soldier's convalescent hospital.

Dr. Taylor presided at the evening meeting and in the course of his address after congratulating the Women's Institute for the work they had done and were doing, said that education alone will not sufficiently equip a person for life's work.

Character must be the foundation on which education will build to success.

The Germans with all their education were defective from point of character, hence the barbarities and atrocities of which they are guilty.

The town hall in Hanover is a very

pretty building, quite new and very nicely equipped within. A striking feature

was a print of the British flag on the wall. Above it were the words "It's our flag."

"Below 'Fight for it!'" Work for it!"

The whole meeting had a true patriotic ring. The Hanover Women's Institute entertained the visiting representatives at dinner served at the Queen's Hotel. The county convention for 1919 will be held in Flesherton.

Jubilee Celebration at Dromore

Large Congregations, Fine Addresses and Happy Memorable Days

No tapeline of past experience can measure the occasion that drew such large audiences to Amos Church, Dromore, on Sunday, Feb. 1916, and in a short time went to France and has seen two years fighting. We published a cheery letter of his two weeks ago, and now we record his death. The fine stout young man, early answered the call of his country and now has made the great sacrifice.

SUNDAY AFTERNOON,—CROZIER.

Never was there such a Communion service in Amos church as Mr. Crozier conducted. If the church was filled in the morning it was jammed in the afternoon. The supply of individual cups was inadequate and resort was made to the old way. Rev. Mr. Smith in introducing

spoke of the great and rare privilege that was theirs, in having with them their first minister Rev. Mr. Crozier.

Mr. Crozier read Romans chap. 5, with fine running comment, and took his text from verse 19 "As by one man's disobedience, many were made sinners, so by the obedience of one, shall many be made righteous."

He dwelt lucidly on the people's dependence on representative men, of the loss to the world by Adam's failure, to keep the covenant of works. The cause of his lapse was losing faith in God. That faith is restored in us by the operation of the covenant of grace, secured for us by one man (not two he was impressed) our Lord Jesus Christ, and we make an insuring mistake if we try to supplant the righteousness of that "one" man by our own patric rags.

THE COMMUNION.

In speaking before the tables he said,

many bad things had come down to us

from our ancestors, but this is one of the good things.

He reminded them that they were the present agents to hand the rite down through the generations.

"We are keeping up a monument, erected long ago : what Christ has done for us will never be forgotten while that monument stands."
