## NORTH EGREMENT

On Wednesday evening last as announced in our last week's budget a right royal crowd of friends and neighbors to the number of 90 or more equally divided as to sex, gathered at the home of Mr and Mrs Thos E. Brown to give them a piece of their mind and other things before their departure to Darham. With Mr Walter Hastie in the chair he facetiously called upon for assistance to handle the large program Mr Sam Patterson, Sr., Mrs Wm. Hunter Sr., Mrs Velva Daly and Miss Florence Brown, the latter reading the following address, the others at the proper time presenting Mr and Mrs Brown with a couple of handsome chairs and little Miss Mary with a beautiful necklace and pendant, which came also as a fine birthday present that day.

Dear Mr and Mrs Brown:

We, your neighbors and friends, have assembled here this evening to bid farewell to you in your old home and to extend to you our best wishes for a long, happy and prosperous life in the new home to which you are about to go.

We take this opportunity, before the ties which have bound us together as neighbors are severed to endeavor to express to you our appreciation of your many good and noble qualities which have made these ties very real indeed. You have wept with us in our sorrows; you have laughed with us in our joys; you have borne the burden and heat of the day and now we rejoice with you that your industry has been rewarded and blessed in such a substantial way as to enable you to take life easier and to permit you to enjoy the reward of the labors of your hands.

As at a kin of our sincere regard for you we would ask you to accept these chairs, and little Mary to accept this necklace, as a remembrance of the happy days we have spent together.

Signed on behalf of your neighbors Mrs Wm. Hunter, Sr., Wm Wilson, Mrs Thos. Atchison, J. G Johnson, Mrs David Hamilton, W. W. Ramage at Mr Mutch's.

At the conclusion of the address Mr Brown replied very feelingly and deprecated some of the fine sentiments expressed and had often wished he had been able to do more. He appreciated their presence in their home to bid them farewell and remembering them as they had, with those beautiful gifts, which would always remind them of the happy moments spent together. They had also

on their part found the neighbors ready and willing to help in time of need, and although they were not going far away they expressed a wish that they may often meet, and would be pleased to have a visit from any of their friends in their new home in Darham.

After the chairman's laudatory address, songs were sung respectively in the order named by W W Ramage, by the Glee Club of which Mr Thos. Atchison, John Brown and Arthur Lee and Mr and Mrs T. Daly. Speeches were given by Messrs E. Patterson Sr., Matthew Hooper, Jas. Lathian and Mrs Robt. Matthews. Recitations were given by Miss Bingham Reid, Mrs Atchison, and Mildred Scott. A pleasant time was there after spent in social conversation both before and after the fine lunch served.

There arrived on Friday last Mr Arthur Backus from Dental College, Toronto, at the home of Mr and Mrs Jas B. Tucker, his wife's grandparents. They left on the Saturday following for his home in Bentlick.

We, your neighbors and friends, have gathered here this evening to try to express to you in some small measure our gratitude for the sacrifice you have made.
