 Hassan Neby, the Albanian who murdered Geo. Tucker at Weston last week was hanged in Toronto on Friday. The murdered man was a son of Henry Tucker and a nephew of Jas. Tucker of Egremont.
 It was a graceful thing for the electors of Glencel to return Mr Thos Turnbull to his old place in the township council while he was prostrated by severe illness. We are sure Mr Turnbull and his friends are deeply appreciative.
 It is not often that the police force is a source of revenue, but since the Ontario Temperance Act went upon the statute books, the Provincial Police Force has been more than able to make ends meet. The annual report of Superintendent Rogers for 1917-18 shows that while the expenses of the force were only \$57,886, the revenue secured by fines and fees amounted to \$78,890, a surplus of \$14,137. Of this total \$61,430 was paid in by luckless individuals unable to resign themselves to prohibition.
 WEEK OF PRAYER.—The Annual union of the churches for combined services is in progress this week. The meeting on Monday was held in Trinity church, Rev. Mr Whaley giving the address to a church nearly full. Tuesday evening the meeting was in the Baptist church, the address by Mr-Falkingham. Wednesday in the Methodist church, Rev. Mr. McEwen giving the address. Much interest is being shown and some desire for a second week.
 THE NEW RECTOR OF TRINITY.—A very generous welcome was accorded the new Rector of Trinity church, Rev. Mr. Hardy, by his congregations in Durham and Egremont on Sunday last. He is a young man, lately home from overseas, and just last week received his discharge. He has entered very cordially into the spirit of the "Week of Prayer" being held this week in all the churches and on Sunday evening based his discourse by way of preparation on our Saviour's action in Gethsemane, seeking strength in private prayer. He impressed very strongly the necessity if full good was to be got from public prayers, there must be in preparation, much of private or "Gethsemane" prayer.

Obituary.

MRS. HERB DUNSMOOR
 Death last week entered the home of Mr Herb Dunsmoor, Upper Town, Durham, and claimed two victims within 13 hours of each other. The wife and mother gave birth to a child about a week previous and on Thursday evening she passed away. Her eldest daughter aged nearly four years, was also ill and died Friday morning.
 Who, except those who have had a similar trial, can imagine the anguish that wrung the heart of husband and father to see the desire of his eyes removed at a stroke? The funeral took place on Saturday to Durham cemetery and as friends and neighbors viewed the unusual sight of mother and child in one casket, in an attitude both loving and life-like, it must have been a heart of stone that was not deeply moved. Two children remain under the father's care, the babe a week old who will be cared for by the mother's people in Hanover, and a boy of two years. Sincere sympathy is extended to the sorrowing husband in his very great bereavement and other relatives.
 Rev Mr. Whaley conducted the mortuary services in his usual impressive manner in-culcating strong faith in the midst of life's tribulations.
 Mrs Dunsmoor, was a Miss Mann, a member of a Hanover family, one sister being Mrs Heslop of Bentinck.

Death of Mrs Craddock

An intensely painful ending to a visit occurred in Durham on Tuesday. Mrs Craddock, Toronto came to town a week ago to visit her sister, Mrs John McKechnie. Either she acquired the germs of influenza on the way here, or soon after arrival, for she was taken seriously ill and the best medical skill and loving sisterly affection has failed to combat the disease, which terminated fatally on Tuesday evening. Her husband was sent for last week and remained to the end and has the sincere sympathy of the community in having to bear grief where pleasure was intended.
 Deceased was the youngest daughter of the late Duncan Campbell, long Clerk of Bentinck and Hanover and well-known to older Durhams. She and her husband experienced the grief of burying an only child some years ago.
 She is being interred to-day, Thursday, in the family plot at Hanover. Besides the husband there will mourn for the loved one a circle of brothers and sisters, one of these Mrs (Rev) Wetherall, Toronto is well-known here. Mrs Ball and Mrs Engel, Hanover and Mrs Dowks, Owen Sound are other sisters. One of her brothers is high up in American railroad circles.

Election Results in Town and Townships

Durham
 All eyes centred on the contest for Reeve, and, as was expected, it was a close race and Mr Catton is victor by 9 majority. This victory over the strongest municipal war horse in town is something to be proud of, and without in any way minimizing that victory it is worth noting that Mr Calder's large though losing vote shows that there is no overwhelming tendency in town to cast off old and tried men for new and younger blood. Mr Catton has experience and will make a good representative, both at the Council table and at the County capital.
 Congratulations to Mr Jas. Lloyd on heading the poll. It is a tribute not only to himself but to the recognition of the four members of his family who volunteered for the war. He has council experience as has Mr F. Lenahan who will be a strength to the new council. Messrs Murdoch and Firth are the only 1918 faces on the new Council and will have to champion the measures of that year should they be challenged. Two brand new councillors are Jas. A. McLachlan and D. C. Town, both young men and should have the ambition and the ability to serve their town well.
 We heard it remarked that this is the first council in many years that has not in its make-up a Laidlaw, or a Calder or a Hunter, so in a measure it is a break with the past. Let us hope the new council under Mayor George McKechnie, may emulate the virtues of the past avoiding their mistakes.
 The By-law granting exemption of general taxes to the Cement Co., carried by a majority of 99. However it had a close shave of carrying. Such a law it appears requires two-thirds of those voting to be in favor and two-thirds of 237 (the number voting) is 158, so strictly it was carried by 10 only.
 The number of spoiled or rejected ballots was surprisingly large: 15 in the north ward, 7 in the east, 16 in the west. Following is the vote in detail:

Glencel

The contest in Glencel resulted in a decisive victory for ex-reeve Thos. Nichol, who "came back" by a majority of 65. The four council members were given a new lease of life, and almost in the same order as last year: McInnes leading, Turnbull second.

Bentinck

Reeve Metcalf retained a reserve of strength that brought him back with the large majority of 143 over Mr Geo. Brown. Alex McDonald after two years in Council, captured the largest vote, with Herb Hunt in second place, closely followed by Hudson and Hewitson. Fischer having dropped, Hudson will be the only new member at the Council board, replacing Fred. Shewell, who had retired from municipal life.

Cards of Thanks

To the Ratepayers of Bentinck:
 I wish to thank you for the loyal support you have given me in the recent election, in placing me at the head of the poll, after two years at the Council Board. It will be my duty as in the past, to serve you in the best interests of the Township. Thanking you again, I am, Yours
 Alex. C. McDonald
 To the Electors of Glencel Township:
 Ladies and Gentlemen:
 From a sick bed I thank you most

PERQUISITION

Miss Inno Davidson of Mitchell, is spending a week at her cousin's, Mr T. G. Lauder's.
 Mrs Hopkins of Saskatoon, a daughter of the late James Carson, and a former well-known Durhamite, is visiting this week at Mr. Thos. Lauder's, Mr Hopkins is now away to France to view the grave of their son Grenville who fell at Passchendaele in October 1917. He was a promising young man of 21 who had just completed his university course before enlisting.
 Mrs Geo. Burnett and daughter Irma visited St. Mary's relatives for a week.
 Lieut. McElroy, recently returned from overseas, and Mrs McElroy who went to Ottawa to meet him are visiting her parents Mr and Mrs Thos. Allan and spent over Sunday at Mr J. D. Roberts, Holstein.
 Mr. Geo. Arrowsmith arrived back in the old town last Saturday from Saskatchewan and was warmly welcomed by many old friends. Mrs Arrowsmith accompanied him this winter but she is first spending a week with Toronto friends. They intend to take up residence in the property they purchased a couple years ago west of Ceylon village, and their furniture which was stored in town since they were residents, is being removed there this week. Mr Arrowsmith intends to spend the winter here at least among South Grey friends, but is yet undecided as to going West in the spring, where he has had a successful year, and has a tempting offer for the coming season.
 Messrs Howard McDougall, Frank McIlraith and Jack McGowan drove to Mt. Forest Tuesday to witness the hockey game there with Owen Sound, but to their disappointment found it postponed till Thursday night.
 Mr. Earl Ritchie is home from the West for the winter.
 Miss Jean Hotham, of Strassburg, Sask, spent the week end with her cousin, Miss Mary McIlraith
 Miss Mary Findlay has been visiting this week with town friends, leaving Wednesday to spend a week or so at her new home in Toronto. Her school at Aytos is closed at present on account of the flu epidemic there.
 Mrs. Ball and Mr. Geo. Stinson, who were visiting her parents, Mr. and Mrs. Chas Brown, returned on Wednesday to their home in Manitoba. Mrs. Stinson is remaining the winter with her mother, who is now somewhat improved in health.
 Mrs. Chas Brown who has been critically ill for some weeks back is at last accounts holding her own and we hope will soon be restored to normal health.

Annual Meeting

The annual meeting of the South Grey Agricultural Society will be held in the Public Library, Durham on Saturday, Jan 18th, 1919, at 1.30 p.m. to close up the business of the past year, elect directors for the present year and prepare plans for a better fall fair this year. We expect every member to be present and all others are invited. Come out and help to make the Society what it should be and worthy of the splendid district which it represents.
 W.M. CALDER, GEO. BINNIE, President Secy.

Durham Enters Senior Hockey Team

Some fast hockey is likely to be witnessed in Durham again this winter, after a lapse of several seasons from fast company. On Monday last Messrs Bert and Earl McDonald went to Hanover, to arrange a schedule for the Senior Northern League district of Chesley, Hanover and Durham. The schedule as drawn up reads:
 January 17 - Durham at Chesley.
 January 21 - Chesley at Hanover.
 January 24 - Hanover at Durham.
 January 28 - Hanover at Chesley.
 February 4 - Chesley at Durham.
 February 7 - Durham at Hanover.
 Rink manager Brown commenced Tuesday to make ice and expects to have a sheet in shape by the close of the week, after which the boys can get down to practice at once. Durham has Jim and Cam. McLachlan, Geo. Catton, Robt Saunders, Norman Zimmer, Frank Morlock, Horace and Eric Elvidge, Johnston Allen and several other comers, from which a team can be selected that will make its western rivals travel the limit. It is confidently hoped that clean, close hockey, of a calibre similar to that provided six or seven years ago, will be displayed, given such, the town and surrounding country will without doubt loyally support them.
 Durham is also endeavoring to secure a bye in the Junior Northern League.

Municipal Elections, 1919

To the Electors of Durham, Ladies and Gentlemen:
 Though in the contest for the Reeve-ship just over I have not the honor to be chosen as your representative, I feel it incumbent on my part to recognize the splendid work of my supporters in giving me, at least, such a respectable minority vote. I thank them all warmly. Those who opposed me from whatever cause, and voted against me, were quite within their rights and of course had the right to differ.
 It has ever been a pleasure to me to serve our town and to see it advance, whether in office or out of it, and I hope and believe there will still be progress in the future. No effort of mine as a citizen will be wanting to help along that progress.
 Yours very truly,
 WM. CALDER
