Holstein Pastor Honored

A Prosperous Congregation

The Annual meeting of the Holstein Presbyterian Church was held Friday evening, January 24th, Pastor Rev. G. S. Scott presiding. The congregation was well represented. Reports were received from the different branches of congregational work and showed a very successful year. Total revenue for all purposes, \$216.70. Of this amount \$720.25 was sent to the different Mission Treasurers. No deficits were reported from any of the organizations. Officers were appointed for the year. A resolution expressing confidence and gratitude towards Rev. Mr. Scott was passed unanimously. The thanks of the meeting were tendered the choir, Sabbath School workers and the Treasurer. The meeting throughout was marked with the greatest harmony. Before closing the congregation asked the pastor to vacate and called upon Mr D. Grier to occupy the chair. The following remarks by Mr. Grier came in due course:

In compliance with the wishes of the audience it devolves on your humble servant to occupy your position for a little. We have thought this a very opportune and suitable time and place to express our regard for you and yours, and therefore I wish to give honor and thanks to them whom honor and thanks are due.

Amongst the many institutions of our land, we recognize the Christian Missions as the foremost and the best. Why? Because we have our blessed Lord's example when he said "Man shall not live by bread alone but by every word that proceedeth out of the mouth of God," and thereby clearly showing that we have something higher and nobler than this present existence, to which we should endeavor to attain.

Mr. Grier said you, Dear Sir, we cheerfully acknowledge your solicitude at all times to make this Blessed Word your guide and foundation in order that we may be edified in, and governed by, its blessed precepts for our soul's advancement and growth in grace, whereby we may lay a good foundation, trusted and tried for our spiritual welfare.

Mr Allan was then called on to read the address following:

To the Rev. G. S. Scott and family, Dear Pastor,

We, the members and adherents of the Presbyterian church, Holstein, and others interested in your welfare, wish to express to you at this time our heartfelt sympathy in the recent affliction through which you have been called upon to pass. You have resided in this community, endeared yourselves, not only to this congregation, but also to the community at large. You have been diligent in the discharge of your duties, ever holding up the True Ideal whom we must endeavor to emulate and by whom we must attain to that spiritual character of which we have His own holy and righteous example.

We therefore kindly ask you on behalf of this congregation and other friends to accept this sum of money as a token of appreciation, not for its intrinsic value but as an expression of the esteem and respect in which you are held.

Signed on behalf of the Managing Board

Jno R. Philp, Chair'n D. Allan, Secy Jno Stevenson, Treasurer Wm. Eccles, Thos McMillan Donald Campbell

The pastor replied quoting the words of Isaiah: "They helped every one his neighbor and every one said to his brother, Be of good courage" and spoke of the mutual help received from the people in the past and thanked them cordially for this expression of their kindness as shown in both their words of appreciation and gift. The meeting closed with the benediction.

Methodist Anniversary Services

The annual anniversary services were held in the Methodist church last Sunday, when Rev David Wren, M. A. of Mt Forest was the preacher. The services of the day were very largely attended and the anniversary was considered by those who remember these occasions of past years, to be the best or one of the best at least in the history of the church.

The morning sermon "Solving the mystery" was of a very choice spiritual nature. The preacher showed how the powers and success of the Christian religion radiated from the death or cross of Christ. The evening sermon was of a missionary character—very lofty in ideal and mission.

On Monday evening the anniversary was continued by a lecture by
