## A Christmas Wedding

LOVE—McCANNEL

The home of Mr John McCannel, Dromore, was the scene of a pretty wedding on Christmas Day, when his eldest sister, Jennie Florence became the bride of George Thomas Love, fifth son of the late Henry Love.

The ceremony was performed by the Rev. J. A. Matheson under an arch of evergreens, decorated with flags and Christmas bells.

At 12 o'clock noon, the bride entered on the arm of her father, Mr Douglas McCannel and was prettily dressed in white silk crepe de chene and georgette trimmed with pink rosettes. She wore a tulle veil and her bouquet was of white carnations and maiden hair fern and wore the groom's gift of a wrist watch.

After congratulations the happy company partook of a sumptuous wedding breakfast and conspicuous among many good things was a five story wedding cake, the work of the bride. The presents were numerous and costly showing the high esteem in which the bride is held.

Only the immediate relatives of the bride and groom were present, owing to recent bereavement in the groom's family. The happy couple left on the afternoon train for Toronto, the bride travelling in a navy blue suit with pink georgette blouse and corn colored satin hat trimmed with gold lace and black velvet. On their return Mr and Mrs Love will reside on the groom's farm on the 16th Con., Egremont. Their many friends and neighbors join in wishing them a long and happy wedded life.

# Soldiers Home Coming Campaign

## War Work and After-War Work of the SALVATION ARMY

"FIRST TO SERVE—LAST TO APPEAL"

The Salvation Army has for 53 years been organized on a military basis—inured to hardship, sacrifice and service. It is always in action, day and night. It has maintained Military Huts, Hostels and Rest Rooms, providing food and rest for tens of thousands of soldiers each day. 1,200 uniformed workers and 45 ambulances have been in service at the front—in addition to taking care of the needs of soldiers' families here at home, assisting the widows and orphans, and relieving distress arising from the absence of the soldier head of the family.

# The Salvation Army Million Dollar Fund

January 19th to 25th

While it could do so, the Salvation Army has carried on without any general appeal. Now the crisis is arising with the return of the 300,000 soldiers. The budget for essential work during the coming year has been prepared. A million dollars must be raised to continue the after-war activities, which include:

### Hostels for Soldiers

Salvation Army Hostels are vitally necessary for the protection and comfort of the soldier at the many stopping places between France and his home here in Canada. These hostels—our military hotels—provide good food, clean beds, wholesome entertainment at a price the soldier can afford to pay. If the boys did not have a Hostel to go to, WHERE would they go?

### Care of the Wives, Widows, Dependents and Orphans of Soldiers

Scores and hundreds of cases could be cited where soldiers overseas have been comforted by the assurance the Salvation Army has stepped in to relieve their families from dire need. As an instance, a mother with six children is located—no food, weather freezing, food and funds exhausted by sickness and other troubles. They are taken to Salvation Army Emergency Receiving Home. Winter and 300,000 soldiers returning increase the demands on the Salvation Army, whose

personal help alone is of avail. Consider, too, the vast and complex problems arising out of the care of soldiers' widows and orphans.

### Keeping the Family Unit Intact

The women of the Salvation Army on their visiting rounds accomplish the apparently impossible. Is the discharged soldier out of a job? They find him employment. Is the wife sick, the home-work piling up, the children neglected? They nurse the wife, mother the children, wash and scrub, is there urgent need for food, fuel, clothes or medicine? They are supplied. It takes spirit of service in which work is done.

### When the Soldier Needs a Friend

The Salvation Army Lascie provides the boys with hot coffee, the pies, chocolate, magazines, writing materials, and the spiritual comfort which the boys in khaki need. Until the last home-ward-bound soldier is re-established in civilian life, will you not help the Salvation Army to combat the discomforts and evils that beset his path?

The service of the Salvation Army, founded on sacrifice, demonstrates the true spirit of the Master. It is directed to the extension of the Kingdom of Christ. For two generations the Salvation Army has stood out and out for God. It approaches practical problems in a practical way and achieves RESULTS. It co-operates with all—overlaps none. It recognizes neither color, race nor creed. It is always in action, day and night. No organization does greater work at less cost. To carry on its great work it must have financial help, and on its behalf members of the Dominion Government, business men and returned soldiers endorse this appeal for funds.
