# McClary's Steel Ranges

The main question to be considered in the selection of a Range is "How long will it last; what satisfaction will I derive from it; what is the fuel consumption and the general up-keep?" In placing before you the reliable Ranges of the McClary Company, we do so with the knowledge of what they have done in the past, the satisfaction they have given, and the Company's long experience in their manufacture. They are "Standard" Ranges, made by one of the best stove manufacturing companies in America, and are known from coast to coast.

## The "PANDORA" for Coal, Coke or Wood

"Pandora" in Canada is a household It stands for the best. The "Pandora" is equipped with large quick baking oven; the flues are scientifically constructed in order that the fire box, flues and opening into the smoke pipe will work together to give the best cooking results. with the minimum amount of fuel. The triple barred grates of the "Pandora" are so constructed that each bar may be shaken separately, the bars are three faced so that all may alternately be turned to the fire and are of exceptional durability. The fire box linings are made of the famous semi steel and are practically indestructible. These and many other exclusive features make the "Pandora" an ideal Range for home use

This range is furnished with a high warming closet and shelf, a reservoir of best pressed sheet steel with best quality enamel and with thermometer in oven door

Our Price this Week .. \$89.00

## The "KOOTENAY" for Coal, Coke or Wood

The "Kootenay" is a high grade steel Range, moderate in price and economical It has a burnished top, is easily cleaned, will not crack, warp or bulge. The oven is made of the best materials and is spacious, square and deep. The linings of the fire-box are made of semi-steel and are practically indestructible. This

Range is equipped with duplex grates, a high warming closet and shelf with enameled back, reservoir and oven thermometer. The reservoir on the "Kootenay" is patentented and can be easily attached or de-

This Week our price for this Range is ...... 83.00

## The "GARRY"

The "Garry" is a high grade steel range at a popular price. It has nickel trimmings so easy to clean and which give the range a most attractive appearance. A large quick baking oven, a spring poised oven door which falls into a horizontal position for drawing out hot pans and dishes, is most convenient. The famous duplex grates are supplied with this range and the fire box is large and ro my and scientifically proportioned. With this stove are also a high enameled back warming closet and shelf, reservoir and oven thermometer.

This Week our Price is .. 73.00
