NOTICE TO SOLDIERS ON HARVEST LEAVE.

Attention is directed to a recent announcement published in the Press by the Military Service Branch, Department of Justice, regarding extensions to be granted to men EXEMPTED AS FARMERS.

It is pointed out that this DOES NOT IN ANY WAY AFFECT MEN WHO HAVE BEEN ORDERED BY THE REGISTRAR TO REPORT to Depot Battalions and who have thereafter received leave of absence from the Military Authorities.

Once a man has been ordered to report for duty by the Registrar he leaves the jurisdiction of the Registrar and comes under that of the Department of Militia and Defence, and is to be considered as a soldier. This applies to men of the 20 to 22 Class who have been ordered to report by the Registrar in virtue of the cancellation of exemptions by Order-in-Council of the 20th April last, as well as to those ordered to report in the usual way on refusal of claim for exemption, or on expiration

of exemption granted. All men, accordingly, who have been ordered to report, and are therefore SOLDIERS, and who have subsequently been granted harvest leave by the military authorities, MUST, NOTWITHSTANDING THE NOTICE ABOVE RE-FERRED TO, REPORT ON THE EXPIRATION OF THAT LEAVE, unless they are notified to the contrary by their Commanding Officer or by general notice published by the Department of Militia and Defence.
